## Committee Meeting of the Whole Council

4th June, 1923

Your Committee met this evening and recommend that Messrs Wm Murphy, Stephen Morris, Thomas Dunne & Mrs M. Nichols be granted a renewal of lease of 75 years from 25th March 1923, at the following rents:- Wm Murphy 7/6 per annum, S. Morris, 7/6, per annum, Thomas Dunne 7/6 per annum and Mrs M. Nichols 15/- per annum. Each house and premises to be insured in the sum of £100 each.

We recommend that Mr. W. Gelebern be written to stating that the Council are prepared to grant a renewal of lease of Yard for a term of 75 years from 25th March last at the rent of £7 : 10/- per annum.

We recommend that Mr. Patrick Rooney, be granted £12 to cover the cost he has been put to in connection with the flooding of his premises at Fitzwilliam Square, Wicklow. Mr. Rooney to give a receipt in full discharge of all claim.

That the Ministry of Industry & Commerce be informed that the Council consider Mr. McFarrell's Bill of Costs exorbitant and that they are of opinion that one hundred pounds should cover the costs.

Sub Sanitary Officer's Report  
4th June, 1923

---

Inspected 100 premises and served two notices which were complied with. Supplied lime to five persons for lime-washing.

The main drainage and Urinals were flushed weekly during the month, also Gully Traps.

The Men were engaged at the following work:- Cleaning and repairing Ballynerrin Road, Convent Road, Merton's Lane; Monkton Row; Rathnew Road and Church Road.

Owing to complaints I inspected the Black Castle and found about 3 loads of Sods removed and carted away. I stopped the man who was taking them and he said he did not know it was any harm to take the Sods.

Wooden Paving along Bachelors Walk has fallen down in several places and requires to be replaced with new rails, and the Wooden Bridge requires a coat of paint as it was not finished before owing to wet weather.

The Enclosure at Main Street is in a bad state as the Weeds and Grass should be cut and the iron Railing painted for the Summer.

Order:- That Sub Sanitary Officer's Report be referred to Weekly Committee.

WATERWORKS OVERSEER'S REPORT  
5th June, 1923

---

During the month I laid new service to Pump in Lr Strand St and also to Spout on Convent Road. The new Meter to Railway Station is now in position and working satisfactory. The Filtering Beds had to be raked during the month as they got clogged with Mud etc.

It would be advisable to put some sort of protection around new Filtering Beds, as they are on same level as the ground and therefore dangerous during the night, there is also a lot of Frogs getting into them.

I would recommend that old Sand and other rubbish be taken up out of the old filtering beds. The roadway leading up to Reservoir is in a bad way and wants repairs.

There would be about 20 tons of fine sand required to have in Stock. There is 18ft of Water in the Reservoir.

Order:- Referred to Weekly Committee

## Sub Sanitary Officer's Report

7th August, 1923

Inspected over 50 premises and served 2 notices which were complied with. Had five premises lime-washed and supplied lime in each case. The main drainage, urinals and gully traps were flushed and disinfected weekly. Had the Cottages at Strand and Bond Streets lime-washed. By instructions of the weekly Committee had the work on the several roads carried out.

## Waterworks Overseer's Report

7th August, 1923

Repaired Fountains on lower & upper Monkton Row, Castle Street  
The Murrough, High Street and Woodenbridge.

The usual night tests were carried out.

There is very little water coming into Reservoir now, in fact the leakage through the dam wall exceeds water coming in.

There is now 13ft of Water in Reservoir.
