COUNTY OF WICKLOW.

SPECIFICATION

OF

WORK TO BE DONE IN THE REPAIR AND MAINTENANCE

for years of perches of Road and Footpath, between and

IMMEDIATE REPAIRS, GENERAL DIRECTIONS AND CONDITIONS.

1—Immediately after the ensuing Assizes the surface is to be cleaned, holes and ruts filled with good material, stagnant water drained off, dangerous holes and grips fenced, the road made safe and convenient for traffic within one month, and afterwards repaired as specified from time to time, or continuously, as may be necessary, and maintained constantly in good order during the contract, clean, hard, and even, at all seasons.

2—No notice of inspection will be given but the County Surveyor expects the road to be in good order and repair at any time he or his assistant may visit it.

3—The Grand Jury shall have the power of cancelling the contract at any Assizes should the County Surveyor report that the road has not been kept in a satisfactory manner.

4—The Contractor is to procure a copy of this Specification, and produce it when required by the County Surveyor or his assistant.

5—All the work herein specified is to be executed in a judicious, effective, and workmanlike manner in every particular necessary for the repair, constant maintenance in good order, and improvement of the road, according to the true intent and meaning of this Specification, and to the entire satisfaction of the County Surveyor.

6—In addition to the provisions of this Specification the Contractor is at once to carry into effect any instructions of the County Surveyor or his assistant.

WIDTH OF WORKING WAY.

7—The width of the working way of the road shall be equal to the present width; but in no case less than 13 feet, except where walls, fences or grips interfere. The width to be extended or reduced as the County Surveyor may direct. In towns or villages the metalled surface is to extend to the paved channels, footpaths, fences or buildings, as the case may be, and over all open spaces.

MARGINS AND SIDES.

8—The margins to be formed of sods and clay, at least two feet wide and four inches high over the watertables. These margins to be neatly kept and edged with spade and line (a plough on no account to be used) and the working way defined by parallel lines, straight or regularly curved, according to the course of the road. Contractor to remove any waste margins that may be pointed out.

Where the sides are ravelled or broken, they are to be made up with stones, sods and clay.

The sides are also to be kept clear of all bushes, brambles, weeds, rubbish, loose stones, turf, manure, &c.

The Contractor is to cut down and remove before seed time all weeds growing on the roadsides and fences.

DRAINAGE.

9—All water-tables, side cuts, pipe holes, outlets, side, back, and catch drains, water courses, &c., to be kept, at all times, clear of mud, grass, weeds, or other obstructions to the free discharge of the water, and new ones made where necessary.

FRENCH DRAINS.

10—Where springs or soft places occur in the road, French Drains shall be made to drain off the water to the nearest outfall.

GULLETS, ETC.

11—Gullets to be opened up, cleaned out and repaired when required, and the channels through all bridges and gullets, and for such distances as may be necessary above and below the same, are to be cleared and kept clear.

12—This drainage and the edging above described in No. 8 to be thoroughly done three times a year—before 1st February, 1st April, and 1st October, and at all other times as may be required.

WASTE STUFF.

13—All scrapings and other road stuff to be used for levelling hollows in the sides, filling grips, repairing fences, &c. Any surplus stuff not so required shall become the

property of the contractor, and be removed by him forthwith, as well as any accumulation of mud, &c., that may be on the roadsides at the commencement of the contract. Road stuff on no account to be thrown on the margins.

MAINTENANCE AND IMPROVEMENT OF SURFACE.

14—The roadway and water-tables shall be scraped, swept and cleaned, so as to be at all times free from mud, dust, grass and dirt, especially before spreading stones.

15—The surface of the working way is to have a rounding of one inch per yard of width; but on hills this rounding must be greater. Where the road has not at present this form it must be brought to it by the application of materials, and by picking up and re-forming the surface.

16—The surface is to be made even by picking and levelling ribs, ruts, and inequalities.

All rocks appearing over the surface and stones of more than 2½ inches in any dimension to be picked up and the holes at once carefully filled with fine metalling. All surface damages that may occur to be at once repaired by the Contractor.

APPLICATION OF MATERIALS.

17—Every hollow, worn or weak place, to be covered with a sheet of metal. These sheets to be applied so as to preserve and improve the shape of the road, and to strengthen the crust.

They are to be spread at short intervals alternately on each side of the centre line of the road, so as to induce the traffic to beat over the entire surface.

The sheets or patches are not to be less than 3 square yards in area, to be spread evenly, closely and thick enough to prevent the old surface being seen through the stones, and of the shape of the worn or hollow parts of the road. In no case will drills or small patches be allowed.

The patches to be kept raked in and blinded when necessary.

Before spreading the materials the old surface to be picked and loosened to the depth of half an inch (rather deeper at the edges), so that the new metalling may unite with the old.

18—Particular care must be taken to have the covering-flags of gulleys and the arch-stones of bridges well covered with metal.

LOOSE AND OVER-SIZED STONES.

19—The surface shall at all times be kept free from loose stones which must be kept picked off by the contractor; also any stones larger than the specified size.

TIME FOR SPREADING.

20—One-third of the yearly supply of stones for the road to be spread before the 1st December; two-thirds before 1st February, and all before Spring Assizes in each year.

QUALITY OF MATERIALS.

21—The stones, which are to be quarry stones if obtainable, are to be the hardest and toughest procurable within three miles of any part of the road, to be broken as nearly as possible to a cubical form, to pass through a two-inch ring in every direction, and be free from clay, sand, or other extraneous matter.

QUANTITY TO BE SUPPLIED AND MODE OF DELIVERY.

22—The contractor is to supply annually at least cubic yards a sufficient quantity of broken stones for the proper maintenance of the road. This quantity to be laid down in equal heaps, not less than 18 inches high, dressed for measurement, along the sides of the road, on carefully prepared level floors, before 1st October in each year of the contract. The heaps to be outside the working way.

No road metal to be deposited or broken on roadside until the whole of the metal previously measured has been spread, and until notice in writing has been served by the contractor on the assistant that such is the case.

EXTRA MATERIALS.

23—In addition to the annual quantity as above, such extra materials must be provided and spread as may be required to fulfil the conditions of the contract for constantly keeping the surface in good repair during the whole term of the contract.

FOOTPATHS, PAVED CHANNELS, GRATINGS, ETC.

24—The footpaths (if any) whether gravelled, paved, or flagged to be repaired and maintained as follows:—

If curbed with stone, all missing and defective curb-stones to be replaced with good stones, properly dressed and set. If edged with sods, any parts ravelled or broken to be re-sodded. Grass on both sides of path to be neatly edged three times a year, and to be cleared away wherever it may grow on path along walls. Clean out and repair all existing outlets and make any new ones required. Fill up any hollows with hard material and pick up all stones that project over the surface. Path to have two coats of gravel each year—in February and October—and at such other times as may be required. Gravel to be screened free from clay, dirt, and stones over ¾-inch diameter.

Surface of path to be flush with top of curb and to have a fall of 1½ inch per yard towards the road.

25—All flagged or paved paths and channels to be repaired and kept in repair.

All gratings where broken, disturbed, or removed, to be repaired, re-set or renewed

COUNTY WORKS.

26—Bridge parapets, walls, fences, etc., made by presentment, to be repaired during the first half-year, and afterwards kept in repair.

INJURIES, OBSTRUCTIONS, ENCROACHMENTS, TREES, HEDGES, ETC.

27—All works connected with the road to be preserved in good order, free from damage, encroachment or trespass. The contractor shall not allow the sides to be dug up or interfered with in any way. The contractor shall require the owners, by proper legal means, to prune and lop all injurious or obstructive hedges and trees, and shall proceed summarily against all offenders in accordance with the provisions of the Acts relative to such offences, especially 14 & 15 Vic., cap 92, secs 9 & 10, and 19 & 20 Vic., cap 63, sec 18.

SURPLUS MATERIALS.

28—Any broken stones or gravel found at the termination of the contract along the road shall become the property of the county.

29—The Contractor will be liable to a deduction of 6s for each cubic yard of road metal found deficient from above quantity at the October measurement in each year. The Contractor will also be liable to a deduction from, or a total forfeiture of, as the case may require, the sum payable at any Assizes under the contract, should he fail to comply with the several provisions of this specification; such deductions will be represented to the credit of the Barony.

COUNTY ANALYST.

Conditions under which the County Analyst performs Analyses.

1.—All articles sent to him by the Grand Jury, Boards of Guardians, Towns Commissioners, County Infirmary, County Coroner, and Magistrates sitting at Petty Sessions, to be analysed without any fee.

2.—Persons residing within the county to pay 10s. 6d. for the analysis of any article which it is suspected to be adulterated, the fee to be paid to the County Treasurer.

3.—Persons residing within the county to be entitled to have analysis made at the following reduced scale—about one-fourth of the usual fees—payable to County Analyst:—Analysis of water, oil cakes, and artificial manures, 10s.; analysis of the viscera of sheep, cows, and horses, for the detection of poison, 30s.; dogs' do., £1; analysis of soils, limestones, and ores, from 10s. to £3, according to nature of investigation.

Quantities required for analysis:—8 oz. of bread, flour, butter, whiskey, wine, beer, porter; 4 oz. of buttermilk, confections, cocoa, pepper; 2 oz. of new milk, tea, coffee, pepper, mustard; ½ gallon of water, in clean and, if possible, stopper bottles; ½ lb. of oil cakes and manures. In case of soil and ores analysis, quantities to be sent depend on nature of the investigation and may be ascertained on reference to the Analyst. The bodies of animals suspected to have been poisoned should not be sent; only their viscera.

Articles for analysis should be fully labelled and sent, together with letter of advice, to

RESOLUTIONS

OF THE

GRAND JURY OF THE COUNTY WICKLOW.

Resolved—That all certificates for repairing sudden damages be henceforth lodged in the Secretary's Office, at least three clear days before the Assizes, great confusion having arisen from the contrary practice being pursued.

Resolved—That no Presentment will, in future, be made in aid of any Infirmary or Fever Hospital, unless the same shall be accompanied by the account and accurate list of subscribers' names, and the amount severally subscribed by them.

Resolved—That in future there shall be printed in detail, at the beginning of the Schedule, a list of duties to be gone through by the Grand Jury.

DUTIES OF THE FOREMAN.

Printed pursuant to the foregoing order.

- I—Call the names of the gentlemen comprising the Grand Jury.
- II—Receive reports from committees appointed at last Assizes.
- III—Consider Presentments for County at Large.
- IV—Appoint committees to examine :

- A. County Surveyor's report.
- B. Existing Contracts.
- C. Infirmary Accounts.
- D. Court-keepers' do.
- E. Coroners' do.
- F. High Constables' returns.
- G. Industrial School accounts
- H. Sub-sheriff's accounts.

V—Open tenders for Assizes.

VI—Malicious Injuries.

VII—Presentments for Barony of Talbotstown Upper.

VIII " " Talbotstown Lower.

IX " " Arklow.

X " " Ballinacor North.

XI " " Ballinacor South.

XII " " Newcastle.

XIII " " Rathdown.

XIV " " Shillelagh.

XV—Correspondence, Reports of Committees appointed at this Assizes

XVI—Tramways, harbours, and other schemes and guarantees, &c.

Resolved—That the space within the Bar in the Grand Jury Room be strictly reserved for the use of the Grand Jury and the Officers of the County connected with the duties of the Grand Jury, and that all others be kept beyond the Bar, unless specially introduced.

Resolved—That in future, if any subject of complaint should exist, or if any charge is preferred against the County Surveyor, or other County Officer, such complaint or charge shall be made specially in writing on the first day of the Assizes, evidence of the facts shall be afforded in the consideration of the same, and that Notice of the intention to prefer such complaint shall be previously given to the party complained of.

Resolved—That we recommend the Coroners to employ the Dispensary Physicians, whenever it may be necessary to call in a medical man, and to pay them a fee of £1 1s. for each attendance.

W. W. F. HUME, M.P., Foreman.

Resolved—That in future, all tenders postponed to the assizes, if not lodged with the Secretary the day before the commencement of the Fiscal Business, will not be entertained by the Grand Jury.

Spring, 1861.

GEORGE HODSON, Bart., Foreman.

Resolved—That in future the several High-Constables shall be required to furnish the amounts of their respective insolvencies every two years, pursuant to 6 & 7 Wm. iv., cap. 116, sec. 149.

Summer, 1863.

W. W. F. HUME, Foreman.

Resolved—That the County Printer shall be required to have the "Schedule of Applications," previous to each Assizes, printed and ready for distribution, within fourteen days from the day on which the copy of same is given to him by the Secretary; and that he shall have the "Abstract of Presentments," after each Assizes, printed within twenty-one days after he receives the materials for same from the County Treasurer.

Summer, 1864.

W. W. FITZWILLIAM DICK, Foreman.

Resolved—That with the view of supplying better information for the future to the Justices and associated Cesspayers, as to the matters that are to come before them at Presenting Sessions in each Barony, the Secretary is instructed to have printed and circulated to such, a notice of all Presentments which are to be discussed at such Sessions, so far as it is practicable to do so.

Spring, 1866.

GEORGE HODSON, Bart., Foreman.

Resolved—That in future any party who, having duly entered into a Contract, shall sell, transfer, or dispose of it to another, such contract shall upon proof thereof be declared "null and void" by the Grand Jury, and the money levied for it shall be re-presented to the credit of the County or Barony, where the fraud has been committed.

Spring, 1870.

GEORGE HODSON, Bart., Foreman.

RESOLVED,—That, it having been represented by the County Surveyor that considerable damage has recently been caused to some of the County Roads by Traction Engines, it be referred to the solicitor of the Grand Jury to examine the Acts relating to the use of such Engines, and, in conjunction with the County Surveyor, to take such steps as may be necessary for the protection of the public roads.

Summer, 1881.

GEORGE HODSON, Bart., Foreman.

RESOLVED—That, if from any cause the sums payable on any contract remain undischarged for two successive half-years, such sums be re-presented to the credit of the county or barony, as the case may be, without delay, unless special reason for not doing so be shown to the satisfaction of the Grand Jury.

RESOLVED—That, in future no new contract for any works or roads shall be entered into or entertained, unless all money levied for the previous contract has been previously discharged, or is approved of, or ordered to be re-presented.

Spring, 1882.

GEORGE HODSON, Bart., Foreman.

The following fees are authorised (and none other) for documents relating to works, roads, &c., and filling the same if required to do so by the Contractor:—

Application for New Work	0s. 6d.
For filling same if required to do so	0s. 6d.
Form of Tender (according to Act of Parliament)	0s. 6d.
For filling same if required to do so	0s. 6d.
For Bond filled and prepared (Act of Parliament)	1s. 0d.
Application for Payment	1s. 0d.
Car hire to Clerk going round distant Baronies from persons making applications for New Works, or for payment, or for both at same time	0s. 6d.

Spring Assizes, 1882.

GEORGE HODSON, Bart., Foreman.

RESOLVED—That with the view to avoiding the expense of unnecessary Printing, all obsolete or revoked resolutions be omitted from the Abstract.

Spring, 1883.

GEORGE HODSON, Bart., Foreman.

RESOLVED—That the Court Keepers, Official Managers of Reformatories, and all others whose claims for payment have to be brought before the Grand Jury at Assizes, be requested to furnish their several accounts to the Secretary to the Grand Jury, on or before the 15th of February and the 15th of June, in each year, in order that they may be entered in the printed Schedule, and that no account or claim be submitted to the Grand Jury unless this direction has been complied with.

RESOLVED—That in future the Schedule do only contain the new works, and such matters as should, in due course, come before the Grand Jury at each Assizes, and that the "existing contracts" be omitted from the Schedule, but that all county works be printed in the Abstract, which should be made as complete as possible.

Summer, 1883.

GEORGE HODSON, Bart., Foreman.

RESOLVED—That, in order to entitle the Solicitor to the Grand Jury to payment for the High Constables' Bonds, he shall have them registered and returned to the Secretary, within one calendar month from date of receiving same from him for that purpose.

RESOLVED—That the attention of Magistrates and Cesspayers at Adjourned Sessions should be again called to the great importance of enquiring most particularly into the solvency of sureties, and also to ascertain that their property be such that the amount of their bonds can be recovered without difficulty, in the event of the contractor failing to fulfil his obligations. And it is also most desirable that the contractors should reside within a reasonable distance of their contracts.

Further, that in cases where former contractors, who have proved themselves notoriously inefficient, put in tenders for new works, it will be desirable to take into serious consideration whether such tender be accepted, and if accepted, such cases to be specially brought to the notice of the Grand Jury by the County Surveyor.

Spring, 1884.

GEORGE HODSON Bart, Foreman.

Resolved—That the following committee of the Grand Jury be appointed pursuant to 31 & 32 Vic, cap 59, sec 10, and be empowered to enter into an agreement with the Directors and Managers of the Reformatory and Industrial Schools, and to check the committals, and report on the accounts to each assizes:—Thomas Acton, Charles W. Barton, David Mahony, W. F. Littledale.

Resolved—That the provisions of the Grand Jury Act, 6 & 7 Wm. IV., cap 116, be strictly adhered to in respect to the applications for payment to be made by contractors to and at the respective Presentment Sessions. All such applications, with the certificates of the County Surveyor, to be, as provided in said Act, laid before the respective Presentment Sessions for approval or rejection by those courts, subject to the power of the Grand Jury to disallow any presentment founded thereupon, where the road or work shall not have been properly maintained in the interval between the Sessions and the Assizes. And further the greatest care is desirable in examining tenders at Adjourned Sessions, so as to reject such as may appear tainted with fraud, and to regard with distrust and, where possible, refuse, future tenders made by parties who may have connived at unfair tendering.

On Presentment No. 76, in the Barony of Arklow, the opinion of Mr Justice Harrison having been asked as to whether it was legal, on the non-appearance of a surety named in a tender, to substitute another with the consent of the sessions and the other parties to the tender, the judge declared that this could be done; that the non-appearance did not vitiate the tender, and that a contract founded thereupon was perfectly legal.

Spring, 1885.

C. G. TOTTENHAM, Foreman.

Resolved—That the coroners' accounts be now received and sent to the sub-committee, but that the coroners shall now take notice that if their accounts are not in future sent to the Secretary ten clear days before the Assizes, he is not to receive them.

Summer, 1885.

Resolved—That the attention of the Barony Cess Collectors be called to the necessity of giving in to the Treasurer's Office, at least two days before the first day of every Assizes, the amount of the assessments collected by them, as required by their warrants, and by 4 Geo. IV., cap. 33, sec. 7, as their fees will not in future be allowed till this be complied with.

Resolved—That the Court-keeper be instructed in future to see that the Grand Jury are properly supplied with blotting and writing paper for their use on each day they sit, whether for fiscal or criminal business.

Resolved—That it be a direction of this Grand Jury to their Secretary that he shall in future keep a record of all resolutions passed in a minute book, and that the Foreman sign such minutes.

Spring, 1887.

C. G. TOTTENHAM, Foreman.

Resolved—That the County Presentment Sessions should require that the accounts of the County Infirmary and the several Fever Hospitals be audited by a competent person.

Spring, 1888.

C. G. TOTTENHAM, Foreman.

Resolved—That a committee of the Grand Jury, consisting of Colonel R. Pratt Saunders, Lieut.-Colonel Tighe, and W. R. Bulwer be appointed, who, in case of any difference between County Surveyor and Tramway Company, shall decide as to what may be reasonable requirements in accordance with the report of the committee adopted by the Grand Jury at this Assizes. The Tramway Company undertake to carry out what this committee may direct, and failing their so doing the committee are hereby empowered to direct such legal proceedings to be taken as they may think desirable.

Resolved—That it would be desirable that in future a Subscription of Ten Shillings each be made by each member of the Grand Jury for the purpose of providing luncheons at the Assizes, as we do not consider it reasonable that the expense of providing luncheons should be cast on the High Sheriff; and that a committee of five, consisting of Colonel Tottenham, Messrs Brooke, Littledale, Beresford, and Tombe be appointed to carry out the details generally.

Summer, 1888.

C. G. TOTTENHAM, Foreman.

Resolved—That the Harbour Commissioners elected at Presentment Sessions be asked by the Secretary to the Grand Jury to draw up a report of the accounts of the Harbour Board for the information of the Grand Jury at Summer Assizes; that a Committee be appointed to examine it; and their report be printed in the Abstract, so that the Cesspayers of the guaranteeing Baronies may know something of the income and expenditure.

Spring, 1889.

C. G. TOTTENHAM, Foreman.

Resolved—That the Governors of the Richmond District Lunatic Asylum be requested to furnish to the Secretary of this Grand Jury before each Spring Assizes the names of the lunatics charged to this county, with the Petty Sessions District from which they have respectively been committed, and the date of each committal, and the total number of patients in the asylum during the period for which the yearly charge is calculated.

Spring, 1890.

C. G. TOTTENHAM, Foreman.

Resolutions passed at Spring Assizes, 1891.

Resolved—That the accounts of the Blessington Steam Tramway guarantee tax be kept by the Secretary and Barony High Constable as distinct from the ordinary county cess, and that a book showing such account, with all its credits and debits, be laid upon the Grand Jury table on the first day of the Grand Jury meeting in each half-year.

Resolved—That a copy of the resolution as to Lower Talbotstown be sent to the High Constable, and he be ordered to make a separate return from time to time, when and as required by the Secretary, of the amounts collected for the guarantee, and informed that if he neglect to do so his fees will be stopped by the Grand Jury.

Resolved—That in the case of a vacancy occurring amongst the assistant surveyors during Mr Campbell Boyd's tenure of office, we authorize that a temporary assistant be appointed by the County Surveyor until the Assizes following Mr Boyd's retirement, when the matter can again be gone into.

Resolved—That this Grand Jury respectfully protest against any portion of the charge for extra police at Arklow being charged against the County Wicklow at Large, the county, except about Arklow, being perfectly quiet.

Spring, 1891.

AUDITOR'S REPORT.

3,205—'91—Grand Jury.

7 ELTON PARK, SANDYCOVE, 20th January, 1891.

GENTLEMEN,

I have the honour to report to your Board that I have audited the Accounts of the Grand Jury of the County of Wicklow, following last Summer Assizes, and to transmit the Secretary's account duly declared and certified.

The documents were prepared and presented for audit in a satisfactory manner.

I have the honour to be,
Gentlemen,

Your obedient servant,
GEORGE W. FINLAY.

I certify this is a true copy.

PUBLIC ANALYST'S REPORT.

TO THE GRAND JURY OF THE COUNTY OF WICKLOW.

MR. FOREMAN AND GENTLEMEN,

I beg leave to report, for your information, that I have made the following analyses during the half-year ended on the 31st Dec., 1890:—

There were analysed for Sergeant Joyce, R.I.C., Dunlavin, a specimen of bread; for Sergeant Morrissy, R.I.C., of Blessington, two specimens of whiskey; and for Sergeant Moore, of Baltinglass, one specimen of whiskey. None of them proved to be adulterated.

For the Guardians of Baltinglass Union two specimens of water and two of milk were analysed. The milk was of poor quality. One of the waters was a fairly good one; the other was a rather inferior potable water.

Three waters were analysed for Shillelagh Union. They were very soft waters of the peaty class and were fairly good in quality.

A water from Ardmore, Bray, was analysed for Judge Lefroy. It proved to be enormously polluted and unfit for use.

Specimens of apples and lozenges were analysed for Sergeant Joyce, R.I.C., Dunlavin. The latter were found to contain the deadly poison strychnine.

For Naas Union, which is partly within the County of Wicklow, two specimens of milk and seven of water were analysed. The former were pure; of the latter, three were very inferior and one was more like sewage than water.

I am, Gentlemen, your obedient servant,

CHARLES A. CAMERON,
Public Analyst for the County of Wicklow.

COUNTY WICKLOW.

COUNTY SURVEYOR'S REPORT

TO THE

GRAND JURY OF THE COUNTY WICKLOW,

Assembled at Spring Assizes, 1891.

Mr. Foreman and Gentlemen of the Grand Jury,

The schedule of applications for presentments for county works at these Assizes consists of—

29 renewals of road maintenance contracts.
6 bridge repairs.
6 new footpaths.
5 new paved channels.
14 new gullets.
1 new road.
1 new bridge.
10 walls and miscellaneous road improvements.

Total 72

The road renewals represent in the aggregate a length of upwards of 73 miles.

A comparison of the new with the expiring road contracts shows that—

In Arklow the price of $8\frac{1}{2}$ miles of road is increased from 1s 1d to 1s 2d per perch per annum.

In North Ballinacor the price of $6\frac{1}{4}$ miles is increased from 9½d to 1s 1½d.

In Newcastle the price of $13\frac{1}{4}$ miles is reduced from 10d to 9½d.

In Rathdown the price of 10 miles is reduced from 11d to 10d.

In Shillelagh the price of 13 miles is increased from 9¾d to 11½d.

In Upper Talbotstown the price of $3\frac{3}{4}$ miles remains at nearly the same figure, namely, 1s 9½d,

And in Lower Talbotstown the price of $8\frac{1}{2}$ miles is increased from 5¾d to 7½d.

I need now only call your attention to the following works in the schedule, as any required information concerning the others can be given as they come forward for your consideration:—

North Ballinacor, No. 6.—To build a gullet in the street of Roundwood, £57. This is no doubt a desirable work; but if not built wholly at the expense of the Sanitary Authority it should be fairly contributed to by it.

South Ballinacor, No. 2.—To rebuild in part and repair in part Ballycurragh bridge, £80. This is a necessary work as the bridge is partly broken down. All the other works in this barony are either necessary or most useful.

Rathdown, No. 8.—To build a protecting wall on the Military road, at Lough Bray, £49 9s. This is a useful work.

Shillelagh, No. 7.—To repair and keep in repair 71p. of road, £35 10s. This would be a useful road; but the sum asked is insufficient, and it should have been applied for as a new road.

Shillelagh, No. 10.—This would also be a very useful work; but the sum applied for, £50, is inadequate as the road must be widened.

Upper Talbotstown, No. 6.—To build a protecting wall 710 yards long between Mill-street and Mrs. Anderson's at Baltinglass, £215. This is really to rebuild in part and repair in part an existing wall. It is a useful work and will greatly improve the appearance of one of the main approaches to the town.

In Upper Talbotstown there is also a new application for a larger sum for the same bridge that was rejected by the last Grand Jury; but as it has merely to be certified you need not go into the merits of the case now.

The following are some of the principal works carried out since last Assizes:—

A new culvert at the bounds of the baronies of Arklow and Newcastle at Deputy's pass.

The repair of the road between Poulaphuca cross-roads and 3 roads at Mineview, and the repair of Scratenagh bridge, barony of Arklow.

The reconstruction of Beresford bridge on the road from Bray to Roundwood, North Ballinacor.

The new timber footbridge in Wicklow.

The repairs of Ashford and Glenealy bridges and the protection walls at Kilquade and Tomcoyle, Newcastle barony.

New footpath in Carnew and protecting wall on the Tullow road at Ballynultagh, Shillelagh barony.

In the barony of Lower Talbotstown, Ballinagee bridge on the road from Hollywood to the Seven Churches has been substantially repaired.

Baltinglass Court House has had some necessary repairs and painting.

Besides the above works many others of a less important nature have been carried out.

Since last assizes it became necessary to take proceedings against the following contractors and their sureties for breach of contract:—Peter Neill, no. 43 Shillelagh, Henry Jones, no. 14 Upper Talbotstown, James Guirke, no. 24, Patrick Smith, no. 33 and James Brady, no. 55 Lower Talbotstown. Decrees were granted in each case.

A sudden damage recently occurred to the bridge on the road from Crossbridge to the County Carlow bounds at Raheenteige over the stream between the townlands of Bridgeland and Raheenteige, barony of South Ballinacor. The lower side of this bridge has fallen carrying with it part of the roadway. Although the breach has been temporarily fenced I consider the road dangerous for traffic and am therefore of opinion that you should now present the sum of £30 necessary for its repair under the provisions of the 38th section of the Grand Jury Act.

An unauthorized interference with the water way of Tinnehinch bridge, in Rathdown barony, is in progress. I have noticed the engineer of the works to restore matters to their original condition and not to carry out any works which will in any way interfere with the county property. I would ask you to instruct your solicitor to take steps to prevent these works being carried out should they be persisted in.

Having seen the notice of the appointment of an Arbitrator to inquire into the value of the lands proposed to be taken for the Bray and Enniskerry Railway, I examined the contract plans and found that the two bridges by which it was proposed to cross the important road from Bray to Enniskerry would be narrow and otherwise inconvenient, also that injurious diversions of the road were proposed.

I then, acting on the advice of several members of your body, consulted with your solicitor. A claim for compensation was lodged on behalf of the county and the company then consented to modify their plans in accordance with my requirements on condition that the claim be withdrawn.

This railway was referred to in my report to the Grand Jury at Spring Assizes, 1886. It is not to be a narrow gauge line, as was at first proposed, but of the standard Irish gauge.

The first bridge across the county road will be at Kilbride, about 3 chains North of Troy's public-house. Here the road will be raised, the present surface being altered to a gradient of 1 in 30 on the Bray side and horizontal on the other, and the railway passed beneath.

At the Dargle Big Tree a level crossing was formerly proposed; but this has been changed to a bridge over the road, the present road being lowered, giving gradients of 1 in 31 between the Dargle bridge and the Railway bridge, and 1 in 60 in the Enniskerry direction. The gradient of the altered surface of the Dargle road approaching this bridge will be 1 in 21.

The agreement with regard to these bridges and some other works will be submitted for your approval or otherwise.

I have the honour to be,

Gentlemen,

Your obedient servant,

CARTER DRAPER, M. Inst. C.E.

REPORT OF THE COMMITTEE OF THE GRAND JURY ON THE
COUNTY SURVEYOR'S REPORT—EXISTING CONTRACTS—
AND DISCHARGED AND UNDISCHARGED QUERIES.

Committee—Colonel Tighe, Major Tottenham, and J. Otway Johnson, Esq.

The County Surveyor has in his present report given the relative prices of the old and new contracts. In the new there is a considerable increase. The reductions in two contracts amount to £18 13s. 4d., against an increase in four contracts of £68 6s. 8d.

This, in our opinion, is due to want of sufficient competition, as the contracts in Rathdown and Newcastle, where the cost of materials are dearest, there is a reduction.

North Ballinacor, No. 6.—This gullet does not appear a necessary work for the requirements of the road, but rather a sanitary work. We recommend its disallowance.

South Ballinacor, No. 2.—£80; recommended as a necessary work.

Rathdown, No. 8.—A protecting wall. We understand from the County Surveyor that this road is not worse than numbers of roads in the Wicklow hilly country. As, however, it has passed the Sessions, and so we would hardly recommend it to be struck off.

Upper Talbotstown, No. 6.—The greater portion of this expense—£215—appears to be caused by the danger of passing engines and trains to the public. Before levying such a sum on the ratepayers, we consider it would be advisable that the County Surveyor (who, in such cases, has considerable statutory powers to apply to the Board of Trade for instructions), should first endeavour to come to an arrangement with the Railway Company.

We recommend the presentment of £30 necessary for Raheenteige bridge.

With reference to County Surveyor's remarks about Tinnehinch bridge, it appears that private persons have interfered to partly dam up the arches of the bridge for private water supply. The County Surveyor correctly considers this a serious encroachment and that it should be resisted. He hopes to settle the matter amicably, but in case of persistence requires the assistance of the County Solicitor. This should be allowed him.

The arrangements made by the County Surveyor in the interests of the county, as regards the Enniskerry Railway crossings, &c., appear satisfactory.

EXISTING CONTRACTS.—With regard to Existing Contracts, the Committee find that Shillelagh, No. 93, £8 4s 7d, and No. 20, £13 17s 11d, should be struck out, new contracts having been made for them. The amounts, therefore, stand:—

Report of Committee—continued.

We consider that when a vacancy occurs advantage should be taken to reduce the number of Assistants to the former number. It was largely understood among the ratepayers that the extra Assistant when appointed should be temporary only.

REPORT OF COMMITTEE OF THE GRAND JURY ON THE
COUNTY INFIRMARY AND SUB-SHERIFF'S ACCOUNTS.

Committee—Colonel Dennis, Capt. Pennefather, and Julius Casement, Esq.

Sub-Sheriff's Accounts.—We have examined the accounts, as submitted to us by the Sub-Sheriff, and examined him on the same. We find the total of the receipts comes to the same amount as specified in the Schedule, page 8, par. 106—viz., £29 16s. 8d. In accordance with the resolution of the Grand Jury, we recommend that the same be paid now out of any surplus or balance to the credit of the county.

Infirmary.—We have examined the accounts, as submitted to us by the Hon. Secretary, Mr. E. Wynne, and find that they have been audited and certified as correct by Dr. Truell. We find that the maintenance of the patients averages 11½d. per diem, and the total cost brings up the expenses to 2s. 5½d., which we do not consider excessive. The list of patients, signed by Dr. Lyndon, has been laid before us. We recommend that the presentment be passed.

Fever Hospital, Wicklow.—We have examined the accounts as submitted to us, showing a balance of £42 17s. 8d. in hand. The average expenditure per patient per diem is 8s. We recommend that the presentment be passed.

Fever Hospital, Newtown-Mount-Kennedy.—We have examined the accounts as submitted to us, showing a balance of £78 8s. 10d. in hand. We consider the allowance to the apothecary and doctor and general expenditure, amounting to 17s. 3½d. per patient per diem, excessive.

Although we are of opinion that the hospital might be closed and left in charge of a caretaker, to be re-opened whenever the necessity for it might arise, yet we feel that some notice is desirable in adopting this course, and consequently recommend that a presentment be passed for £31 13s. 0d., being a sum equal to the subscriptions for the year.

Fever Hospital, Arklow.—We have examined the accounts as submitted to us, showing a balance of £32 13s. 5d. in hand. There appears to have been an average of one patient for the last three years.

Although we are of opinion that the hospital might be closed and left in charge of a caretaker, to be re-opened whenever the necessity for it might arise, yet we feel that some notice is desirable in adopting this course, and consequently recommend that a presentment be passed for £24 11s. 0d., being a sum equal to the subscriptions for the year.
