On the proposition of Cr. Hipwell, seconded by Cr. D. Sayers, it was resolved that we, the Members of the Bray Urban Council hereby make a Municipal Rate of 36s. 5d. in the £1 to be levied in respect of the year ending 31st March, 1962. Said rate to be collected in two moieties, the first moiety and arrears after 16th May, 1961, and the second on or after 1st October, 1961, and that the Rate Book be signed and sealed accordingly.

The Rate Book was signed and sealed as was the Collector's Warrant.

666. Esplanade—Lease of.

The County Manager read to the Meeting an Opinion obtained by Messrs. McCarroll and Co., from Counsel in which, after reviewing the legal position at some length, he recommended that the Council accept the offer of a lease from Meath Estates, Limited, at £100 a year. After lengthy discussion a vote was taken on Cr. Hipwell's motion to the effect that £100 be paid and was carried by 8 votes to 4 as follows: For the Motion—Cirs. J. Byrne, C. Doyle, H. B. Hipwell, F. G. Hunt, Mrs. Ledwidge, J. O'Toole, T.D., G. H. G. Stuart and J. Temple, Chairman. Against the Motion—Cirs. E. Byrne, H. McAuliffe, M. O'Toole, and D. Sayers.

The Town Clerk read correspondence between himself and Mr. H. B. Hipwell, agent for the Gorham Estate, regarding the Council's wish to purchase some 3 acres of land at Old Connaught for housing; Mr. Hipwell left the Meeting during the debate on this item. The Council were unanimous in deeming the price—£550 per acre, plus the erection of a wall and a payment toward the vendor's Legal and other expenses—as being much too high, and after some discussion it was decided that the following sub-committee meet the representatives of the late J. Gorham to discuss the matter, viz.: Cirs. J. Temple, H. McAuliffe, D. Sayers, J. Byrne J. O'Toole, T.D., and officials of the Council.

The proposed increase to be retrospective to 1st April, 1961. It was pointed out, however, to the Members that because of the fact that there was no general increase in wages throughout the town the decision of the Council would be subject to the sanction of the Minister for Local Government.

669 652. Road at Rathclarr.

It was decided to adjourn consideration of this item in order that the County Engineer might be asked to attend the Meeting, to get his viewpoint thereon.

670 653. Tourist Amenities.

The Town Clerk read a report of a Meeting between the Chairman and Officials and Bórd Fáilte representatives setting out the present position regarding the comprehensive Scheme of Tourist facilities. It was pointed out that the bulk of the items, i.e., those on the Esplanade, were at present being dealt with by Bórd Fáilte's Architect, Mr. Fox, who would present to the Council in the near future his plan for the development of the Esplanade. It was indicated to the Council that Bórd Fáilte did not propose at present to make any contribution towards development of the People's Park, nor did they propose to make any contribution towards the acquisition of the old Cinema at Quinsboro' Road or again, towards the acquisition of houses at Castle Street. In the case of the People's Park the Bórd's representatives indicated that they might be prepared to consider this matter at a later stage and further that they would consider making monies available for landscaping and decoration of Castle Street once the "Island" had been removed. It was decided that the Town Clerk write to Bórd Fáilte and urge the claims of the People's Park on them and also to ask that Mr. Fox's proposals be forwarded without undue delay.

671 654. Industrial Development Association.

The Town Clerk read a letter from Mr. H. J. Byrne, Auctioneer, in which he stated that he had been in touch with the agents for the owner. They stated that the house could be purchased for a total of £206 6s. 0d., i.e., £160 for Mrs. Sexton's interest; £100 to be divided between the Superior Landlords; and £6 6s. 0d. Mr. Gill's fee. It was decided to agree, in principle, and to get in touch with the Wicklow County Council in the matter in order that a Road Fund Grant be sought from the Department in a manner similar to the procedure adopted in the case of an adjoining house, purchased two years ago from Mr. Ogle.

673 656. Pedalo Craft.

The Town Clerk read a report of a sub-committee which had met Messrs. Merlihan and Murray in an endeavour to get them to agree to a line of demarcation on the Beach. All efforts to get the parties to agree failed and the sub-committee recommended to the Council that Mr. Murray (5 craft) be allocated 100 yards north of the Boatslip and that Mr. Merlihan (23 craft) be allocated 60 yards south of the Boatslip. It was indicated that neither party wished to go north of the Boatslip. After lengthy discussion on the matter Mr. Hipwell proposed the adoption of the sub-committee's proposal and Mr. Stuart seconded it. Mr. C. Doyle proposed an amendment to the effect that matters be arranged by a draw from a hat and Mr. M. O'Toole seconded it. A vote was taken on the amendment and resulted as follows:

For the Amendment—Cirs. J. Byrne, D. Doyle, F. G. Hunt, Mrs. Ledwidge, H. McAuliffe, M. O'Toole, D. Sayers (7).

Record Press, Ltd., Brighton Tce.—Extensions to Printing Works.

regarding any objection from the occupants of the neighbouring houses).

Mr. T. J. Treacy, Massabielle, Newcourt Road— Extensions to kitchen.

Michael Dowling, Mellifont Hotel, Quinsboro' Road—Alterations and extensions to hotel (subject to the approval of the Fire Officer).

In accordance with the recommendation of the Town Engineer it was recommended that permission be refused to Mr. Borza, Sunshine Cafe, for the erection of a large illuminated sign at his premises. The Town Engineer stated that the present sign had already been struck by the C.I.E. bus and the larger sign would form an obstruction to traffic.

759. Erection of Six Houses at Chapel Lane, Bray.

Letter of 7th September, 1961, from the Department of Local Government, suggesting that the Council might consider reduction of Floor Area of houses from 882 sq. feet to 750 sq. feet and re-advertising, was submitted. The Department further stated that if the Council were satisfied that re-designing the houses would not effect a reduction of the Building costs, the Minister would raise no objection to the acceptance of the Tender of Messrs. C. Dodd & Sons in the sum of £10,485 for the erection of these houses. Report from Town Engineer indicating that in his view, a reduction of floor area would not achieve a reduction in Building Costs. He pointed out that the suggestion would entail delay, and that the present boom in the Building Industry results in the bigger Contractors having plenty of work on hand, and that there is some difficulty in obtaining reasonable Tenders from the smaller Contractors. Consequently, he recommends that the Council should not delay in accepting the Tender of Messrs. C. Dodd & Sons.

The Co. Manager also indicated that he agreed with the views put forward by the Town Engineer, and felt that the Tender of Messrs. Dodd should be accepted.

It was agreed by the Council after having heard the views of the Town Engineer and the Co. Manager on the matter, that the Tender of Messrs. C. Dodd in the sum of £10,485 for the erection of six houses at Chapel Lane, be accepted, and that the Building Agreement should be completed without delay.

The question of the rents to be charged for these houses was also discussed, and the Council were informed that the economic rent would be £2 10s. 3d. per week. If a State Subsidy for two-thirds of the Loan Charges payable on a Capital Cost of £1,500, were received, this would be equivalent to £1 5s. 2d. per week.

If a Rent of £1 1s. per week be charged to the Tenants, the Council would have to provide a Subsidy from the Rates of 4s. 1d. per week. Inclusive of rates, the proposed rent would, it is expected, come to £1 9s. 6d. per week.

It was pointed out further, that the rents to be charged for these houses would be subject later to approval by the Minister for Local Government, and the Council would be consulted about this matter at a later date.

The Council agreed that a rent of £1 1s. per week exclusive of Rates for the houses, would be reasonable.
