

Kilmacanogue Specific Development Objectives

These objectives should be read in conjunction Part 1 of this Volume 'Introduction to Level 6 Settlement Plans':

1. Preserve and improve public and private open space and recreation facilities, including walking routes linking the town of Kilmacanogue to the summit of the Great Sugar Loaf and reinforcing the role of the town as a service base for recreational users.
2. To carry out a feasibility study and public consultation to investigate the possibility of providing a new road to the east of Kilmacanogue which would, amongst other things, provide alternative access to properties currently directly accessed from route N11.
3. To allow for development of up to 25 new dwellings on lands identified as **KM1** on Map No.1, contingent on the development on these lands of public active open space measuring not less than 1 ha.
4. To seek to facilitate infill residential development at appropriate locations particularly where shared vehicular entrances can be achieved and where a clustering of dwellings can be accommodated.
5. To preserve lands at Kilmacanogue GAA on lands identified as **KM2** on Map No.1, for recreational and active space only.
