Sub Sanitary Officer's Report

3rd January, 1929

Inspected 15 premises and served one notice which was complied with. The usual flushing of the main drainage and the disinfecting of the Urinals on the North & South Quays were carried out weekly.

By the Council's instruction I engaged 130 men on the lists supplied to me for Christmas work and had the work carried out as the Council recommended to be done. Only in one case the work was not completed-- the relettering of the name plates and sewer ventilators which would take a couple of days to complete. Owing to the storm the Foreshore has been damaged and some of the concrete path has fallen in. I had a ^{protection} paling put up at same. The Wall along road side at Fitzwilliam Row is falling and at present is dangerous for traffic. The Council's men are putting out the stones from Mill Yard on the different roads throughout the Urban District requiring same.

On the night of the 21st ultimo, while on duty at the outer door of Town Hall, I was assaulted, I am issuing proceedings against the party for same.

ORDER:- That Town Clerk instruct Solicitor to serve notice on Owners of Wall to have same repaired immediately.

Inspected 35 premises and served one notice which was complied with
The usual flushing of the main drainage and the disinfecting of
the Urinals on the North and South Quays has been carried out weekly
during the month. Had 120 Yards stones rolled in road at Bridge St,
Fitzwilliam Square and South Quay, which will require to be tarred
when weather permits. On the night of 20th January, it was reported
that the Wall at Fitzwilliam Road had fallen. I inspected same and
seeing that the Road was dangerous for traffic had a Watchman put on
for the night. Had a Paling erected and the road at present is
stopped against all traffic. Had 20 Yards Fines spread on
footpaths and water tables cleaned on St Patrick's Road, Green Hill
and had two Shores repaired at Morton's Lane. Owing to the wet
weather several of the Hilly Roads were thorn up I had same repaired
as far as possible with fine material we had in stock and had 20
loads of building material spread at the back of Wall at Foreshore
which was carted there free.

4th March, 1929

Inspected 44 premises and served 2 notices which were complied. The usual flushing of the main drainage and the disinfecting of the Urinals on the North and South Quays has been carried out weekly. By the Council's instructions I inspected the place on the Dunbur Road used by persons as a dumping ground and find it is on our boundary and County Council's ground. There is no fence at this place, and I believe if a fence was erected at same it would help to stop the dumping at this place. By the Council's directions Richard Kavanagh, is back at work he having complied with the Council's orders. The Road at Fitzwilliam Square and Pridge Street has now dried out and would require to be tared.

During the month the Council's men were engaged at Ballynerrin Road, St Patrick's Road and South Quay cleaning up water tables and removing mud off quay; Two men are at present at Waterworks.

I beg to apply for my Uniform.

ORDER:- County Council be asked to contribute half expense of erection of Fence at Dunbur Road.

Tenders be invited for Sanitary Sub-Officer's Uniform.

Corporate Agent's Report
5th March, 1929

I beg to report that Tenancies of Land let for Eleven Months to Mr William Rooney and Mr Edward Doyle, ended on 1st instant. Mr Doyle has notified me that he does not intend to apply for renewal.

WATERWORKS OVERSEER'S REPORT
5th March, 1929

During the month I repaired Fountains at High Street, Castle Street, and Upper Monkton Row. The services to fountain at Upper Monkton Row will need to be cleaned, and part relaid new as there is very little Water going to fountain owing to a deposit in service pipe.

Two of the Council's men are at present employed washing Sand at Filtering Beds. The Reservoir is at overflow.

There is a new Stetescope required for testing as the old one is broken, and of no further use. Some 25 tons of fine Sand will be required during the coming year for Filtering Beds.

ORDER:- Stetescope to be provided.

Sub Sanitary Officer's Report

1st April, 1929

Inspected 30 premises and served 2 notices which have been complied with. The usual flushing of the main drainage and the disinfecting of the Gully Traps and Urinals has been carried out weekly during the month. I beg to report the dangerous condition of the roof of premises on the South Quay. The roof of these premises requires to be taken down and the Walls lowered and the Windows opening build up.

The Public Seats will be required at the end of the Month and they require to be painted before they are put out on Sea front. During the month I had a concrete footpath constructed at Morton's Lane and had four extra men employed working at same.

Had Paling erected at dangerous part of road at Fitzwilliam Road, and the Road is now open to traffic.

The Council's Men were also working at Station Road, Church road, Brickfield Lane, St Patrick's Road cleaning up water tables and side edging same.

I wish the Council's instruction regarding the Road at Sea Murrough which has been washed away by the Sea.

Order: That Grt Southern Railway Co be asked to supplied a few Waggons of Large Boulders to fill up cavity and the Council to supply the filling.

Waterworks Overseer's Report

2nd April, 1929

Repaired Fountains at Castle Street and Monkton Row and fitted in new pipe to fountain at Monkton Row.

Served 4 notices for waste of Water through defective pipes and made several night tests.

The small streams coming into the Reservoir are all dried up and the amount of Water coming in from large streams is very small, in fact there is much less coming in than I remember during my time in the Waterworks at this time of year, and should this weather continue unless the supply is augmented in some way there will be a bad shortage of water in mid summer. I take this opportunity to warn the Council while there is yet time to remedy matters. There is 19ft 3½ ins of Water in Reservoir.

Order:- That Fitzwilliam Square, Bridge Street, Stone Bridge, South Quay be tarred. Concrete footpath be constructed at High Street and Castle Street. Local Government Dept be asked for sanction ~~to continuance of~~ ^{to continuance of} Overdraft of £600 to 30th June, 1929.

No. IR/35--6/3/29 Dept Local Government Roads notifying change of telegraphic address.

No. S. 14915--7/3/29 Dept Local Government stating that neither their Dept nor the Dept of Industry and Commerce have any funds at their disposal out of which a grant could be made towards the cost of repairing the damage to Foreshore.

P.H. No. 86405/29-- 8/3/29 Dept Local Government circular letter re Control of Infectious Disease.
