Gentlemen,

I am in receipt of your letter of the 5th Inst and also copy of Bye Laws which I have sent to the Solicitor of our Association — In reference to the Commissioners resolution I say the same now as I said last year that I consider £35 for one day is out of all reason and what is more I do not pay £35 for one day in any Town or place in Ireland with the exception of Ballsbridge where I take all my machines and surely there is no comparison, I would ask the Commissioners to reconsider their decision for if they do not intend to let me have the Murrough I shall attend Wicklow during the Regatta in some other position

Yours respectfully

Wicklow 6th June 1898

Gentlemen,

I respectfully beg to report that during the past months, I made usual Sanitary inspections visiting eighty premises and served 12 notices under the Public Health Act for Sanitary work of different descriptions: The Sanitary order that I called attention to on the 7th March was reported to your Secretary by the Tenant as finished, now, I found on Examination of the premises that it is only an imitation of what should be done; I would suggest to your Board that a grating be placed at the entrance of a large drain in Colley St: The Street cleaning was well attended to. The Medical Officers attention I have directed to some Sanitary Subjects. Gentlemen, as this is the time of the year for the supplying of my uniform clothing I will feel grateful for the usual order:

Local Government Board
Dublin 16th June 1898

No 102/M/1898

Sir,

Adverting to the Local Government Bill now before Parliament, I am directed by the Local Government Board for Ireland to state that as the new Bill now stands it is proposed to give the Governing Bodies of Boroughs and Urban Districts power to adopt the triennial System of Election as prescribed for County Councils, instead of the existing system of annual Elections.

It has been urged however, that it would be more in accordance with the wishes of the several Municipal Bodies if the triennial System were applied generally and not made adoptive by the Bill.

The Local Government Board are anxious to ascertain the views of Governing Bodies of Boroughs and Towns upon this point, and I am, therefore, to request you will be good enough to Convene a special Meeting of the Wicklow Town Commissioners and to furnish the Board with their observations on the subject by this day week if practicable. —

I am &c
Thomas A. Mooney Sec.

The Clerk. Town Commissioners Wicklow. —

Proposed by Peter O'Brien, seconded by Mark Byrne and resolved "That we recommend the adoption of the triennial System of Elections and that notice of same be sent forward to the Local Government Board" —
