Councillor Frame proposed and Councillor Mrs. O'Gorman seconded:

"That We, the Bray Urban District Council desire to place before

"the Dun Laoghaire Borough Corporation the fact that at present

"application is being made to the Dublin County Council and

"Wicklow County Council for the extension of boundaries of the

"Urban District of Bray and representations are being made to

"the two County Councils concerned to receive a Delegation from

"Bray Urban District Council to confer on these matters. In the

"Report of the Town Clerk which has been adopted it was proposed

"that Bray should take in the corridor between the Borough

"Boundary at Killiney and the Urban District Boundary at Bray.

"As a matter of historic fact the boundary recommended by the

"Municipal Boundaries Commission in 1881 was the townland of

"Shanganagh and the townland of Old Gonnaught and there was

"actually inserted in BraynTownship Bill of 1881 proposals to

"include these two areas with the Urban boundary. It will be

"seen, therefore, that having fixed the railway as the boundary

"of the new Borough area, a spear head has been driven into the

"townland of Shanganagh, which will (if Bray Urban District

"Council is permitted to extend its boundaries into County

"Dublin and include this corridor) cut off portion of it from

"the sea. We therefore, suggest to the Dun Laoghaire Borough

"Corporation that the proposed new boundary should follow the

"present southern boundary of the Borough up to the Harcourt

"Street Railway line"
