WICKLOW.

NOTE.—The Drafts issued by the Treasurer in favor of the Board of Superintendence of Wicklow jail, and Countersigned by the Clerk of the Crown on account of the Presentment made to it at Summer Assizes, 1841, exceeded the amount of the Presentment by the Sum of £58 17s 6d. The Treasurer took credit in his present Account for this excess as an advance on the Presentment made to the Board at the last Spring Assizes, but it has been Disallowed without prejudice, to his getting credit for it in his next account, if the Grand Jury present at the ensuing Assizes, that the Presentment made at Summer Assizes 1841, was deficient to the amount of £58 17s 6d, and shall present that the same be raised accordingly.

Resolutions of the Grand Jury.

The Report of the Commissioners, for entering into an agreement for the site of a Court-House in Arklow having been read, and it appearing that subsequent to the agreement entered into with Mr. James Graham for the above purpose, the said Mr. Graham has become insolvent, and that in consequence there has arisen an uncertainty respecting the person to whom the rent agreed upon should be paid, the Grand Jury before making any presentment upon the subject refer back the subject to the Commissioners to report on the subject at the next assizes, and we add the name of Edward Symes Bailey, Esq. to that Commission.

Resolved—That the sum of £93 6s. presented at Summer Assizes 1840 for Joseph Jones, to repair Annagowlan bridge, be now presented to William Hampton, Esq. County Surveyor, to complete the said work, this contract not being fulfilled, see 6 & 7 Wm. IV, cap. 116, sec. 146.
