RESOLUTIONS OF THE GRAND JURY—SUMMER, 1851.

Resolved,—That it is the opinion of this Grand Jury in consideration of the facts laid before them, that such portion of the Lands of Kippure entered as being comprised within the barony of Rathdowne ought properly to belong to the barony of Lower Talbotstown.—That this correction should now be made, and that the Secretary be directed to inform Mr. Griffith of this resolution, in reply to his application to the Grand Jury, bearing date 21st of February, 1844.

GEORGE HODSON, Baronet, Foreman,

Resolved,—That the following be a Notice which is to be printed and used by the several Barony Collectors in the collection of the County Rates.

County of Wicklow.

Barony of ———

County Cess presented at ——— Assizes, 1855 No. of Holdings
as per endorsement ——— Amount of Valuation at Rate of ——— in
the Pound ——— Arrears (if any) ——— Total ———
Please to have this Notice kept safe until the above amount is paid.
It is requested that the amount may be left ready for the Collector
after 10 days from the service of this Notice when he will call for it.
——— High Constable,

GEORGE HODSON, Bart. Foreman.

Resolved,—That a set of the County Weights and Measures do remain in the hands of our Secretary as County Inspector of Weights and Measures, for the purpose of comparison. That the remaining 4 sets be handed to the Police for the following districts—Wicklow, Balminglass, Blessinton and Tinahely; and that we provide metal sets for each of the following places, viz.:—Bray, Arklow and Rathdown. That the above sets be severally brought in to our Secretary for comparison at each Summer Assizes, and we recommend that a payment of Ten Pounds be made to him for the ensuing year, for the custody and trouble of comparing them.

GEORGE HODSON, Bart. Foreman.

Resolved,—That a Sum not exceeding Thirty Pounds be now levied for the purpose of providing sets of Weights and Measures, pursuant to the foregoing Resolution, the excess in payment (if any) to be re-presented to the credit of the County, next Assizes.

GEORGE HODSON, Bart. Foreman.

Resolved,—That in the presentment for payment of expenses connected with the late County Registration of Voters we disallow the sum of Thirty Pounds charged by the Deputy Clerk of the Peace for his trouble; as we consider such payment should be made by the Clerk of the Peace to his Deputy. And we beg to state that having investigated the account, we are of opinion that Thirty Pounds is not too high for the work done by the Deputy in this matter.

GEORGE HODSON, Bart. Foreman.

The Committee appointed at Assizes 18 for the purpose of taking measures to bring under the operation of the County Taxation certain portions of the barony of Lower Talbotstown, omitted by an error in the Government Proclamation of 1842, Reported that notwithstanding every exertion on their part, both individually and collectively, no steps have been taken by the Chief Secretary to rectify that error, it was

Resolved,—That a communication be made by our County Secretary setting forth the foregoing facts, to be transmitted to our County Members, with a request that they will at the earliest suitable opportunity ask or cause to be asked a question of the Chief Secretary for Ireland, in his place in the House of Commons, as to what steps he intends to take to remedy a grievance of so serious a nature, and one involving a loss to the County of several Hundred Pounds.

W. W. F. HUME, Foreman for Self and Fellows.

Wicklow, Spring Assizes, 1854.

Resolved,—That it is the opinion of this Grand Jury, that the system of charging the maintenance of Prisoners after sentence in the several Gaols throughout Ireland upon the County Rates is erroneous, and a great injustice to the payers of County Cess; and we therefore request that our County Members will support any measure that may be brought forward in Parliament, having for its object the assimilation of this department to the practice as observed in England, and that our Secretary do forward a copy of this Resolution to each of our County Members.

W. W. F. HUME, Foreman, Spring Assizes, 1854.

Your Committee appointed to examine and report upon the Presentment sought to be made for the support of the Wicklow County Infirmary, have examined into the Accounts for the past year, and find them correctly entered as made up from the proper documents.

We find that the Accounts of two half-years have not been audited in consequence of no attendance on the part of the Governors.

We find a balance in the Treasurer's hands of £275, 10s. 9<sup>1</sup>/<sub>2</sub>d. and we therefore recommend that the presentment be made for £300, instead of £400, which we think will meet the contemplated expense for the half-year.

We find that no documents or accounts have been furnished, and no Vouchers produced for expenditure of £200, paid to the Treasurer of the Baltinglass Infirmary, and we recommend that our Secretary do inform the proper parties there, that previous to the presentment of any future sums for the support of that Institution, correct and audited accounts must be furnished.

Signed, GEORGE HODSON, Bart. Chairman.

W. W. F. HUME, Foreman.

BY THE GRAND JURY AT SPRING ASSIZES, 1854.

W. W. F. HUME, for Self and Fellows, Foreman.

Resolved,—That we recommend the various Justices of the Peace in the localities where Prisoners are to be conveyed, to exercise considerable vigilance in regard to the charges for Carhire, which the Board of Superintendence at Wicklow Gaol have lately thought to be higher than should be allowed.

W. W. F. HUME, Foreman.

Resolved,—That our Secretary do inform the County Inspector, that the Grand Jury are desirous to cause the several Copies of the County Copies of the Imperial Weights and Measures to be Stamped by Captain Manby, or other Sub-Inspector as the Inspector General may appoint, pursuant to the 18th Section of the 92 cap. of the 14 and 15 Vict.

W. W. F. HUME, for Self and Fellows, Foreman.

It appearing from the certificate of the Manager of the Wicklow Bank, that the sum of Five Pounds, is allowed by the Bank to the Treasurer of the County, to which sum he would have been entitled, had the money been invested in Exchequer Bills.—We present that the said sum of Five Pounds be paid to the Treasurer on account of the interest to which he would be entitled under 1st Vic. cap. 54.
