"That We, the Members of the Bray Urban District Council desire to express our deep dissatisfaction at the exclusion from the Compulsory Purchase Order No.I of the premises No.32, Vevay Road, notwithstanding the fact of the strong representation in the form of a Memorial by members of the Council and presented to the Minister's Department on 23/4/36 for their retention in the Order. And we are still strongly of opinion that these premises so generally situated are necessary for the proper development of the area at here on which the Council propose to build at a later date and would provide an ideal entrance thereto. Furthermore, we wish to point on the Certificate of our Engineer and Medical Officer of Health together with our own knowledge of the premises we are satisfied, as we have had a Council Inspection, that the premises are totally unfit for human habitation. Consequently a more economic proposition than the premises No.51 Main Street, which is a sound building and which is included in the Order, and will be acquired at Full Value and where the tenant who has established a good business there and who objects to its acquisition and who did not appear before the Inquiry on 11th November, 1935, will be deprived of his livelihood. We also wish to state that the Council would be far more satisfied should an Inspector of the Department give an official visit to these premises and testify to our Officials report, and that acquisition of No.51, Main Street (33A on Map) be not proceeded with. For the reasons given, the Council are of opinion Section 7 of the 1931, should be put in operation to acquire these premises for the proper development of the acquired area at the here and as recommended by their Surveyor and as indicated in the Map of the Development Scheme, with the addition of a yard at here of 32, Vevay Road, Bray. Copy of this Resolution to be forwarded to the Minister's Department without delay."
