## RESOLUTIONS, &amp;c., OF GRAND JURY.

Resolved—That this Grand Jury strongly expresses its disapproval of the proposition referred to in the letter of Sir Thomas Larcom, relative to the erection of a District Lunatic Asylum for this County alone; and we appoint the undernamed as a Committee of our body to communicate with the authorities on the subject, viz. :—

Sir George Hodson, Bart.,  
Lieut.-Col. Bayly,  
William J. Westby,  
Robert C. Wade,  
William Owen,  
George Hudson,  
David Mahony, and  
Major Gun Cuninghame.

W. PROBY, Foreman.

Resolved—That under the peculiar circumstances reported to us by the County Surveyor, regarding the contracts from Rathdrum to Knockrath, and from Knockrath to Laragh, over which exceptional traffic has arisen, we direct the existing contracts to be annulled. New contracts to be taken at next Sessions, and the sums now on the books to be expended under the direction of the County Surveyor.

W. PROBY, Foreman.

Resolved—That the County Surveyor do confer with the Board of Superintendence relative to the improvement of the Crown Court, and also to the utilization of the ground at the rere, with the view to improve the courts, and to provide offices for the Crown Solicitor and witnesses, and for such further uses as may seem proper to the Grand Jury.

W. PROBY, Foreman.

Resolved—That the Crown Solicitor be directed to pay Edward Byrne the sum of £5 7s. 6d., the amount of a penalty inflicted against him and his sureties, for non-performance of his contract, which the Grand Jury at Spring Assizes, 1863, requested the Lord Lieutenant to remit, and which sum was paid to the Sheriff's officer.

February 26th, 1864.

W. PROBY, Foreman.

Resolved—That, in consequence of the absconding of Michael Byrne, Court-House Keeper at Bray, that situation be hereby declared vacant, and that Edward Kennedy be appointed Court Keeper, subject to the sanction of the High Sheriff, pursuant to 6 and 7 William 4th, cap. 116, sec. 79, and that there be paid to Anne Byrne, wife of said Michael Byrne, the half-year's salary now due.

W. PROBY.

Resolved—That the County Treasurer be requested to procure an imperial standard set of weights and measures for the use of the constabulary of the Bray district.

W. PROBY, Foreman.

A deputation from the Dublin Corporation, consisting of Sir John Gray and John Jameson, Esq., having attended before the Grand Jury, in refe-

(D)

rence to the damage done to the county roads by the Waterworks operations, the following memorandum of agreement was made:—

1st.—The Dublin Corporation undertakes that *all pipes now over ground* shall be under ground by the 1st day of May, 1864.

2nd.—That, as regards roads at present unoccupied by pipes, the said Corporation undertakes that the instant 400 yards of pipes are placed on the road, 300 yards of said pipe shall be under ground within one month.

3rd.—That all roads shall be metalled and repaired by the said Corporation within one fortnight after the ground is filled in.

4th.—That with a view to avoid reference to Petty Sessions, the County Surveyor be authorized to confer and arrange with Mr. Green, the Contractor, as to the amount required from time to time to repair and keep in repair the roads which have been and may be damaged by the Dublin Corporation Waterworks.

W. PROBY, Foreman.

## RESOLUTIONS, ETC., OF GRAND JURY.

SPRING ASSIZES, 1865.

Resolved—That this Grand Jury, having considered the Report of the Committee, appointed at Spring Assizes, 1864, and the letter of the Chief Secretary, dated 14th instant, in reference to the erection of a District Lunatic Asylum for this County, adhere to the opinion expressed in the Resolutions of former Grand Juries:—That it is not desirable to form this County into a separate District for the following reasons:—

1st.—Because, from the natural division of the County by the range of mountains intersecting it into two districts, between which the ordinary communication is through Dublin, no site for an Asylum within the County itself could be selected which would not be most inconvenient to the people, and to the gentry (from amongst whom the governors would be chosen), of one of those districts.

With the lines of railway already existing and those proposed to be made, the most convenient place for such an establishment is Dublin.

2nd.—Because it appears to this Grand Jury that the treatment of the Patients is likely to be more efficacious in Dublin, where they have the advantage of a numerous Staff of Medical Officers, practising in a large city, than if they were under the care of only a Resident and Visiting Physician of necessarily more limited experience in the treatment of Mental Diseases.

3rd.—Because, having regard to the fact that the Cork Asylum, having (according to the last report of the Inspectors of Lunatic Asylums) 501 patients—cost £35,840; that the Killarney, with 212 patients—cost £39,809; and that the Sligo, with 188 patients—cost £40,369: this Grand Jury apprehend that the Estimate of £21,000, given in the Chief Secretary's letter, for the total expense of an Asylum for Wicklow, will be found altogether inadequate.

4th and lastly.—Because, assuming *that* Estimate to be sufficient, it greatly exceeds the proportionate sum for Wicklow which could at all be needed for the enlargement to the requisite extent of the present Richmond Asylum.

Upon these, amongst other grounds, this Grand Jury submit that so small a County, adjoining Dublin, with 86,000 inhabitants, and a gross valuation of £260,000, requiring only from 25 to 45 beds beyond the number to which it is entitled in the existing Asylum, and from 50 to 70 beyond the number of patients actually under treatment in it, should not be compelled to incur the expense of building and maintaining the necessary staff of a separate Asylum for itself, especially when, by the proposed formation of Louth, Drogheda, and Meath into a new district, with a population of 186,000, and the consequent separation of Drogheda and Louth from the Richmond, space will be left available and about equivalent to the additional accommodation required for this County.

Resolved—That a Committee of this Grand Jury be appointed, consisting of William R. LaTouche, Andrew Wm. Byrne, William Kemmis, C. O'Connell FitzSimon, Major Cuninghame, William Owen, William Cogan, M.P., and David Mahony (with power to add to their number), for the purpose of urging the views expressed in the foregoing Resolution, and otherwise communicating with the Government upon the subject.

GEORGE HODSON, Bart., Foreman.

Resolved—That the following members of this Grand Jury, being members of the Board of Superintendence of the County Gaol, be hereby appointed as Commissioners, for the purpose of taking such steps, as may be necessary, for obtaining spaces required for enlarging and altering the County Court-House, and to do all matters required on the subject: pursuant to the 6th & 7th Wm. IV., cap 116, sec. 72, and 7 Geo. IV., cap. 74,

Sir George Hodson, Bart., }  
Major Gun Cuninghame, } Members of Board  
Charles Tottenham, Esq., } of Superintendence.

also

Robert F. Ellis, Esq.

GEORGE HODSON, Bart., Foreman.

Resolved—That it appears that by Presentment, made at Summer Assizes, 1847, the sum of £225 was raised and expended, conjointly with a like sum contributed by Earl Fitzwilliam, for the purpose of erecting a Fever Hospital at Tinahely: pursuant to the act, 6 and 7 Vic. And, whereas, the said building has long since ceased to be used as such Hospital, we hereby request the Board of Superintendence of the County Prisons (as commissioners for the purpose) to communicate with Lord Fitzwilliam, or his Agent, with a view to the utilization of said building; and to enable them to do so we direct the County Surveyor and Solicitor of the Grand Jury to make such reports thereon as the Board of Superintendence may require: and, further, that a report be laid before the Grand Jury at Summer Assizes, 1865, as to the best mode of disposing of the interest of the Grand Jury in the building, or of rendering the building useful to the County.

GEORGE HODSON, Bart., Foreman.

Resolved—That, out of a sum of Thirty Pounds, now in the hands of the County Treasurer, being the produce of the sale of old materials from houses, removed by Grand Jury Presentment, in opening up the road to Dunbur, Sixteen Pounds, Ten Shillings, be paid, in equal shares, to Abraham Rogers and Henry MacPhail, Valuers, for services rendered to the County, by their valuation of Mr. Barlow's houses in the Market Square.

GEORGE HODSON, Bart., Foreman.

Resolved—That the Grand Jury, having had before them a Memorial to the Lord Lieutenant, praying that His Excellency would recommend to the Government the advisability of constructing a Fishery Pier at Wicklow, and having satisfied themselves as to the usefulness of said work, highly approve of the project, and unanimously express a hope that the proposed undertaking may be successfully carried out.

The following are appointed to accompany the Deputation to the Lord Lieutenant—

Viscount Powerscourt, Sir George Hodson, Bart., Major Gun Cuninghame, Lieutenant-Colonel Tottenham, Wm. R. LaTouche, Esq., and Andrew W. Byrne, Esq.

GEORGE HODSON, Bart., Foreman.

Resolved—That it has been reported to us by the members of the Board of Superintendence, who have charge of the Baltinglass Bridewell, that, in or about the year 1825, a Presentment was made by the Grand of this County to certain Overseers, by whom a Military Barracks was

erected at Baltinglass, adjoining the Court-House and Bridewell of that Town, and that such building was subsequently used and maintained for many years under the Ordnance Department of His Majesty's Government; but, on the withdrawal of the troops therefrom, some years since, the Barracks was handed over, by the Ordnance Department, to the care of one of the local Boards of Superintendence of the County Prisons, in whose charge it now remains:—We hereby order and direct that all the circumstances of this case be inquired into by the local Board of Superintendence, with a view to ascertain the precise power which the Grand Jury have to deal with the matter, and that the County Surveyor and Grand Jury's Solicitor do give their attention to it, and confer with the Board of Superintendence, who are requested to report to the Grand Jury at Summer Assizes, 1865.

GEORGE HODSON, Bart., Foreman.

Resolved—That the Secretary be instructed to cause, in future, notices for the holding of Baronial Sessions, and a list of Baronial Works adopted at such Sessions, in the Barony of Rathdown, to be inserted in the *Bray Gazette*, the charge for same to be levied off the Barony of Rathdown.

GEORGE HODSON, Bart., Foreman.

Resolved—That William Grogan, Esq., of Slaney Park, Baltinglass, be appointed a Member of the Board of Superintendence of the County Gaol, in place of the Rev. Thomas F. Green, deceased.

GEORGE HODSON, Bart., Foreman.

Resolved—That Henry Ebbs, Esq., be appointed to the Office of Solicitor to the Grand Jury of the County of Wicklow, vacant by the death of the late Mark Toomey.

GEORGE HODSON, Bart., Foreman.

Resolved—That we hereby approve of John Clements, jun., of Milltown, being appointed as one of the Securies of Barony Constable John Clements of Coolawinna, in the room of William Nolan, Esq.

GEORGE HODSON, Bart., Foreman.

Resolved—That the County Surveyor be directed to consult with the County Surveyor of Kildare, and if possible to arrange that the roads included in Nos. 55 and 56, County at Large, be divided between the Contractors, so that each man may begin at opposite ends and finish in the centre.

GEORGE HODSON, Bart., Foreman.

Resolved that the County Surveyor be directed to communicate with the Board of Trade, and other parties interested, and to represent the great injury to the mail coach road likely to arise at two points—in the Townland of Cookstown and the "Valley of Diamonds"—by the proposed operations of the Bray and Enniskerry Railway Company.

GEORGE HODSON, Bart., Foreman.

Resolved—That the Secretary of the Grand Jury be requested to have advertisements inserted twice in each of two Dublin Newspapers, and the *Wicklow News-Letter*, inviting Tenders to the Grand Jury at next Assizes, for all Printing required for County purposes (except as regards the Registration of Voters), during the three years from 1st of May next, and stating that the Contractor will be required to give security for the proper execution of the work; and that the Clerk of the Peace be requested to in-

sert the like advertisements, for Tenders to print all documents required during the same period: under the Act 13th and 14th Vic., cap. 69.

GEORGE HODSON, Bart., Foreman.

It appearing from the certificate of the Manager of the National Bank that the sum of Thirteen Pounds, Nine Shillings, and Two Pence is allowed by the Bank to the Treasurer of the County, to which sum he would have been entitled had the money been invested in Exchequer Bills:—We present that the said sum of Thirteen Pounds, Nine Shillings, and Two Pence be paid to the Treasurer: pursuant to 1st Vic., cap., 54.

By the Grand Jury at Summer Assizes, 1865.—Having had under consideration the plans for altering and enlarging the Offices and Jury-Rooms, at the north end and rere of the County Court-House, for which Michael Clarke entered into a Contract at Summer Assizes, 1864, we recommend that arrangements be made in the new building to provide a "lift" from the basement or Kitchen story to the level of the Dining-Room; also, that an estimate be laid before the Board of Superintendence of its cost, and of the cost of providing Presses and Furniture for the new Offices, in order to obtain a presentment for same at next County at Large Sessions.

W. W. FITZWILLIAM DICK, Foreman.

It appearing from the Certificate of the Manager of the National Bank, that the sum of Fifteen Pounds, Ten Shillings, and Five Pence, is allowed by the Bank to the Treasurer of the County, to which sum he would have been entitled had the money been invested in Exchequer Bills. We present that the said sum of Fifteen Pounds, Ten Shillings, and Five Pence, be paid to the Treasurer, pursuant to 1st Vic., cap. 54.

W. W. FITZWILLIAM DICK, Foreman.

It appearing, by the Treasurer's Account of Spring Assizes, 1864, that the sum of Thirty-six Pounds was paid to the Treasurer in aid of a Presentment for altering a road at Onagh, in the Barony of Rathdown, of which amount—Thirty-two Pounds—was paid to the Contractor. Ordered that the balance of Four Pounds be paid to the Contractor, on the County Surveyor's certificate.
