WICKLOW SPRING ASSIZES, 1859.

Resolved—That having heard the explanation of the County Surveyor, as to the proposed change of the public road from Wicklow to Rathdrum, on Townland of Glassnarget as set forth in the map now laid before the Grand Jury, marked No. 1 and coloured in pink, which change has he thought desirable, in order to avoid the objection to a level crossing, as originally proposed by the Dublin and Wicklow Railway Company. It appears to this Grand Jury that such duration is desirable, and we authorize the County Surveyor to make representation to the Board of Trade accordingly.

Resolved—That the report of the Committee appointed to consider matters connected with the office of County Inspector of Weights and Measures, and the question of fees, to be in future paid to the Secretary of the Grand Jury for filling County documents, be received; and that the attention of the officers, now to be appointed, be specially directed to carry out the instructions given therein.

Proby, Foreman.

Resolved—That the especial attention of the Secretary of the Grand Jury be directed to the necessity of carrying out the provisions of the Grand Jury act, as set forth in the secs. 20 and 25, as to the regular mode of levying or continuing Contracts, and also to the keeping of the proper Contract Book as pointed out in Section 48.

Proby, Foreman.

The Company having undertaken to build a bridge in lieu of the proposed level crossing on the Townland of Tenehinch, this Grand Jury authorize the County Surveyor to withdraw his opposition on this point, and they also hereby approve of the level crossing at Ballymanus.

Proby, Foreman.

We the undersigned being a Committee appointed to take into consideration the proposed Election of an Inspector of weights and measures in the room of the late Marcus Maingay, Esq., and also the proposition for a better arrangement, as regards the fees to be in future paid to the Secretary of the Grand Jury, for filling tenders and perfecting other documents connected with County presentments, beg to report as follows:—

That after a careful inspection of the Acts of Parliament bearing on the subject we are of opinion that the office of County Inspector of Weights and Measures is contemplated by the Statute, and we recommend that such an officer be appointed at a yearly salary of £70, and that in future he be required to make a report to the Grand Jury at each Spring Assizes, setting forth the several times and places at which his inspection has been made.

We also recommend that it be an instruction to the Secretary of the Grand Jury about to be appointed, that in future the fees which he shall in future receive for filling Documents, connected with County presentments, be as follows,

George Hodson, Bart., Henry Carroll, William Jones Westby William Owen, David Mahony.

Resolved—That the Rev. John Drought be appointed a member of the Board of Superintendence of the County Gaol, in the room of Daniel Tighe Esq. resigned.

From the great inconvenience and irregularity arising from the existing custom of lodging the various County Documents in the Office of the Secretary at the last moment, previous to, and often during the Assizes.

The Secretary of the Grand Jury begs to direct the attention of the parties concerned to the "116 sec., 6 & 7 Wm. 4, c. 116," where it is enacted, "That every person who shall require any presentment for fees, poundages, salary, or any other contingency or payment, whatsoever, shall lodge the same with the Secretary six clear days, at least, previous to the day appointed for impannelling the Grand Jury."

In accordance with the foregoing section, it is requested that in future the Coroners Accounts, Warrants to High Constables, Malicious Injuries, Sudden Damages, Insolvencies, Lists of Cess-payers Names, Applications, and Tenders for Works at Assizes, and other Miscellaneous Documents, may be lodged within the time specified above, otherwise they cannot be received or entered on the schedule.

GEORGE WYNNE, Secretary.

Sir,

A Representation having been made to this office, that payments are frequently made under the orders of Grand Juries to the relatives of deceased Road Contractors, without Probates of the Wills or Letters of Administrations, I beg to call your attention to the provisions of the 5 and 6 Vic. cap. 82, imposing very heavy penalties on persons taking possession of the effects of deceased Testators or Intestates without having complied with the Law above referred to.

I am Sir,

Your obedient Servant,

GEORGE HARRISON.
