RESOLUTIONS, &c., OF GRAND JURY.

Resolved—That a Committee of this Grand Jury, consisting of the following gentlemen, viz.—Sir George Hodson, Bart., Major Gun Cunningham, W. F. Cogan, M.P., Joseph Pratt Tynte, George Hudson, W. J. Westby, and D. Mahony be appointed to communicate with Sir Thomas Larcom, with reference to the proposed increase to the Richard Lunatic Asylum, and in doing so to draw his attention to the fact, that the total number of Lunatics in this county exceeds only the number to which it is entitled to accommodation in the existing Asylum, in proportion to the amount of money already contributed by the County of Wicklow.

GEORGE HODSON, Bart., Foreman.

Resolved—That the Secretary be directed to inform the Under-Secretary that the subject referred to this Grand Jury, in his letter of the 5th instant, has received all proper consideration: that this body is strongly impressed as to the unequal proportion in which the present accommodation at the Richmond Asylum is allotted, the County of Wicklow not having within 71 of its proper complement of inmates, while the City of Dublin has 96, and the County of Dublin 13 above its authorized number, and that in any arrangement which may be come to, they confidently trust the injustice of this fact ought to be noticed and remedied; a due allowance being made to this county in the assessment of the increase of building. On consideration of the entire case, they are of opinion that the present accommodation at the Richmond Asylum ought to be increased rather than that a separate Asylum should be erected and maintained.

GEORGE HODSON, Bart., Foreman.

Resolved—That a committee of this Grand Jury be now appointed, to consist of Messrs. Howard Brooke, Edward Symes Bayly, and William Courtenay, who shall have power to confer with the County Surveyor with the view of taking such measures as will secure to the County a proper mode of access between the two bridges at Newbride, in the Barony of Arklow, and also to endeavour to abate the inconvenience to the public traffic in the present arrangements concerning the tramway.

GEORGE HODSON, Bart., Foreman.

We the Undersigned, appointed as a Committee, for the purpose of investigating the presentment to the Clerk of the Peace for Registry expenses, beg to report that we have examined the account of the Clerk of the Peace for expenses, in reference to the preparation of the Lists of Parliamentary Voters, and we are of opinion (after hearing his explanations, and having regard to the work necessarily done, in compliance with the Act of 13 & 14 Vic., cap 69), that the charge of £64 9s. 3s. made for posting, travelling expenses, and for clerk's time in copying and revising the lists, is not excessive. The remainder of the presentment under this head, viz: £76 13s. is for printing; and with regard to the fairness of this charge we are unable, with our present information, to offer an opinion. But we recommend that upon the expiration of the existing contract for general printing work, the printing of all documents required by the Act referred to, be included in any new contract, which should only be entered into after public advertisements inviting tenders, which shall have been published in the local and Dublin press.—D. MAHONY, WM. JONES WESTBY, ROBERT. C. WADE.

Report adopted, and to be printed in Abstract.

GENTLEMEN,

I have to report to you, in reference to the proceedings taken against Wm. Weekes, junr., and Edward Byrne, for non-performance of their contracts, that in the former case obstructions were thrown in his way by the occupier of the land, which mainly caused the delay which has occurred; and in the latter case the work has been satisfactorily completed. Under these circumstances I recommend an application to Government to remit the penalties inflicted.

I have the honor to be, Gentlemen,

Your obedt. servt.,

GENTLEMEN—I have examined the County Maps in the Grand Jury Room, and I find that it is necessary to repair several parts which have been injured, and also to provide means for keeping them locked up when not required for public use.

The cost of repairing and cleaning the Maps would be about £10 0 0. For laying down all the new roads, railways, and sundry alterations in the features of the County, since the

Maps were put up, £25 0 0 ... £35 0 0

I find that under the 66th section of the Grand Jury Act, it is competent for the Grand Jury to present for this purpose.

I have the honor to be, Gentlemen,

Your very obedt. servt.,

W. PROBY, Foreman.

Resolved—That the Crown Solicitor be directed to pay Edward Byrne the sum of £5 7s. 6d., the amount of a penalty inflicted against him and his sureties, for non-performance of his contract, which the Grand Jury at Spring Assizes, 1863, requested the Lord Lieutenant to remit, and which sum was paid to the Sheriff's officer.

February 26th, 1864.

W. PROBY, Foreman.

Resolved—That, in consequence of the absconding of Michael Byrne, Court-House Keeper at Bray, that situation be hereby declared vacant, and that Edward Kennedy be appointed Court Keeper, subject to the sanction of the High Sheriff, pursuant to 6 and 7 William 4th, cap. 116, sec. 79, and that there be paid to Anne Byrne, wife of said Michael Byrne, the half-year's salary now due.
