RESOLUTIONS AND PRESENTMENTS OF GRAND JURY AT SPRING ASSIZES, 1870.

Resolved—That as it has been represented to this Grand Jury, by the Secretary, that a practise has (of late) partially arisen amongst the County Contractors, in filling their Tenders for Roads, to put in so much a perch, less a small sum, which is deducted from the total amount, thereby causing inconvenience; the contractors are hereby cautioned that such practise or custom will not in future be allowed, but that the rate per perch and the total sum must correspond.

GEORGE HODSON, Bart., Foreman.

Resolved—That the County Surveyor be instructed to cause a presentment to be made in the proper amount, to compensate James Redmond at the Ovoca Hotel, for putting in order his premises adjacent to the bridge at Newbridge, (which have been injured by the erection of the bridge there), by filling up the roadway, and making more perfect the approaches thereto.
