

## **8 ACKNOWLEDGEMENTS**

RPS Consulting Engineers wish to acknowledge the following organisations for allowing the use of their information and data for this study.

Wicklow County Council, who provided the details and drawings of the existing and proposed infrastructure for the Murrough area.

The Department of Communications, Marine and Natural Resources for the LIDAR survey, extreme water level data and future erosion lines at the Murrough.

Irish Rail for the hydrographic survey information for the northern section of the study area.

The Ordnance Survey of Ireland for the aerial photography for the Murrough.

UK Met office for the offshore wave and wind data.

The National Parks and Wildlife Service of the DoE for their information and advice concerning the designated areas at the Murrough.
