**Part 2 SICAP**

Stephen Fitzgerald handed out the Annual Plan Report for Co. Wicklow Partnership and Bray Area Partnership and went through the reports prior to votes being taken by the committee.

He thanked Brian Carty and Peter Brennan saying that the plans were very good with a good level of detail.

Stephen also told the committee that they need to become aware of what CWP and BAP do regarding SICAP and be knowledgeable on how the money is spent.

He said that next year the LCDC will have more input with identifying groups/individuals in need.

Budgets for both are in order.

Grainne McLoughlin asked, regarding CWP, why the employments supports for under 25s and over 25s are together, whereas in the BAP report they are separate – she feels the needs of under 25s are different from those of the over 25s.

Brian Carty explained that CWP now have a new member of staff who's roll it is to look at this.

Grainne McLoughlin congratulated them all on the plans and this was agreed by the committee.

The committee were asked to vote on the plans and Martina Cronin explained that as she hadn't seen the plans prior to the meeting she hadn't

had much opportunity to read through them herself. Stephen Fitzgerald explained that the role of the SICAP sub-group was to go through the plans and upon being satisfied with them, to recommend them to the LCDC. He explained that POBAL had approved them with no problem and the sub-group were happy for them to be voted through. Martina Cronin was happy with this and the committee all voted in favour of both plans with Grainne McLoughlin, as chair, abstaining in order to reach a quorum for the vote.
