## RESOLUTIONS, &amp;c., OF GRAND JURY AT SUMMER ASSIZES, 1860.

Resolved—That in our opinion the orderly and peaceful condition of this County renders it unnecessary and inexpedient that the Peace Preservation Act, prohibiting the carrying of arms within the district, be continued to be in force; and we direct that the proper steps be taken to cause the operation of such Act to cease, at the earliest convenient opportunity.

GEORGE HODSON, Bart., Foreman.

Resolved that the Grand Jury, having had experience of the satisfactory working of the Act for the Registration of Dogs, and the relief of the rates in each Barony of the County under that Act; wish to suggest to the Government the introduction of a Bill for the Registration of Arms on a moderate annual fee on each weapon. The produce of such to go (as in the case of the Dog's Registration Act) to the credit of each Barony, to meet the County rates.

GEORGE HODSON, Bart., Foreman.

Resolved—That the payments on the books, having reference to the presentment passed at this Assizes, of £4 3s. 0d., No. 17, Barony of Lower Talbotstown, in the name of Anthony Dowling (deceased since the last Presentment Sessions,) be paid to John Dowling his son, he having died without effects.

RESOLUTIONS AND PRESENTMENTS OF GRAND JURY AT SPRING ASSIZES, 1870.

Resolved—That as it has been represented to this Grand Jury, by the Secretary, that a practise has (of late) partially arisen amongst the County Contractors, in filling their Tenders for Roads, to put in so much a perch, less a small sum, which is deducted from the total amount, thereby causing inconvenience; the contractors are hereby cautioned that such practise or custom will not in future be allowed, but that the rate per perch and the total sum must correspond.

GEORGE HODSON, Bart., Foreman.

Resolved—That the County Surveyor be instructed to cause a presentment to be made in the proper amount, to compensate James Redmond at the Ovoca Hotel, for putting in order his premises adjacent to the bridge at Newbridge, (which have been injured by the erection of the bridge there), by filling up the roadway, and making more perfect the approaches thereto.
