GEORGE HODSON, Bart,
Foreman.

It appearing from the Certificate of this Manager of the Wicklow Bank, that the sum of £6 14s. 6d. is allowed by the Bank to the Treasurer of the County, to which sum he would have been entitled had the money been invested in Exchequer Bills. We present that the said sum of £6 14s. 6d. be paid to the Treasurer on account of the Interest to which he would have been entitled under 1st Vic., cap. 54.

GEORGE HODSON, Bart.,
Foreman.

Resolved—That it is the opinion of this Grand Jury, that the office hitherto held by the Local Inspector of the Bridewell, at Baltinglass, is one of much utility as conducive to the proper and economic arrangement of the Institution, and that although the Prison Act, passed in the last session of Parliament, 19 and 20 Vic., cap. , appears to vest all the powers in the local inspector of the County Gaol; we believe that a more constant and strict inspection is essentially required than can possibly be expected when only the single officer is employed.

Resolved—That it is the opinion of this Grand Jury, that the office hitherto held by the Local Inspector of the Bridewell at Baltinaglass, is one of much utility as conducive to the proper and economic arrangement of the Institution, and that although the Prison Act, passed in the last session of Parliament, 19 and 20 Vic., cap. 11, appears to vest all the powers in the local inspector of the County Gaol; we believe that a more constant and strict inspection is essentially required than can possibly be expected when only the single officer is employed.

GEORGE HODSON, Bart.,

Resolved—That the Grand Jury having heard the explanation of the Solicitor to the Grand Jury, respecting the alleged illegal stopping of a cross road near the Railway Station at Bray, on the part of the Directors of the Dublin and Wicklow Railway Company, hereby direct the County Surveyor to cause a nominal Presentment to be made upon the accommodation road leading from Mr. Seymour's house to the Queensborough road, with a view to cause such road to be legally opened to the public, and that in the event of any opposition to said Presentment being successful, the County Surveyor be prepared to take steps to re-open the road numbered 28 on Parliamentary Plan.

GEORGE HODSON, Bart.,

It appearing from the Certificate of the Manager of the Wicklow Bank, that the sum of £10 1s. 4d. is allowed by the Bank to the Treasurer of the County, to which sum he would have been entitled had the money been invested in Exchequer Bills. We present the said sum of £10 1s. 4d. be paid to the Treasurer, 1 Vic., cap 54.

G. L. PROBY.

We present R. D. Barry, Esq., to be one of the Board of Superintendence of the County Gaol, in the place of the late Rev. Wm. Vickers.

G. L. PROBY.

Resolved—That the County Surveyor be empowered to proceed against the Sureties of Peter Kavanagh, he having failed to perform the contract he had entered into, to construct a sewer in the street of Arklow, the time appointed for the execution of which having expired.

G. L. PROBY.

We, the Committee appointed to investigate the Coroner's accounts, beg to report that, in our opinion, it has been the practise of both Coroners to hold inquests, in cases when the necessity for such does not sufficiently appear. Eight out of seventeen inquests held since last Assizes by Mr. Hudson, having for verdict "died by the visitation of God," shewing the deaths to have occurred from natural causes: and in the case of Mr. Newton, five out of twelve being similarly circumstanced. We are of opinion, that in the case of Christian Alison, from the information given to the Grand Jury, no Inquest ought to have been held, and that his fee for such, £1 10s. 0d. ought to be deducted from the presentment. We strongly recommend, that it be intimated to the Constabulary authorities from this Grand

Jury, that it is desirable that in future a greater degree of circumspection and enquiry be used previous to sending for the Coroner. We find the mileage fees to medical men and the other expenses, so far as we can judge are correct; and we recommend that in future the Coroners attend the meeting of the Grand Jury, on the first day of each Assizes, to afford information in the investigation of their accounts.

GEORGE HODSON, Bart.

WILLIAM JONES WESTBY.

ROBERT C. WADE.

Resolved—That this report be received, and that it be printed with the Abstracts of Presentments made at this Assizes, in order that the attention of the parties referred to be directed to the several matters therein.

G. L. PROBY, Foreman.

Resolved—That in reference to the application for a nominal presentment to keep in repair the road from Bray to the Railway Station, which was declared to be informal at the last presenting Sessions at Enniskerry. This Grand Jury, being strongly impressed with the necessity of placing those approaches under Grand Jury Presentment, hereby direct the attention of the County Surveyor to take the necessary steps to bring the question legally for decision at the next presenting Sessions for the Barony of Rathdowne.

G. L. PROBY, Foreman.
