"That the proposed deviation
of the Dublin and South Eastern
Line, bringing it but a very short
distance inland from Bray
Head to Newcastle, is of very
little advantage to the greater
portion of North East Wicklow
from the point of view of im-
proved transit facilities and
consequent development. That
in our opinion the natural
and most profitable route from
Bray to Wicklow would be via
glen of Downs, Newtown and
Ashford. That the necessity
that compels the expenditure
of a large amount of money
on such patchy and stop-gap
attempts at improvement is a
strong and convincing argument
in favour of the State purchase
of Irish Railways"

Sisters of Charity
Ravensweel, Bray
Jan 24th 1912

Dear Mr MacDonnell

Thanks very much for cheque £1. 3. 6. received last evening in aid

I don't know of any of the subscribers to the Christmas Fund having sent subscriptions to me - Sir Rowland Tanning, Mr McCormick and Mr McFarland are the only ones I am aware of. The latter offered his subscription to one of the sisters and said he was always in the habit of sending his to the Xmas Fund, but that he had not been applied to for it this year. I would prefer not to interfere with the Fund so kindly got up under your supervision. I am very sorry about it for the sake of the charity. This year it is £12 short which of course means less help for the numerous applications. However we are very grateful for what we have already received.

With kind regards

Believe me

Very sincerely yours in I.C.
