"That Wicklow County Council calls on the government to declare a state of emergency to recognise the scale of the housing crisis and to double investment in social housing, to fast track the approval, procurement and tendering process for local authorities, to introduce rent certainty, linking rent to the Consumer Price Index, legislate for a moratorium on home repossessions until adequate measures to deal with mortgage distress are enacted and introduce emergency legislation to give tenants in private rental properties greater protections when properties are bought by vulture funds."

"That this Council declares Wicklow a TTIP Free Zone and calls on the Irish Government to call for the cessation of the ongoing Transatlantic Trade and Investment Partnership (TTIP) negotiations between the EU and the US, use their vote on the Council of Ministers to vote down the ratification of CETA, initiate a public debate on the consequences of CETA and TTIP on the island of Ireland, recognise that the introduction of TTIP would lead to the lowering of EU standards, instigate a referendum to ratify both the TTIP and CETA Agreements, take all measures to remove Investor-State Dispute Mechanisms (ISDM) from both the TTIP and CETA Agreements, take all measures to ensure that the terms of the living agreement cannot breach domestic legislation and take all measures to protect agriculture, workers rights, environmental, food and regulatory standards, SMEs, health and public services in all trade negotiations"

7. Notice of motion in the name of Cllr. S. Matthews (05/08/16)

"Wicklow County Council Members request that the Minister for Housing, Planning, Community and Local Government carries out a mid-term review of the Local Government Reform Act 2014 which replaced Town and Borough Councils with Municipal Districts. The review should include consultation with elected members and Local Authority staff to determine if the amended structure has improved local democracy and local government functions. If the review can conclude that restoring Town and Borough Councils would improve local government operations, local democracy and public representation then it is requested that the Minister amends the Local Government Act to restore these councils"
