RESOLUTIONS, &c., OF THE GRAND JURY AT SPRING ASSIZES, 1873.

Resolved—That the following be a Committee to consider and report upon the state of the County Courthouse, so that the several small sums required for repairing and maintenance may in future be included in a single Presentment:—

Sir George Hodson, Bart.
Julius Casement, Esq.
Henry P. Truell, Esq.
Francis Synge, Esq.
Robert Francis Ellis, Esq.
O'Neill Segrave, Esq.

GEORGE HODSON, Bart., Foreman.

Resolved—That the following be formed as a Committee to consider and report upon the subject of the proposed bridge at Macreddin, in the Barony of South Ballinacor, taking into account the circumstances of the case:—

Honorable Mr. Fitzwilliam.
Mr. Acton.
Mr. Kenmis.
Baron DeRobeck.
Major Bookey.
Mr. A. W. Byrne.

GEORGE HODSON, Bart., Foreman.

Resolved—That on the representation of the County Surveyor, that in consequence of the severity of the weather he had been compelled to withhold payment from Contractors in several cases until such time as they had complied with his instructions as to completion of their contracts, we hereby authorize him to make such payments to any Contractors who have fulfilled the required condition.

GEORGE HODSON, Bart., Foreman.

Resolved—That it be an instruction to the Board of Superintendence of the County Gaol to include for the future in their general estimate the expense for whitewashing the Bridewell of Tinahely, which has hitherto been made the subject of a separate Presentment.

GEORGE HODSON, Bart., Foreman.

Resolved—That Patrick Byrne, lately contractor for the road Nos. 1 and 3 Barony of Arklow, be required to put into repair and maintain in proper order such road until the next Summer Assizes, when payment of the amount of his contract now withheld will be made to him, on the certificate of the County Surveyor to that effect.

GEORGE HODSON, Bart., Foreman.

Resolved—That as this County has been from time to time charged with the Payment of an Extra Force of Constabulary which it had not, and as at the present Assizes the Grand Jury is required to present for 17 extra men, when in fact the number of Constables appropriated to the County was less by 15 men than our "Free Force," which we believe to

be (if kept up to its full strength) quite sufficient in ordinary times for all Police Requirements within the County; we feel it incumbent upon us to take measures for the future from a charge against which the Grand Jury have already repeatedly remonstrated, and the legality of which they question.

That with this object the Committee named at Summer Assizes, 1872, be now re-appointed, and be requested to communicate with the Lieutenant of the County with a view to his convening a meeting of Magistrates to take the subject into consideration, and otherwise to act in the matter as shall appear to them advisable.

GEORGE HODSON, Bart., Foreman.

Resolved—That while we recognize as a constitutional improvement in the Jury System the arrangement by which, under the new Juries (Ireland) Act, 1871, Jurors are to be chosen, we are of opinion that the minimum valuation fixed by the Act both for special and common Jurors is much too low; that the Bill is needlessly complicated in its details; and that it is calculated to increase unnecessarily the local taxation.

GEORGE HODSON, Bart., Foreman.

We present that the Special Sessions previous to Summer Assizes, 1873, be held at the undermentioned times and places, viz. :—

For the Barony of Lower Talbotstown, at Blessinton, on Tuesday, 13th May, at 12 o'clock.

RESOLUTIONS, &c., OF THE GRAND JURY AT SUMMER ASSIZES, 1873.

Resolved—That the Committee appointed at Summer Assizes, 1872, be hereby re-appointed and requested to continue their endeavours to cause a cessation of the payment for the Extra Constabulary Force in this County, and that such Committee be empowered to employ counsel with the view of the subject being argued before the Judge at next Assizes.

GEORGE HODSON, Bart., Foreman.

Resolved—That it be a recommendation to the Grand Jury who shall assemble at Spring Assizes, 1874, to take into consideration the propriety of discontinuing the Bridewell at Tinahely.

GEORGE HODSON, Bart., Foreman.

Resolved—That it is the opinion of this Grand Jury that the amount now paid by Government for the maintenance of a certain class of Prisoners, viz. :—3s. per week, is quite inadequate for their support, and that a representation be made accordingly in the proper quarter.

GEORGE HODSON, Bart., Foreman.

Resolved—That the County Surveyor and Treasurer be empowered to take measures to provide proper accommodation for holding Special and Presenting Sessions henceforward for the Barony of Shillelagh, the Room hitherto used for that purpose being no longer available.

GEORGE HODSON, Bart., Foreman.

Resolved—That Professor Cameron be appointed Public Analyst for the County of Wicklow, under the Acts 23 & 24 Vic., cap. 84, and 35 & 36 Vic., cap. 76, for the prevention of the adulteration of articles of food, drink, and drugs, at a salary of £25 a year; and that we also appoint under the 6th Section of the Act of 1872, the Inspectors of Nuisances, the Inspectors of Weights and Measures, and the Inspectors of Markets to be Inspectors under the directions of the Local Authorities, to procure and submit samples of articles of food, drink, or drugs suspected to be adulterated, to be analysed by the analyst appointed as above, whose certificate shall be sufficient evidence of the matters therein specified.

GEORGE HODSON, Bart., Foreman.

The following are the duties to be performed by the County Analyst:—

1—To make Analyses under the Act for Institutions, and the public generally, at the fees prescribed by the Act, all such fees to be paid into the County Fund and not to the Analyst.

2—To make Analyses of water used for public purposes, when so required by the Local Authorities, Boards of Guardians, &c.

3—To make Analyses in cases of suspected poisonings of human beings, when so requested by the Magistrates, Coroners, and Police.

4—To make Analyses of manures and oil cakes, for non-vendors at 10s. and for vendors at £1 per sample.

5—To act generally as County Chemist, the penalties recoverable under the Act to go into the County Fund.

“COUNTY OF WICKLOW,

“Rathdrum, 13th June, 1873.

“I have to report that on this day Captain Wynne, Secretary to the Grand Jury of this County, inspected the Beam in my charge while I was engaged at the Courthouse comparing and stamping the weights and measures of Traders.

“He said the Beam is quite unsuited for the use required of it, being too weak and small, and he desired me to say that if an application would be made to the Grand Jury at next Assizes they would order a suitable Beam to be supplied.

“I have also to report that the *Small Beam* is not at all correct, and perhaps if the Grand Jury were aware of it they would order a good one to replace it also.

“JOSEPH VIZE (D.) Con. 13,598,

“Ex-Officio Inspector.

“A. M'Kelvey, Esq., S.I.”

This application for two Beams, as referred to, agreed to by the Grand Jury.

Read:—Read Report of Meeting of the Committee appointed to consider the state of the County Court-house, held on Monday, the 8th of September, 1873, as follows:—

The County Surveyor reported that he had made a careful examination of the entire of the building, in connexion with its defective state, and the requirements of the public services, and that it would be absolutely necessary that a considerable sum be provided for a complete re-arrangement of the Record Court, and the adjoining apartments.

After a full consideration of the plans submitted for our inspection, we hereby express our approval generally of the arrangements suggested, leaving details to be considered at a future meeting of the Grand Jury; and, as a preliminary step to provide for the attendant expenditure, we hereby authorize the County Surveyor to make application at the next Presenting Sessions for the County at Large, for a sum of £2,000, to be submitted for reading at the meeting of the Grand Jury at Spring Assizes, 1874.

HENRY BRETT, County Surveyor.

March 24th, 1874.

WICKLOW, MARCH 20th, 1874.

SIR GEORGE HODSON AND GENTLEMEN,—

I have to report to you that your Contractors generally have been attentive to their duties, many however have been backward, and in consequence their roads were not in a fit state to be certified at the proper time.

Owing to the advance of wages, and the want of means on the part of a large number of the Contractors, the difficulty of getting the contracts efficiently performed in due time is becoming more and more manifest.

I would, therefore, beg to bring under the notice of the Grand Jury the advantage that would arise by adopting the provisions of the 128 Sec., and by enabling me to make reasonable advances as the works progress, the chief difficulty would be obviated. This course would no doubt entail considerably more trouble on my assistants and myself, but the advantages to be gained by having the works satisfactorily performed are so great that we are prepared to aid in carrying out any arrangement for that purpose sanctioned by the Grand Jury.

I have the honor to be, Gentlemen,

Your very obedient servant,

HENRY BRETT, County Surveyor.

Resolved—That in accordance with the provisions of the 6th and 7th William 4, chap. 116, sec. 54 and 128, we hereby authorise the County Treasurer to make advances to Contractors for works and materials, provided by Contractors, to the amount of three-fourths, on the production of the County Surveyor's certificate, for the amount actually expended, either under the 54th Section or advances under 128th Section, as the case admits of. Resolution to be placed on the books at this Assizes in accordance with the above recommendation.

GEORGE HODSON, Bart., Foreman.

COUNTY OF WICKLOW.—SPRING ASSIZES, 1874.

I, Henry Brett, County Surveyor, make oath and say, that the public road at Clonwilliam, between the Wooden Bridge and Killahurler, in the Barony of Arklow, has been suddenly damaged by floods, on the night of the 25th of February last, and which was after Presenting Sessions, and having failed to procure an order from the magistrates to repair the said sudden damage, I now ask the Grand Jury to make Presentment for same to the amount of Twenty-five Pounds, under the provisions of the 38th Section of the Act 6 and 7 William 4, chap. 116.

Sworn before me this 23rd March, 1874.

GEORGE HODSON, Bart., Foreman.

Henry Brett.

RESOLUTIONS, &c., OF THE GRAND JURY AT SUMMER
ASSIZES, 1874.

Resolved—That it having been represented to this Grand Jury that a description of the Coal supplied for the use of the Court-house is more costly than that used in the County Gaol, the Court Keeper is hereby directed to take all future supplies at the price charged for the Gaol, and to procure the necessary orders for same from the Board of Superintendence

GEORGE HODSON, Bart., Foreman.

Resolved—That in reference to the arrangement made between the Grand Jury and the Township of Bray Commissioners at Spring Assizes 1867, as to the allocation of County at Large charges on said Township, and which allocation was sanctioned by Master Fitzgibbon on the first of June, 1868. We direct the Secretary and Treasurer, in making out the Warrant for the County at Large charge on said Township after this Assizes, to omit from said Warrant the proportion of County Surveyor and Assistants' salaries, heretofore charged on the Township, and to make a rebate for the amount so paid in error heretofore.

GEORGE HODSON, Bart., Foreman.

Resolved—That with reference to the subject of the improvement of the County Court-house, which was placed in charge of the following Committee to inquire and report on its condition, at Spring Assizes, 1873, viz. :—

Sir George F. Hodson, Bart.
Robert Francis Ellis, Esq.
O'Neal Segrave, Esq.
Francis Synge, Esq.
Henry P. Truell, Esq.
Julius Casement, Esq.

We now re-appoint the said Committee as Commissioners to adopt such steps as may be necessary for the repair, renovation, and improvement of the County Court-house.

GEORGE HODSON, Bart., Foreman.

Resolved—That Robert Saunders, Esq., Robert F. Ellis, Esq., George Posnett, Esq., and Lieut.-Col. Cuninghame be appointed a Committee to inquire into what becomes of the amount credited to every Barony of "Undischarged Queries," and whether some steps cannot be adopted for reducing the amount required for the Presentments for each Barony, by deducting therefrom the amount standing to credit of such Barony.

Adopted.

GEORGE HODSON, Bart., Foreman.

Summer Assizes, 1874.

I certify that Patrick Byrne has executed work on the Vale road, since Spring Assizes, to entitle him to one quarter's payment, up to this Assizes, the remaining quarter to be retained to secure the maintenance of the road to Spring Assizes, 1875.

HENRY BRETT, County Surveyor.

By the Grand Jury at Summer Assizes, 1874.

We authorize the County Treasurer to pay one quarter's amount on the above road, agreeably to County Surveyor's certificate.

GEORGE HODSON, Bart., Foreman.

Resolved—That upon the Solicitor to the Grand Jury receiving a guarantee from Henry Shepard, Esq., of Oatlands, indemnifying the Grand Jury from loss, the Secretary and Treasurer be empowered to make payment of Presentments 77, 78, 79, 80, and 81, on Barony of Arklow—Abstract for Summer 1873, to the Widow of the late Contractor.

Adopted.

GEORGE HODSON, Bart., Foreman.

Summer Assizes, 1874.

Sir George Hodson, Bart., and Gentlemen.—

At Summer Assizes 1872 a sum of £107 10s. was presented to Patrick Byrne, Contractor, to build a bridge at the "Tinker's Brook," in the Barony of South Ballinacor. No progress has been made by said Contractor to carry on said work, and at last Assizes an order was made by the Grand Jury to carry out said work. I now find on referring to several Contractors that owing to the increase in price of labour and materials, the sum presented is entirely insufficient to carry out the work as originally contemplated, and that it will require a sum of about £50 additional to complete the work.

HENRY BRETT, County Surveyor.

Resolved—That having considered the Report of the County Surveyor in relation to the Presentment for erecting a bridge at "Tinker's Brook," we direct the County Surveyor to expend the sum already presented, and to apply for a Presentment for the residue of the sum which will be required to complete the work.

GEORGE HODSON, Bart., Foreman.
