A Special Meeting of the Wicklow Urban District
 Council was held this day in pursuance to a requisition
 signed by Messrs S. J. Doyle, Francis Murphy, M. J. O'Brien,
 Laurence Byrne, Michael Burke.

To consider if an appeal should be taken from
 the judgement of the Co Court Judge in the
 recent Compensation claims.

Present

Messrs S. J. Doyle, Chairman in the Chair; Messrs Laurence
 Byrne, Charles Davis, M. J. O'Brien, M. J. Butler, M. Murtagh,
 James Lunn, M. Burke.

Read the following letter from Messrs Rooney & Barber,
 Solicitors:- We beg to report that on Thursday the 9th
 instant the County Court Judge awarded compensation
 as follows:-

Head Const. Slover	£ 313 - 4 - 0	with costs & Witnesses expenses
Sergt Jones	£ 182 - 16 - 0	do
Const McCormack	£ 218 - 18 - 0	do

The Witnesses expenses in each case are £ 2 - 9 - 6
 and the costs remain to be taxed.

The Judge directed that the compensation should
 be levied off the Kilmartin and Castle Wards.

Referring to your inquiry we beg to state that
 the time for appealing is ten days from the pronounce-
 ment of the decree, that is to say to the 19th instant.

Resolution

Proposed by Councillor Charles Davis
 Seconded by Councillor M. J. Butler

Resolved:- That an appeal be taken against the judgement on the following
 grounds (1) On the technical ground that the notices of application were not in
 compliance with the act having been served on defendants while a previous set
 of applications were still under the consideration of the High Court (2) the
 compensation awarded is excessive (3) The area of charge is unreasonable
 and implies a differentiation between the Wards of the town which
 there appears to be no reason to justify.

Sanitary Sub Officer's Report

6 January 1920

During the month I inspected 200 premises & served 3 notices under the Public Health Act for various sanitary purposes which were complied with, and removed 4 cases to Fever Hospital. The usual flushing & disinfecting of main drainage has been carried out satisfactory. During the month the palisade on Bachelors Walk has been broken down by some persons unknown, and will need to be put in repair as soon as possible. I would recommend that it be done by direct labour.

The water table outside the Convent Road Cottages has been finished in a satisfactory manner. Also the Scavengers work on the street.

The timber on the road at the South Quay has been removed during the month by the Merchants.
