Dear Mr Macdonnell

I was very sorry I had not an opportunity of calling to take leave of you before entering on my new duties as County Auditor in this district vacated by Mr Croker. It was with much regret I had to sever my connection with the old district in which I worked for 11 years and to part from my many friends there who (including yourself) have ever shown me much kindness courtesy and willing assistance in every way.

I now wish to thank you most sincerely for it all and to express my heartfelt wishes for your welfare and happiness and that you may be spared in good health for many a year to come and I trust we may have the pleasure of meeting sometime soon again.

Believe me

Dear Mr Macdonnell

Yours very sincerely
