**GWEN MALONE STENOGRAPHY**

1 ORDINARY MEETING OF WICKLOW COUNTY COUNCIL ON MONDAY,  
2 3RD JULY 2017 AT 2:00 P.M.

3  
4 **CATHAOIRLEACH:** [Irish spoken]. First of all, I'd like  
5 to welcome the stenographers who return here today. 14:04  
6 very good to see them back. welcome all the members  
7 back here again.

8  
9 Just before I commence the meeting there is a couple of  
10 votes of sympathy. 14:05

11 **MS. GALLAGHER:** Yes, Cathaoirleach, a vote of sympathy  
12 for Renee Ryan, mother of Cllr. John Ryan and for  
13 Tommy Metcalf, father of our colleague Margaret Coyne.

14 **CATHAOIRLEACH:** Okay. Cllr. Gráinne McLoughlin.

15 **CLLR. MCLOUGHLIN:** Thank you, Cathaoirleach. I would 14:05  
16 like us to remember Eric Archer of Greystones. Eric  
17 was a stalwart of the community. He was certainly, as  
18 much a part of the Rugby Club as bricks in the wall.  
19 He was absolutely the most wonderful gentleman in  
20 Greystones and it is such a sad loss to Greystones that 14:05  
21 he is gone and our thoughts and prayers go to his wife  
22 Ruth, their children, and everybody who knew Eric, you  
23 will be dearly missed.

24 **CATHAOIRLEACH:** Cllr. Irene Winters.

25 **CLLR. WINTERS:** Thanks, Cathaoirleach. I'd like to 14:06  
26 offer sympathy to Padraig Harney, in light of the  
27 agenda today where we're going to be discussing the  
28 safety of cyclists. Padraig was knocked off his bike  
29 there last week off. He was originally from the Town,

1 off the main street and our thoughts are with his wife  
2 and his young children.

3  
4 I would also like to offer a vote of sympathy for  
5 Mark Geraghty who, on his way home, having taken a taxi 14:06  
6 home, died last Friday week. Our thoughts are with his  
7 parents also.

8 **CATHAOIRLEACH:** Thank you. Cllr. Gerry Walsh.

9 **CLLR. WALSH:** Thanks, Cathaoirleach. Again, I'd just  
10 like to be associated with the sentiments expressed in 14:06  
11 relation to Eric Archer and I'd also like to express  
12 condolences the family of Laura Dempsey, who passed  
13 away suddenly and tragically last weekend while on  
14 holiday. Thank you.

15 **CATHAOIRLEACH:** Thank you. Cllr. Gail Dunne. 14:06

16 **CLLR. DUNNE:** Thank you, Chairman. I'd like to propose  
17 a vote of sympathy for Kathleen Dooley who lost her  
18 battle with cancer, long battle with cancer and to her  
19 husband, our sympathies to her husband, Eugene. Thank  
20 you. 14:07

21 **CATHAOIRLEACH:** Thank you. Cllr. Derek Mitchell.

22 **CLLR. MITCHELL:** I'd just like to echo the point about  
23 Laura Dempsey who died and Eric Archer, who was  
24 stalwart of the community.

25 **CATHAOIRLEACH:** Cllr. Pat Fitzgerald. 14:07

26 **CLLR. FITZGERALD:** Yeah, I just want to offer my  
27 sympathy to the family Mr. Matt Hudson Senior. Matt  
28 was a leading businessman in the Arklow, or in the  
29 Wicklow/Wexford area there and he was buried just last

1 Saturday week.

2 **CATHAOIRLEACH:** Thank you, members. I'd like to just  
3 reiterate sympathy for all of those people, but  
4 especially John Ryan's mother. Thank you. Sorry,  
5 Cllr, Cullen? 14:07

6 **CLLR. TOMMY CULLEN:** Mrs. Groves. Her husband of  
7 (inaudible).

8 **CATHAOIRLEACH:** Thank you.

9 **MS. GALLAGHER:** We'll stand for a minute's silence.  
10 14:08

11 **[ONE MINUTE'S SILENCE OBSERVED]**

12

13 **CATHAOIRLEACH:** Just before I commence the meeting, I'd  
14 just like to highlight there's going to be a Suspension  
15 of Standing Orders at 4:30, called for by Cllr. Blake 14:08  
16 and Cllr. Behan, just to discuss briefly the issue of  
17 cashier closures by Bank of Ireland in the south and  
18 southeast of the county. Is that agreed? Agreed.  
19 And, secondly, there's going to be a brief mention  
20 shortly afterwards, but not a full suspension of 14:09  
21 Standing Orders discussion, but just a brief mention of  
22 the perilous situation at Bray Wanderers' Soccer Club.

23 **MS. GALLAGHER:** Just to say that Cllr. Whitmore has  
24 sent in an urgent question for ten to five.

25 **CATHAOIRLEACH:** Okay. Cllr. Thornhill. 14:09

26 **CLLR. THORNHILL:** [Irish spoken] Go raibh maith agat.  
27 Cathaoirleach, I was speaking with you earlier and I  
28 just mentioned, it's just something that I would like  
29 to propose that should be done, that a book of

1           condolences should be opened in memory of the  
2           Grenfell Towers tragedy in London and we as a local  
3           authority should express our condolence and solidarity  
4           to those people involved in this terrible tragedy. A  
5           tragedy beyond huge proportions and it's something that 14:09  
6           we should learn, it should be a lesson to us in  
7           relation to tragedies of that nature. And I propose  
8           that that book of condolences should be opened and that  
9           it should be done in a way like we have done it for  
10          other people and I think that we should really show 14:10  
11          people across in London our support at this moment.  
12          **CATHAOIRLEACH:** Is that agreed by members?  
13          **MS. GALLAGHER:** Can I just have a seconder for that?  
14          Secunder, Cllr. Behan and agreed.  
15          **CATHAOIRLEACH:** Cllr. O'Connor do you want to come in? 14:10  
16          **CLLR. O'CONNOR:** No, I'm grand.  
17          **CATHAOIRLEACH:** Okay, thank you. Item 1 on the agenda:  
18          To consider the disposal of 0.25 acres of land being  
19          land situated in the townland adjacent to  
20          Coláiste Bhríde, Carnew to KWETB, Church Street, 14:10  
21          Wicklow Town, County Wicklow. Before I get into this  
22          item, could I just point out to members that there are  
23          five members of Wicklow County Council who are also  
24          members of KWETB, including myself. So in the  
25          interests of ethics legislation I think it's 14:10  
26          appropriate that myself and the other four members, two  
27          of which are actually not here at the meeting today,  
28          Nicola Lawless and Tommy Annesley, who is coming later,  
29          and Cllr. Ruttle and Cllr. Whitmore, I think it's

1 appropriate that we absent ourselves from the meeting  
2 for this item. Thank you. So I call on Cllr. Vance  
3 just to sit up here for this item.

4 **CLLR. VANCE:** Okay, members. That's item 1.

5 **MS. GALLAGHER:** Proposed by Cllr. Blake. 14:11

6 **CLLR. VANCE:** Seconded by Cllr. Doran.

7 **MS. GALLAGHER:** Is that agreed by all?

8 **CLLR. VANCE:** Any objections whatsoever in regard to  
9 this? Is that agreed?

10 **MS. GALLAGHER:** Agreed. 14:11

11 **CLLR. VANCE:** Agreed. That's fine. Thank you very  
12 much. They can come back in.

13 **MS. GALLAGHER:** Thank you very much.

14 **CATHAOIRLEACH:** Thanks, Cllr. Vance, that will be your  
15 last time up here this year! 14:12

16  
17 Item 2: To consider report in accordance with Part VII  
18 of the Planning and Development Regulations 2001,  
19 Blessington Greenway, Blessington, County Wicklow,  
20 report attached. Before the members speak I would like 14:12  
21 to call in the Director of Services, Michael Nicholson,  
22 to say a few words.

23 **MR. NICHOLSON:** Thank you, Cathaoirleach. Members will  
24 be aware that we have been trying to develop a greenway  
25 around Blessington Lakes for some time now. Members 14:13  
26 will also be aware that Phase 1 was completed some  
27 years ago and has been extremely successful. Members  
28 will also be aware that a couple of years ago we made  
29 an application to Fáilte Ireland for a grant to

1 complete the remaining part of Blessington Greenway.  
2 That application is still with Fáilte Ireland. At the  
3 moment there is a consultation process going ahead with  
4 regard to greenways in general. So they've parked all  
5 the applications pending that investigation. In the 14:13  
6 meantime we are very much going to get our ducks lined  
7 up and we're going to hopefully secure planning and  
8 have everything ready so that in the event of us  
9 getting funding from Fáilte Ireland, hopefully before  
10 the end of this year, that we should be ready with 14:13  
11 regard to this Greenway. We're also anticipating in  
12 the event of there being competition for funding that  
13 those local authorities that have their plans at an  
14 advanced stage with planning secured will get a far  
15 better hearing if they're oversubscribed, which they 14:14  
16 probably will be.

17  
18 So in that regard we have gone through a Part VIII  
19 process and the report is in front of you. We had good  
20 public interaction with the Part VIII. The development 14:14  
21 is for 46 kilometres, roughly, around Blessington  
22 Lakes. Uniquely we are dealing with one landowner and  
23 we have full cooperation from them. That's the ESB.  
24 Also, uniquely we received 293 submissions and whereas  
25 ordinarily those people in favour of the development 14:14  
26 wouldn't normally put pen to paper, known as the silent  
27 majority, what happened in this case was, of the 293  
28 submissions, almost 280 took the time out to write in  
29 expressing their support for the development which is

1 quite unusual and we had 15, I say opposed but I  
2 suppose opposed is probably the wrong word, the 15 had  
3 comments to make in relation to the development. There  
4 was only one or two outright oppositions to the whole  
5 thing but most of those opposing it were making some 14:15  
6 suggestions about, and raising some concerns about  
7 fencing and culverting and drainage and security,  
8 litter, dog control, stuff like this, parking, flora  
9 and fauna. So the report is in front of you.  
10 Cathaoirleach, myself and the Director of Roads and 14:15  
11 Transportation, Sean Quirke, have been working on this  
12 together because it cuts across both directorates and  
13 the recommendation is that the proposed Blessington  
14 Greenway proceed, subject to the following condition:  
15 Liaison with those with site-specific concerns to take 14:15  
16 place to ensure that the development proceeds in the  
17 manner which addresses those concerns. So my  
18 recommendation is that we proceed with the Part VIII as  
19 per the report. Thank you.  
20 **CATHAOIRLEACH:** Thank you, Director. I'd like to call 14:16  
21 on the Director of the SPC, Cllr. Ruttle.  
22 **CLLR. RUTTLE:** Thank you, Cathaoirleach. As Chairman  
23 of the SPC and the sponsor of this Part VIII I welcome  
24 greatly the bringing before the Council of this  
25 proposal today being brought before the members. It 14:16  
26 represents a watershed in recreational use and  
27 development of the Blessington Lakes area.  
28  
29 In 1940, when the lakes were flooded it represented to

1 the local community and indeed further afield virtually  
2 a total lockout of any activity at the time. Over the  
3 years an easing took place where added value to the  
4 community was gained, but still it was limited enough.

14:16

5  
6 Sunday week last I took part in an event, the Ballymun  
7 Festival, which commemorated the families who lost  
8 farms under the lake in 1940. I am a member of one  
9 such family that lost a farm at the time of the  
10 flooding at Blessington. Some of those families will 14:17  
11 have seen the negative side of the lake because of what  
12 happened to us and others at that time. But today,  
13 however, is a positive, positive day as the lake can  
14 greatly add to our area with this type of development.  
15 Over the years we have seen various places throughout 14:17  
16 Ireland, in the West of Ireland, and more recently in  
17 the Déise one in Waterford, the Waterford to Dungarvan  
18 walkways being used which add greatly to the economic  
19 and the whole community development and opportunities  
20 for locals to take advantage of great beauty. There is 14:17  
21 great beauty around the Blessington Lake with a  
22 backdrop of mountains, water, and a historic town  
23 beside it, as well as the lovely villages of  
24 Ballyknocken, Lacken and Valleymount. In the course of  
25 this, some people who are developing the project, the 14:17  
26 initial project, the first one, which is up and running  
27 and very successful, visited one such place in England  
28 but they had no backdrop at all. I understand you  
29 couldn't see beyond the next hedge, but a huge visitor

1 attraction all the same. That is very successful there  
2 and I'm sure this will be successful here.

3  
4 This will be an opportunity for people in the area,  
5 particularly in the outlying villages to gain something 14:18  
6 from the actual presence of the lake because it will  
7 bring visitors; it will bring people who need  
8 accommodation to stay; to walk; to eat; perhaps have a  
9 drink and that will all be beneficial. Because, as  
10 outlined by the Director, this is a long walkway it's 14:18  
11 not a short one so it's something that will take quite  
12 awhile and will give a great spin-off benefit to the  
13 area.

14  
15 I note the report and how it dealt with all aspects of 14:18  
16 the various issues and I also compliment all of those  
17 who participated in the process, overwhelmingly those  
18 who wrote in in support of it and the local people will  
19 be, by and large, very supportive of this because they  
20 see it, as I said, as something of an opportunity to 14:18  
21 gain something from the facility that before now was  
22 not available to us.

23  
24 Over the consultation period there were various  
25 meetings in Vallemount and Lacken. The various 14:19  
26 concerns were expressed or views were expressed over  
27 walking and fencing and culverting and all these issues  
28 and I'm glad to see that these issues have been firmly  
29 addressed in the report to deal with these issues. And

1 I would then propose that, as well as proposing that  
2 the Greenway proposal Part VIII go ahead, where we have  
3 the recommendation, liaison with the site-specific  
4 concerns to take place to ensure that the development  
5 proceeds in a manner which addresses these concerns, 14:19  
6 that that would also include culverting, fencing and  
7 egress and entry to the walkway because they are other  
8 issues, I would be proposing that those issues be  
9 included in the actual final passing of the Part VIII  
10 here. So it would be liaising with those site-specific 14:19  
11 concerns at certain places. However, the issue of  
12 fencing is completely all around the lake and  
13 culverting is around the lake. To ensure that the  
14 development proceeds in a manner which addresses those  
15 concerns, and also, culverting, fencing and egress and 14:20  
16 access to the proposed Blessington Greenway.

17  
18 But, look, it's part of a national strategy. It's  
19 good, healthy environmental recreation. It has huge  
20 potential for an economic benefit to our area and it 14:20  
21 brings a realisation to the locality where I was born  
22 and reared, all around those lakes, to actually pull  
23 something back.

24  
25 The first portion which was done has been proved to be 14:20  
26 very, very successful, but short, but it was very, very  
27 successful and some of the concerns were expressed over  
28 the periods of the two consultations never took place  
29 there and it's working very well.

1 On that note I would also like to compliment and talk  
2 John Horan for his great work on this project and  
3 indeed the first one. Wonderful work to bring it to  
4 this stage where we have it today at the Council  
5 Chamber. 14:21

6  
7 So I would formally propose that we adopt, as Chairman  
8 of the SPC, that we formally adopt and pass the  
9 Part VIII with the site-specific concerns, plus the  
10 issue of fencing, culverting, egress and entry to the 14:21  
11 lands concerned.

12  
13 So it's a good day, it's a progressive day and it's a  
14 day looking forward to a new future for the whole  
15 Blessington Lake Project, which started in more 14:21  
16 uncertain circumstances in 1940.

17  
18 Thank you very much, Cathaoirleach.

19 **CATHAOIRLEACH:** Thanks. Cllr. Blake.

20 **CLLR. BLAKE:** Thanks, Cathaoirleach, and I certainly 14:21  
21 would like to second Cllr. Ruttle's proposal. He has  
22 probably given a very good outline of the history of  
23 the whole place up there and also in relation to all  
24 aspects of it. Equally so to the Director of Services  
25 for his contribution to the community, to John and all 14:21  
26 the people who have worked up there in relation to  
27 developing this. Certainly I think the Director of  
28 Services outlined to us the need for probably to, for  
29 the use of another word, get our ducks in line in terms

1 of ensuring that if funding does become available in  
2 the future - and I'm confident that it will - that we  
3 actually are in there in the mix that we do get the  
4 necessary funding to develop this length of walkway  
5 around the Blessington Lakes. I was very much involved 14:22  
6 in the last project up there in terms of the leader  
7 from the Wicklow County Partnership in developing the  
8 initial walkway around the lakes, great success and the  
9 linkage and everything to it. I think this probably  
10 will really put Blessington and West Wicklow on the map 14:22  
11 as well in that regard.

12  
13 So certainly, as Jim has outlined there and gave a very  
14 good account of it, I very much support it and I second  
15 Jim's proposal. Thanks, Chairman. 14:22

16 **CATHAOIRLEACH:** Thank you. Cllr. Gerry O'Neill.

17 **CLLR. O'NEILL:** Thanks, Cathaoirleach. As one who has  
18 been involved in the project here for a while I had  
19 hoped when I got in here to propose it, if not second  
20 it, but sure I may as well third it now! But in doing 14:23  
21 so I mean, I was all for this for a long time from my  
22 involvement in the forum and I think it's going to be a  
23 great -- it's a way, as someone said to me earlier,  
24 that maybe West Wicklow is finally going on to the map  
25 today, you know. I know it's a long way down the road 14:23  
26 before the finance and whatever are in place but,  
27 again, I'd just like to thank -- we're in here doing  
28 the easy work. The people who have driven this here, I  
29 see John Horan and Cillian McGrail in the public

1 gallery, they're two people who it should be  
2 acknowledged that without their drive, and others, that  
3 we wouldn't be here, we wouldn't be at this point  
4 today.

5  
6 I would also like to thank Michael Nicholson of Wicklow  
7 County Council, Theresa O'Brien as well, and Sean  
8 Quirke for all their work, from the word go on this  
9 issue. There are -- we organised -- I proposed some  
10 meetings in the area with local people to maybe just to 14:23  
11 discuss their fears or their concerns on the route and 14:24  
12 we had a few successful meetings there.

13  
14 There are, as mentioned earlier, somebody mentioned  
15 culverts, that's omitted from this submission but I 14:24  
16 think that, you know, this thing will work, especially  
17 for the people of Lacken and Ballyknocken and  
18 Vallemount and all, you know, it's something brand new  
19 to those people. I talked here earlier on at the rates  
20 meeting about the shops in the area, there's no shops 14:24  
21 around the lake, you know, whether it's rates or rent  
22 they're run out of town. So it's a very rural part of  
23 Ireland, let alone Wicklow.

24  
25 I would be delighted to see this. It's up and running 14:24  
26 now and we will work, I know the Council and I know the  
27 public representatives and all will work hand-in-hand  
28 with the people who have driven this and also the  
29 people who would have concerns, small concerns I might

1 add, in the locality. So I've no problem in supporting  
2 this and I hope we have the support of every Councillor  
3 in the Chamber. Go raibh maith agat.

4 **CATHAOIRLEACH:** Cllr. Gerry Walsh, Director of the SPC.

5 **CLLR. WALSH:** Thanks, Cathaoirleach. As chair of the 14:25  
6 Economic Development SPC and a member of Wicklow  
7 Tourism I'd be delighted to support the Part VIII  
8 process in relation to this valuable public  
9 recreational amenity. It has huge potential there for  
10 tourism for the County and particularly for the west of 14:25  
11 the County. So, again, I'm just glad to be able to  
12 support it.

13  
14 Again, can I just add, Cathaoirleach, that I hope that  
15 Fáilte Ireland will see fit to provide the necessary 14:25  
16 funding to see this project over the line. As  
17 Director Nicholson said, it's a no-brainer.

18 **CATHAOIRLEACH:** Thank you. Cllr. Mary Kavanagh.

19 **CLLR. KAVANAGH:** Thanks, Cathaoirleach, I'm delighted  
20 to support this as well. I'm a big advocate of 14:26  
21 greenways, for all kinds of reasons, health benefits,  
22 tourism, development of areas. We see what's happened  
23 down in Westport, how it has come on in leaps and  
24 bounds. The same with Waterford. And I just can't  
25 wait for the day when we have a greenway that goes all 14:26  
26 the way around the County, or at least one on the east  
27 of the County as well as on the west. But I'm  
28 delighted to see this one has come so far down the line  
29 and I think it's terrific and the sooner it starts the

1 better, as far as I'm concerned. Thank you.

2 **CATHAOIRLEACH:** Thanks. Shay Cullen.

3 **CLLR. SHAY CULLEN:** Thanks, Chairman. I would like to  
4 compliment the Committee on the huge efforts and works  
5 they've put into this over a long number of years. I 14:26  
6 know John and Cillian and indeed Michael Sergeant have  
7 been involved in this and other members for quite a  
8 long time and it's -- I'd the pleasure of walking the  
9 first phase of this back a few months ago and it's  
10 certainly fantastic, what work is done so far is 14:27  
11 fantastic for the public to have this amenity. And the  
12 efforts that has gone into it, you know, just to see  
13 what it can add to Blessington and West Wicklow but not  
14 alone West Wicklow, the boost for the economy in County  
15 Wicklow will be significant, from a tourism point of 14:27  
16 view and getting tourists into our county. But  
17 certainly this will draw a lot of people from all over  
18 Ireland and abroad and I just want to wish everybody  
19 well with ongoing work and compliment Michael for  
20 keeping the pressure on to try and get the funding in 14:27  
21 place. And look, it's onwards and upwards and I just  
22 want to compliment and wish everyone well, thank you.

23 **CATHAOIRLEACH:** Cllr. Gráinne McLoughlin.

24 **CLLR. McLOUGHLIN:** Thank you, Cathaoirleach. As Chair  
25 of the LCDC I very much welcome this project and 14:28  
26 congratulations to Michael and Theresa and all of the  
27 people, particularly in Wicklow, in Blessington should  
28 I say. The forum down there has been doing huge work  
29 over the years and I congratulate everybody concerned

1 and hopefully we will get this to a perfect conclusion  
2 for everybody and if we can do anything to support it  
3 on the LCDC, you can may be sure you will have it. So  
4 I wish you well for this project.

5 **CATHAOIRLEACH:** Cllr. Tommy Cullen. 14:28

6 **CLLR. TOMMY CULLEN:** Chairman, thank you. I'd like  
7 also to support this project and to congratulate the  
8 Committee on the work they have been doing to bring  
9 this about. I would like to see it linked to the west  
10 Wicklow Heritage Trail that yourself, Chairman, and 14:28  
11 myself and other members are currently working on and  
12 drafting up it's leaflet. We hope to shortly show the  
13 rich culture and heritage of west Wicklow and that's  
14 now defining the area. I think you are going to launch  
15 that shortly, the Heritage Trail. 14:29

16  
17 Chairman, I welcome this and I think we should have an  
18 integrated tourist and heritage programme because  
19 that's where all the money now is in tourism is in  
20 heritage. That's where you get the big money spenders 14:29  
21 now coming into the tourism area is in that. I'd like  
22 to congratulate all involved in this, Chairman. Thank  
23 you.

24 **CATHAOIRLEACH:** Thank you. As Chairman I'd like to  
25 voice my support for this project as well. It's really 14:29  
26 worthwhile and compliments to all those involved. I  
27 think 95% of the submissions were in favour so it's  
28 very clear there's overwhelming support for this  
29 project and we all wish you every success. Thank you.

1 I'm now going to take a vote on it.

14:31

21

**MS. GALLAGHER:** That's 23 for and 9 not present.

22

Part VIII carried.

23

**CATHAOIRLEACH:** Thanks. Next item, members. Item 4:

24

To receive a presentation of the Avondale Masterplan

25

Project, Rathdrum, County Wicklow. This presentation

14:33

26

is going to be overseen by Cooney Architects and in

27

particular Frank Cooney and Catherine Murphy.

28

**MR. NICHOLSON:** I am just going to introduce, just

29

before our colleagues take to the podium. Just the

1 members will be aware, this, again, has been on the  
2 cards for some time and this is a multimillion euro  
3 joint project between Wicklow County Council, Coillte,  
4 the landowners, and Fáilte Ireland. It is going to  
5 change Avondale and make it a completely interactive  
6 facility. 14:33

7  
8 A design team has been appointed now. The brief has  
9 been prepared between Coillte and Fáilte Ireland.  
10 Interestingly, in this particular project Fáilte 14:33  
11 Ireland are fully behind it so they're funding the  
12 project completely. They see it as one of their  
13 flagship projects in the Ireland's Ancient East  
14 product.

15 14:34  
16 Just a brief bit of history. Avondale Forest Park is a  
17 200-acre estate owned by Coillte. You all know where  
18 it is. It's just outside Rathdrum. At the moment it  
19 has some passing usage but it's not really being  
20 utilised for the potential it has. So part of the 14:34  
21 brief is to convert this into a complete redevelopment  
22 of the facility. So I am just going to hand over now  
23 to Catherine Murphy and Frank Cooney from Cooney  
24 Architects who are going to give a PowerPoint  
25 presentation on where they are. Thank you. 14:34

26 **MR. COONEY:** Okay. Cathaoirleach, Councillors, thank  
27 you very much for the opportunity to make the  
28 presentation today.  
29

1 In March of this year, Coillte and Fáilte Ireland  
2 issued tenders for the appointment of a design team for  
3 Avondale. The process that they required the design  
4 team to go through they set out in a quite a lot of  
5 detail and I will run through that briefly in a few  
6 moments. 14:35

7  
8 We put together a design team who won the tender. So a  
9 little bit of background on the team. We are Cooney  
10 Architects. Our role is design team lead, project team 14:35  
11 coordinators, architects, but also conservation  
12 architects. Our team came together, I suppose, first  
13 for an earlier project. It's a visitors' centre you  
14 will see there on the right-hand side at the Hill of  
15 Uisneach in County Westmeath. We've also worked on 14:36  
16 Sports Campus Ireland. Various projects there  
17 including the courtyards to the large house there and  
18 back in 1991 we had worked on a prototype energy  
19 efficient green buildings sponsored by the EU.

20 14:36  
21 The design team also includes Levins Associates,  
22 quantity surveyors, Jennings O'Donovan and FDA who will  
23 be looking after all the engineering, environmental  
24 civil works.

25 14:37  
26 On our team we've also got Alan Hill. Alan is a  
27 tourism development specialist with 30 years'  
28 experience in this whole area.  
29

1 Our interpretative consultants are a company called  
2 TellTale. They've been involved with Ireland's Ancient  
3 East now for a number of years and their role is to  
4 interpret the story of Avondale. They've already spent  
5 five days on site actually living on site earlier this 14:37  
6 month and they've been back for two days in the last  
7 while.

8  
9 The way our branding consultants Turtle Bunbury is an  
10 historian and Turtle's role is to ensure that 14:37  
11 everything is based in history and correct.

12  
13 TellTale have also brought on board Past Pleasures.  
14 They're a company who specialise in living history  
15 presentations. 14:38

16  
17 The brief that was prepared by Coillte and Fáilte  
18 Ireland sets out a process that the design team are to  
19 follow. We started on this process in June, so it's  
20 early days. The first thing we deal with is on the 14:38  
21 left-hand side on the bottom of the slide you will see  
22 the interpretation framework. We are currently working  
23 on this.

24  
25 The interpretation framework sets out to identify the 14:38  
26 overarching theme story of Avondale. It also sets out  
27 to identify the visitor touch points and the mediums  
28 through which the story will be communicated.

29

1 On completion of the interpretative framework we will  
2 move on to the interpretation and visitor experience  
3 plan. That builds on the interpretation framework and  
4 the visitor touch points. It will set out the phases  
5 for development. It will show how the development 14:39  
6 coordinates and interacts with Ireland's Ancient East  
7 brand.

8  
9 Thereafter, we move to the detail design. The detail  
10 design will involve preparing drawings/models that come 14:39  
11 out of the interpretative framework and thereafter the  
12 last phase is a planning application. The programme  
13 for this is, we would hope to be having completed each  
14 one of the earlier stages making a planning application  
15 towards the end of the year. 14:40

16  
17 So I have set out there the four stages and then, as I  
18 said, the programme is to go through each stages over  
19 the coming months with a view to lodging a planning  
20 application towards the end of the year. Thank you 14:40  
21 very much.

22 **CATHAOIRLEACH:** Thank you, Frank. Cllr. Pat Kennedy.

23 **CLLR. KENNEDY:** Thank you, Frank. Thank you for the  
24 presentation. There's huge interest in this. I'm a  
25 councillor from Rathdrum. There's huge interest in 14:40  
26 this whole development and the redevelopment of  
27 Avondale Forest Park in Rathdrum. As you know, it was  
28 built in 1777 so there's over 500 acres, I think, in  
29 the whole forest park.

1 I think this will put, not only Rathdrum, but the East  
2 Coast on the map. As you know, recently we constructed  
3 a footpath of 1.5 kilometres almost from the town of  
4 Rathdrum all the way to the gates of Avondale so as the  
5 children and the community can walk safely to Rathdrum. 14:41  
6 We have a school population of over 900 students in  
7 Rathdrum who use Avondale regularly.

8  
9 Avondale is hugely, hugely important, not just to the  
10 people of Rathdrum, but we kind of tend to think we own 14:41  
11 Avondale because it's on our doorstep but it's  
12 belonging to all of the people of Ireland, but  
13 especially the people on the East Coast.

14  
15 I wish you well. I welcome this development and the 14:41  
16 sooner we better we get it up and running and I wish  
17 you the very best of luck in your endeavours to bring  
18 it to where it needs to be. Thank you.

19  
20 Just one other thing, Frank. During the consultation 14:41  
21 that I would ask that you include the people of  
22 Rathdrum in and keep them briefed and updated on  
23 progress. Thanks, Frank.

24 **CATHAOIRLEACH:** Thanks. Cllr. Miriam Murphy.

25 **CLLR. MURPHY:** Yeah, I'd just like to welcome this 14:42  
26 development. Just as Cllr. Kennedy has said, he kind  
27 of stole my words there - which he often does - but  
28 it's a great day here today in Wicklow Chamber to see  
29 such two huge developments being part of Wicklow.

1 we're steeped in history and we're steeped in tourism  
2 and we need more of it.

3  
4 I just would like to propose that you consult with  
5 people with disabilities in County Wicklow. We have 14:42  
6 County Wicklow Local Access Group here belonging to the  
7 County Council here and we would like to see full  
8 inclusion and I know you're probably well aware of it,  
9 but a programme called "changing rooms", not just  
10 wheelchair accessible toilets but changing rooms where 14:42  
11 there's full facility with hoist equipment and  
12 whatever. So we can consult with that. Again, just as  
13 Cllr. Kennedy has said, you know it's part of Arklow  
14 Municipal District and the town of Rathdrum is, you  
15 know, a lot of quietness there at the moment probably 14:43  
16 but consultation is a big thing for us in Arklow  
17 Municipal and we look forward to working with you.

18 **CATHAOIRLEACH:** Thank you. Cllr. John Ryan.

19 **CLLR. RYAN:** Thanks, Cathaoirleach. Yeah, I remember  
20 in 2014 when I was Cathaoirleach, along with Minister 14:43  
21 Andrew Doyle and Brian Doyle meeting the CEO of Coillte  
22 and talking about the potential of this project and I  
23 have to say Coillte have been fantastic in terms of how  
24 they've embraced it and they were going through just  
25 some of the history of it, but also talking about the 14:43  
26 tree planting down there in that seemingly every  
27 species of tree in the world is actually in Avondale,  
28 and talking about the way you could actually really  
29 create something special there. Obviously a tree

1 museum is one thing but the idea of treetop walkways  
2 and the whole idea of actually being able to even sleep  
3 in the trees. So, you know, they also, then, sent us  
4 up to Boyle in County Roscommon the Lough Key Forest  
5 Park, just to see some of the things that they've done 14:44  
6 up there and you get really excited about the potential  
7 that this actual project has. At that time it looked  
8 like as if it was going to be kind of difficult to  
9 bring all the players together to get the funding in  
10 placed so I'm absolutely thrilled to hear that Fáilte 14:44  
11 Ireland have actually decided to fund this in totality.  
12 So I hope that means it's going to really go as far as  
13 it can possibly go in terms of the creative nature that  
14 we can create something here that would be absolutely  
15 stunning. 14:44

16  
17 I'm just wondering what ideas or what organisations  
18 have you talked to in terms of, you know, like Boyle  
19 have the Boda Borg and all these other kind of things  
20 that will make it a destination for families. So I'd 14:45  
21 just be really interested in any ideas that you have in  
22 that regard. Thank you.

23 **CATHAOIRLEACH:** Thanks. Cllr. Tommy Cullen.

24 **CLLR. TOMMY CULLEN:** I think it should be remembered,  
25 Chairman, that it was a member of this Council who 14:45  
26 saved Avondale House back in 1948, he was a serving  
27 member of this Council, Jim Everett, the late Jim  
28 Everett. When he became Minister for Forestry he  
29 actually got funding for Avondale House and saved it

1 from rack and ruin and done an official opening, I  
2 think it was around 1950 and made it a forestry park.  
3 Then in 1987 it was his successor, who was also a  
4 member of this Council, Liam Kavanagh, who gave half a  
5 million pounds that time and they continued to expand 14:46  
6 it. So it was actually two members of this Council who  
7 saved, only for them Avondale House wouldn't be here,  
8 or that 500 acres of land.

9  
10 I think it's a very historical house and that can't be 14:46  
11 got away from and it's important that it is preserved  
12 in the historical context, but I think when you're  
13 talking about these houses, I watched this programme on  
14 RTÉ, I think it's called "Big Houses" and wining and  
15 dining in the big houses and I feel a bit nauseated 14:46  
16 when I watch them because at the time when all these  
17 big dinners were being put on for all these gentry in  
18 these houses there was people starving in this country  
19 and they didn't have all these big kitchens and all  
20 these cooks and grannies, and whatever, and I think we 14:46  
21 shouldn't forget that and we should put that in a  
22 historical context. Because I was talking to Brendan  
23 here, this year is 170 years' anniversary of 1847 and  
24 the Famine where in that year over 10,000 people died  
25 of starvation in County Wicklow with the Famine. And 14:47  
26 maybe, Chairman, during your time now as Chairman you  
27 might in some way commemorate that 170 anniversary  
28 because in Baltinglass, which was the workhouse, and  
29 Rathdrum which was also the workhouse, in 1847 there

1 was 8,000 people in one day in each of those places  
2 receiving gruel and they were dying about 300 a day in  
3 Rathdrum and in Baltinglass.

4  
5 So I think when this big house is being commemorated 14:47  
6 from the political context, not necessarily its origin  
7 as a big house, which I would find offensive given the  
8 poverty in the country and the discrimination in the  
9 country at the time, I think we should make sure it's  
10 put in its proper historical context. For each one big 14:47  
11 house there was 10,000 families living in damp with  
12 cabins with bits of bracken as roofs and that was the  
13 counterpart. I think that historical context should be  
14 -- Chairman, maybe I would ask that sometime in this  
15 year of the 170th anniversary of the Famine in 1847, 14:48  
16 which was the worst year in Wicklow, where over 10,000  
17 people lost their lives, that we would give some kind  
18 of recognition to those people as well. Thank you,  
19 Chairman.

20 **CATHAOIRLEACH:** Cllr. Walsh. 14:48

21 **CLLR. WALSH:** Thanks, Cathaoirleach, and thanks, Frank,  
22 for the presentation. I must say, it's most  
23 encouraging to see the work that's been done on this  
24 project to date. Certainly it's such an exciting  
25 project for Rathdrum and of course for Wicklow in 14:48  
26 particular. You seem to have all your ducks in a row.  
27 You have Alan Hill there for tourism development; you  
28 have TellTale; we have Turtle Bunbury, another renowned  
29 historian; and you have work done on the interpretation

1 framework. So it's all coming to fruition and it's  
2 great to see that you'll be ready to apply for planning  
3 by year end. And with the Ireland's Ancient East  
4 initiative, you know, it's a perfect fit for that. So,  
5 again, well done and the best of luck with the projet 14:49  
6 the future.

7 **CATHAOIRLEACH:** Cllr. Kavanagh.

8 **CLLR. KAVANAGH:** Thanks, Cathaoirleach. I'm a very  
9 regular visitor to Avondale. I absolutely love the  
10 place. I think it's a little jewel, I think it's a 14:49  
11 little oasis and it never ceases to amaze me how few  
12 visitors it gets in actual fact compared to, say, the  
13 likes of other houses and places of historical  
14 interest.

15 14:49  
16 I'm delighted to see that it's going to be developed.  
17 I think the benefits it will bring, to not only  
18 Rathdrum and the greater Rathdrum area but to Wicklow  
19 in general because it's very strategically placed, it's  
20 only ten miles from Wicklow Town and probably less on 14:49  
21 the Arklow side. So I think it's going to have  
22 wonderful potential and I'm really thrilled.

23  
24 The only thing I would add is that sometimes an  
25 interpretative centre can be overdone to the point of 14:50  
26 losing its actual charm. I've seen it happen over at  
27 the Cliffs of Moher, which used to be a wonderful  
28 experience and now it's just a very clinical  
29 experience. So while I hope that the house itself and

1 the interpretative centre is great for tourists and  
2 visitors and children and students and everything, I  
3 hope that there's an area around the perimeter of the  
4 estate that will be kept for those of us who are kind  
5 of like naturants, natural environment, a kind of place 14:50  
6 where people will still go just to experience, you  
7 know, what it's like to walk in forests and surrounded  
8 by trees. It is has great health benefits, not only  
9 physical but mental health. I know that a mental  
10 health group launched a very important project up there 14:50  
11 a couple of years ago. It's a real, it's a place that  
12 just draws everybody. It's great for the human spirit.

13  
14 So I hope that we can just, you know, bear in mind, to  
15 try and maintain the integrity of the place as well as 14:51  
16 trying to develop it. And also, just -- is there any  
17 timeframe by which it's hoped to be completed so that,  
18 you know, we may be benefiting from the economic  
19 benefits that can come from it? Thank you very much.

20 **CATHAOIRLEACH:** Cllr. Thornhill. 14:51

21 **CLLR. THORNHILL:** Cathaoirleach, go raibh maith agat.  
22 Just a short few words. I would just like to concur  
23 with everyone in relation to this masterplan in  
24 Avondale House. Just, I would just like to mention  
25 just I would just -- I would just like to go back to 14:51  
26 the fact in relation to the Famine, 170 years ago.  
27 Well I come from Skibbereen in West Cork, which was an  
28 area which was really affected by the Famine 170 years  
29 and I think that it would be a great idea as well to

1 second, if it was a proposal by Cllr. Cullen that we  
2 should commemorate that event. I think it is great,  
3 our history, we should remember it and that these  
4 events shouldn't be forgotten. Go raibh míle maith  
5 agat, a Cathaoirleach. 14:52

6 **CATHAOIRLEACH:** Frank, if you'd like to come back maybe  
7 on Cllr. Kavanagh's question?

8 **MR. COONEY:** Okay, just a quick summary of some notes.  
9 In terms of including the people of Rathdrum. There is  
10 a detailed consultation plan being developed and it has 14:52  
11 been written up by Alan Hill and that has already  
12 started and that will continue throughout the whole  
13 process. In relation to ideas that are likely to come  
14 out of this, we're at a very early stage in the project  
15 and as the interpretation framework and visitor 14:53  
16 experience plan evolves we will keep you informed of  
17 all the ideas that are emerging.

18  
19 In relation to forestry, Avondale is the home of Irish  
20 forestry going back to the Great Tree Experiment in 14:53  
21 1904 and the Famine. We're very much aware of the  
22 significance of that and its relationship to Wicklow  
23 and Avondale.

24  
25 In relation to a timeframe for completion, we must go 14:53  
26 through this process. It's part of what we agreed to  
27 do as part of the tender. As each stage is completed  
28 we then get approval to move on to the next stage.  
29 Planning permission application is planned for the end

1 of the year, thereafter we don't have a timeframe.  
2 Thank you. I hope I've answered everyone's comments  
3 and questions.

4 **CATHAOIRLEACH:** Okay. Thank you, members. Thank you  
5 very much, Frank. 14:54

6 **MS. GALLAGHER:** Thank you very much.

7 **CATHAOIRLEACH:** Item 5 on the agenda: To consider  
8 report: Legal fees for the year ended 31st December  
9 2016 (copy attached).

10 **MS. GALLAGHER:** I would just say, members have been 14:54  
11 circulated with the detailed report detailing each  
12 section's legal expenses for the 12-month period ending  
13 2016.

14  
15 *"Provision for the payment of legal expenses accounted 14:54*  
16 *for in the Revenue account. Capital expenditure in*  
17 *areas such as housing and roads are generally grouped*  
18 *between the Department of Housing, Planning Community*  
19 *and Local Government.*

20 14:54  
21 *In cases where the local authority has been successful*  
22 *in court, every effort is made to collect outstanding*  
23 *legal fees due.*

24  
25 *where cases are lost, legal fees arising sent to our 14:55*  
26 *legal cost accountants to review."*

27  
28 Members will note that there is a significant amount of  
29 detail in the report and if there any specific queries

1 in relation to any particular directorate, the Director  
2 of services will be more than happy to discuss same.

3 **CATHAOIRLEACH:** Cllr. O'Connor.

4 **CLLR. O'CONNOR:** Thanks, Cathaoirleach. I note what  
5 you're saying there about the Director of Services but 14:55  
6 I wonder, in advance of that, if we could be provided  
7 with a full breakdown of the legal fees incurred by the  
8 Council in its attempt to evict John Brady, please,  
9 just to give them a heads up, they'll all be looking  
10 for that, the exact breakdown isn't in the report. 14:55

11 Thanks.

12 **CATHAOIRLEACH:** Cllr. Behan.

13 **CLLR. BEHAN:** well, Chairman, just looking through the  
14 figures there, it appears to me that the Council, at  
15 this point in time, this could be just a rough estimate 14:56  
16 but I've added up the figures that we were given, that  
17 the Council has spent almost half a million euros in  
18 legal fees in battles against either present or past  
19 members of this authority, specifically Cllr. Cullen,  
20 former Cllr. Nevin, former Cllr. de Burca and former 14:56  
21 Councillor, now Deputy John Brady.

22  
23 Now in the case of one the case was settled; in the  
24 case of another the case was lost; and I think at the  
25 very least we're entitled to a greater degree of 14:56  
26 explanation as to how we, as a local authority, could  
27 end up in a situation spending almost half a million  
28 euros of taxpayers' money in battles against public  
29 representatives or former public representatives.

1 So I accept that that kind of detail is not available  
2 today. I certainly think it is detail that we should  
3 all have. And a comment from the Chief Executive as to  
4 why, in particular, the case against former Councillor  
5 now Deputy Brady was taken and why the case was settled 14:57  
6 in relation to former Cllr. de Burca.

7  
8 Secondly, there is a sum of €150,000 mentioned in the  
9 case of Silver Wedge -v- Bray Town Council. Could I  
10 ask for, again, some further detail on what that 14:57  
11 particular fee is in relation to and who or what Silver  
12 Wedge is please? Thank you.

13 **CATHAOIRLEACH:** Could I ask then maybe the finance  
14 section if they could revert to you outside the forum  
15 of this meeting on the detail you're looking for in 14:58  
16 relation to the last request. Thank you.

17  
18 I would just like to pass a couple of comments myself  
19 on it. First of all, I'd like to ask that the Council,  
20 before they incur legal fees, that they agree legal 14:58  
21 fees upfront insofar as possible. You know if we don't  
22 agree the fees upfront, you know, we are in danger of  
23 giving professionals a blank cheque and I would just  
24 ask that we be very careful about what we're getting  
25 ourselves into before we engage and we get constant 14:58  
26 updates on what costs are going to be in relation to  
27 all cases.

28  
29 Secondly, from our internal matters that we, you know,

1 I appreciate this report has a lot of lines in it and  
2 it's very detailed and it's very welcome but could I  
3 ask that we split it out into first of all revenue and  
4 capital; and secondly, could we split it out in  
5 relation to what fees we can recoup. Like fees in 14:59  
6 relation to housing, roads, maybe land acquisitions. A  
7 lot of those fees we can recoup. I'd like to see a  
8 spreadsheet of which of those fees out of that,  
9 whatever, couple of hundred lines we can actually  
10 recoup and which are outstanding? which is back to 14:59  
11 what I was saying a couple of weeks ago, when I started  
12 here as Chairman, just to make sure that question is  
13 not being done, but I would just like to see it, that  
14 all the fees that we incur that are recoupable, that we  
15 get a report on which of those have been recouped and 14:59  
16 which are outstanding and still not recouped. Just  
17 like, I suppose like a debtor's report really. Thank  
18 you. Okay. No other comments then? Thank you.

19 **CLLR. O'NEILL:** Can I just ask, is there any monies  
20 owed to the Council from elected public 15:00  
21 representatives?

22 **CATHAOIRLEACH:** I'm not aware to the answer to that  
23 question.

24 **CLLR. O'NEILL:** There's no money whatsoever owed?

25 **CATHAOIRLEACH:** I'm not aware. I don't know the 15:00  
26 answer. I'm sure the Finance Department can inform us.

27 **CLLR. O'NEILL:** Sorry?

28 **CATHAOIRLEACH:** I'm sure the Finance Department can  
29 let us know and let you know the answer to that

1 question.

2

3 I'll move on then. Item 6: To consider the Draft  
4 County Wicklow Heritage Plan 2017-2022. A copy was  
5 sent out. Deirdre Burns will now give a presentation 15:00  
6 on this.

7 **MS. BURNS:** Okay. So you all have a copy of the  
8 Heritage Plan sent out. What I'm going to do is really  
9 go through, it might be helpful to go through the  
10 context of the plan, how it came about. The structure 15:01  
11 and the background. A little bit about the  
12 implementation of the plan and how it will be  
13 implemented and then a bit about the plan itself and  
14 then the next steps in this process. What you have  
15 before you is the proposed draft plan that we would be 15:01  
16 hoping would be adopted as a draft plan today.

17

18 So the context for this is the National Heritage Plan.  
19 The National Heritage Plan was produced in 2002 and  
20 that sets out the requirement, or the recommendation 15:02  
21 that all local authorities produce a County Heritage  
22 Plan, the idea being the enhance to role of local  
23 authorities in the management and protection of  
24 heritage.

25 15:02

26 This is the third Heritage Plan for Wicklow. We had  
27 two other plans; the first one was in 2004 and then the  
28 one up to now has been the 2009 Heritage Plan.  
29

1 The other context of this is in the Wicklow County  
2 Development Plan. It sets the statutory policy  
3 framework for the protection of heritage and I suppose  
4 the Heritage Plan provides that all the baseline  
5 information for ensuring good practice that is 15:03  
6 implemented via our policy documents. Also, of course,  
7 of relevance is the Wicklow Economic Community Plan,  
8 which really is about ensuring better quality for life  
9 and socioeconomic development. So the Heritage Plan  
10 has that objective knitted in to it through some of the 15:03  
11 actions.

12  
13 Also, of course, is the Culture 2025 which is the  
14 Government's Policy Document for heritage for culture  
15 in Ireland and that is really about ensuring that 15:03  
16 there's collaboration between all aspects,  
17 multidisciplinary aspects of heritage and again it  
18 enhances the role of local authorities in this regard.  
19 And Creative Ireland you'll be hearing about later on,  
20 again that's the vehicle for the implementation of the 15:03  
21 Culture 2025.

22  
23 Also, as well, just of relevance just to mention there  
24 for the Heritage Plan, it is really going to assist the  
25 implementation of other of our other documents which we 15:04  
26 use, for example, the Wicklow Biodiversity Plan, the  
27 New Initiative, which is the Local Authorities Water  
28 and Communities Office; and then, of course, the  
29 National Plan, which is the All Ireland Pollinator

1 Plan. So all of these are referenced within our  
2 Heritage Plan.

3  
4 Just a note on the implementation of the plan. The  
5 plan is implemented by the Wicklow Heritage Forum and 15:04  
6 that's a multidisciplinary representative body  
7 consisting of 19 members. It's on one of the  
8 appendixes in the plan there. Wicklow County Council's  
9 represented, the elected members are represented from  
10 each Municipal District and also a range of 15:04  
11 stakeholders, the individuals and representatives of  
12 statutory and non-statutory groups with a heritage  
13 interest in County Wicklow.

14  
15 So the Heritage Forum meets four times in a year and is 15:04  
16 responsible for drawing up a work plan which basically  
17 is the implementation vehicle and I facilitate that  
18 process to the Heritage Office.

19  
20 For the funding for the Heritage Plan, the Heritage 15:05  
21 Council have set up a specific fund for County Heritage  
22 Plans so once a Heritage Plan is adopted the Heritage  
23 Council consider this as a strategic five-year funding  
24 plan. The Heritage Plan typically has a fund of  
25 between 25- and 30,000 gets allocated by Wicklow County 15:05  
26 Council and that's matched by the Heritage Council.  
27 Also, of course, we always look to leverage additional  
28 funding and through the last two heritage plans that  
29 has included in EU funding, funding which people like

1 Geological Survey of Ireland, and funding with the  
2 likes of UCD and some of our ecological programmes,  
3 leader funding, Inland Fisheries and of Course Bird  
4 Watch Ireland. So we do a lot of collaborations with  
5 those kind of bodies.

15:05

6  
7 So the plan, as I say, you've seen it there. It has  
8 five key objectives and under each of those objectives  
9 there's a series of actions. I won't go into in too  
10 much detail but I'll just go through some. I suppose  
11 the first action there is all about raising awareness  
12 and enthusiasm for heritage in Wicklow and that  
13 includes, I suppose, that's an activity we have been  
14 very much involved in in the last two heritage plans so  
15 things like having events, using a website content,  
16 publications, promotional activities, all that kind of  
17 stuff.

15:06

15:06

18  
19 Objective 2 is about increasing the understanding of  
20 the value of heritage and that's really about adding  
21 added value to some of our existing initiatives by  
22 adding heritage to them. So that would involve  
23 including heritage interpretation for some of our  
24 trails and greenways, about developing heritage-themed  
25 trails, and about looking at things like our access to  
26 our monuments and how that can be improved and about  
27 developing facilities for our heritage collections.

15:06

15:07

28  
29 Objective 3 there is about promoting the conservation

1 and management of wicklow's heritage and that's all  
2 about promoting best practice. So really about  
3 developing conservation plans for sensitive landscapes  
4 in wicklow; developing best practice for things like  
5 historic graveyards, liaising with OPW National 15:07  
6 Monuments; encouraging the implementation of the  
7 Historic Towns Initiative by the Heritage Council in  
8 towns and villages in wicklow. So all that kind of  
9 green infrastructure and about implementing the  
10 objectives of the All Ireland Pollinator Plan as well 15:07  
11 and our objectives in the local authority for that.  
12 So objective 3 is all about that kind of area.

13  
14 Objective 4 is about facilitating partnership and  
15 active participation in heritage. And that's really 15:08  
16 things like we have a number of partnerships going now,  
17 we'll say things like with UCD with the Glendalough  
18 Heritage Forum with some of the adopted monument  
19 groups, with citizen sign initiatives. Those kind of  
20 things. 15:08

21  
22 Then objective 5 is about recording heritage and  
23 disseminating that information. That's really about  
24 recording -- we've specific actions in there about  
25 making our heritage publications more accessible and 15:08  
26 ensuring that they're in print. So we've produced  
27 quite a lot of publications and reports and documents  
28 over the years so it's about making them accessible on  
29 the website, continuing to do that, and making sure

1 that they're in print, about carrying out oral history  
2 and doing more oral history recording, doing a geology  
3 publication and then other heritage recording products  
4 that we've been doing.

5  
6 That just really, the final slide just gives you a bit  
7 of the timeline about what's been involved. I suppose  
8 the Heritage Forum was set up back in 2015. From that,  
9 in the space of last year we've been doing public  
10 consultation where we had consultation, we had 31  
11 different submissions received. We've been working  
12 through those in the Heritage Forum throughout last  
13 year up to this year. This plan has been presented to  
14 the Planning SPC and has been brought before you today  
15 based on that. We are now on the stage that if it's  
16 adopted as a draft today it will go out to public  
17 consultation and it's proposed that we will have  
18 meetings, at least one meeting in each of the Municipal  
19 Districts and that we'll have a consultation period now  
20 till the end of September and then we'll bring it back  
21 to the full Chamber again before the end of the year  
22 for adoption. Thank you.

23 **CATHAOIRLEACH:** Thank you, Deirdre. Cllr. Stephen  
24 Matthews.

25 **CLLR. MATTHEWS:** Thanks, Chairman. Deirdre, I want to  
26 thank you and the Heritage Forum Team for putting this  
27 document together and preserving and looking after our  
28 natural environment and our biodiversity and our  
29 heritage built environment. Some of the most important

1 things and one of the areas within the Council that we  
2 still have control over.

3  
4 I'm particularly interested in the All Ireland  
5 Pollinator Plan, which you've included in that. 15:10  
6 Anybody involved in farming or growing or agri-foods,  
7 or anything will be aware of the problems that we're  
8 having in that area. So I'm glad to see that included  
9 in it and I hope we can take some steps through works  
10 we do, through the local engineers, to make 15:10  
11 improvements for that part of the plan.

12  
13 But I think it's very good and I'd like to propose,  
14 Chairman, that we adopt this and put it out to public  
15 consultation. Thank you, Deirdre. 15:10

16 **CATHAOIRLEACH:** Thank you. Cllr. Tommy Cullen.

17 **CLLR. TOMMY CULLEN:** I want to, first of all,  
18 congratulate Deirdre on the very hard work she does and  
19 we very limited resources, it must be said, but she has  
20 created a working blueprint on heritage in Wicklow 15:11  
21 which is very important. I think it's a tribute to  
22 Wicklow County Council that we did appoint a heritage  
23 officer in the first place. But I do think the  
24 Heritage Office needs more resources. I think the onus  
25 now is on each elected representative, if this goes out 15:11  
26 for draft, to bring issues of local heritage and their  
27 own local knowledge to the attention for inclusion in  
28 this plan. Because we all have information going back  
29 for generations that perhaps is not too familiar and

1 it's quite important that we do that. I think  
2 particularly now, the significance of the historical  
3 heritage of wicklow has been completely underestimated  
4 by National Government down through the years because  
5 we now look at the huge investments in Mayo for the 15:12  
6 Coillte fields over there and now it turns out that  
7 they're 4,000 years younger than they were and yet  
8 they've got millions of pounds in State funding.

9  
10 Chairman, you raised the issue here, at our last 15:12  
11 meeting, about Baltinglass being the hill fort capital  
12 of Ireland, which I agree with, and there has been  
13 studies done that in fact west wicklow is probably the  
14 oldest settled Celtic heritage in all of Ireland and it  
15 is completely being under-investigated and 15:12  
16 underresourced in that investigation and can open up  
17 huge tourist attractions for the area. I think in  
18 fairness to the west wicklow, west and south wicklow  
19 and Baltinglass area, we have taken steps to produce  
20 that heritage document. I think we should all now try 15:13  
21 and, as Deirdre said, meet with Deirdre and bring to  
22 her issues, issues relating to areas of west wicklow.

23  
24 I will congratulate her and will second her proposal to  
25 put it out on public display and we'll take it from 15:13  
26 there, Chairman. Thank you.

27 **CATHAOIRLEACH:** Thank you. Anyone else? Okay. Thank  
28 you, Deirdre.

29

1 Item 7: To consider the Burial Ground Policy Review  
2 2017 (report attached). I would like to welcome  
3 Helena Dennehy.

4 **MS. DENNEHY:** Good afternoon members. A report has  
5 been circulated to all members in relation to proposed 15:14  
6 policy in the burial grounds around the County. Just a  
7 bit of background information for members.

8  
9 In total Wicklow County Council look after 46  
10 graveyards countywide. There is different policies and 15:14  
11 procedures happening in all of those graveyards. About  
12 12 or 14 months ago I came before the members and  
13 suggested that a policy be put in place countywide.  
14 From that a Sub-Committee was formed which represented  
15 all Municipal Districts so there was a representative 15:14  
16 on that Committee which fed back to the MDs.

17  
18 From that, the policies were put before the  
19 Sub-Committee, changes were made and recommendations  
20 then were processed through the Water and Environment, 15:15  
21 Transportation and Roads SPC. So before you today you  
22 have 12 suggested policies going forward. They have  
23 been recommended by the Sub-Committee and also  
24 recommended by the SPC for your approval today.

25 **CATHAOIRLEACH:** Okay, members. Cllr. Murphy. 15:15

26 **CLLR. MURPHY:** Yeah, this has been, I suppose, a very  
27 sentimental subject for all the Municipal Districts as  
28 has been expressed over a few months. As we have said  
29 in Arklow Municipal District over many meetings of such

1 issue, that each area has a different culture. I know  
2 it's probably very hard to bring some things in line  
3 but just one thing last night as I was studying over it  
4 last night, there was two things that I just wanted to  
5 question and maybe query in the sense of plastic 15:16  
6 wreaths. I just find strange that we, as Councillors,  
7 can dictate to people what they put on the grave. I  
8 just find that that very insensitive. And also, I know  
9 in Arklow and our other municipals, Councillors here  
10 behind me has had many, many phone calls, in the last 15:16  
11 year particularly, about the lack of maintenance in  
12 Arklow Graveyard due, I suppose, to the lack of schemes  
13 being, you know, non-existent anymore.

14  
15 And even only last Friday I got one from a very upset 15:16  
16 person who has said like she goes up, she cleans her  
17 family grave but around her there's other graves that  
18 have no people attending and like she's sitting there,  
19 you know, pulling their weeds or whatever. But, I know  
20 it's not easy, it's not an easy subject for all our 15:17  
21 Municipal Districts but I just think we, as County  
22 Council, have to have some responsibility in  
23 maintaining the graveyards, and especially for people  
24 who are buried there and have no families.

25 15:17  
26 I am questioning the plastic wreaths. I certainly do  
27 not want to dictate what people put on their graves.  
28 Absolutely not.

29 **CATHAOIRLEACH:** Thank you. Cllr. McDonald.

1           **CLLR. McDONALD:** Thank you, Cathaoirleach. I just have  
2 a couple of questions on the different policies. Can I  
3 start with the locals only policy. We discussed it at  
4 the SPC meeting last week and I think by and large the  
5 8 kilometres, it was agreed that it is, you know, it 15:17  
6 would be enough -- you couldn't undertake the 8  
7 kilometres for the locals only point. There was a  
8 couple of incidents where people in different  
9 graveyards around, they're very rural areas in County  
10 Wicklow would be a bit more than 8 kilometres from any 15:18  
11 graveyard and Helena did say that we would take those  
12 circumstances into consideration. If we were to adopt  
13 this policy I'd like to see that put, that specific  
14 detail put into the policy that it would be looked at  
15 and could be looked at because I know places up around 15:18  
16 the very south of the County and probably over in the  
17 west, you could be talking 9 or 10 kilometres from a  
18 graveyard for people so where do they get buried?  
19 There might not be a graveyard 8 kilometres close to  
20 them. 15:18

21  
22           The second one was around the costings of the graves.  
23 There are three, I think it was three specific  
24 graveyards where VAT is paid on the graveyards. I know  
25 they're new developments. Could we just get maybe a 15:18  
26 bit of an explanation around the whole VAT and why it  
27 is paid and why it's not paid.

28  
29           I would just echo what Clr. Murphy said. The lawned

1 graveyards, it's very controversial. It's going to be  
2 hard to implement it in a lot of places but I think the  
3 biggest issue, definitely in the Arklow Graveyard  
4 anyway, I don't know too much about the rest of them,  
5 is the maintenance issue. If we're going to have 15:19  
6 lawned graveyards we need to have the staff to maintain  
7 them, which we don't seem to have at the moment. Are  
8 there any plans to employ more caretakers or more  
9 schemes or more staff to keep the lawned graveyards in  
10 the condition that obviously people would like to see 15:19  
11 them in?

12  
13 If I could just get clarification on some of those  
14 issues, please.

15 **CATHAOIRLEACH:** Thank you. Cllr. Doran. 15:19

16 **CLLR. DORAN:** Thank you. I think I missed one meeting  
17 of that Committee and I didn't see, at any of the  
18 meetings that I was at, that it was unanimous to go  
19 ahead with all the items that is on our list here  
20 today. And I'm sorry but I will not and cannot vote 15:20  
21 for this recommendation.

22  
23 I cannot see why we can't leave our graveyards the same  
24 as they have been for the last hundreds of years and  
25 why we can't -- with the lawned graveyard grave, I 15:20  
26 haven't a problem with the lawn but I have a problem  
27 with the headstones. Headstones, we were, they were  
28 always known as headstones now we have them as  
29 footstones and I just cannot agree with that. That's

1 not going to happen and it shouldn't happen.

2  
3 Even if you take it to the churches, they were all  
4 supposed to be buried facing east and facing the sun  
5 and are we going to interfere in that as well, 15:21  
6 interfere in the church? Are we going to change that?  
7 I cannot support what we're talking about here today.

8 **CATHAOIRLEACH:** Okay. Cllr. Tommy Cullen.

9 **CLLR. TOMMY CULLEN:** Chairman, I'd like to agree with  
10 Cllr. Doran. I've looked at this policy and it's like 15:21  
11 the Curate's egg: It's good in parts. But there's  
12 a -- if you look at number, for instance, new  
13 extensions, well, first instance, we know in  
14 Baltinglass Graveyard there'll probably be a new  
15 extension and this policy would apply as well, it will 15:21  
16 apply to a lot of graveyards where there's going to be  
17 extensions that they would now be restricted to a  
18 lawn-type graveyard. Down the road that's going to  
19 cause a lot of difficulties for a lot of people. I  
20 think there's a fundamental problem with this is that, 15:22  
21 I will just give you an example of Rathbran Graveyard  
22 where people have been buried for two or three  
23 centuries and they've all been buried with the  
24 headstone at the head in the traditional Judea  
25 christian way of burial. And now under this policy 15:22  
26 there's a number of families not are not being  
27 permitted now to put the headstone at the head. They  
28 have been told that they have to put the headstone at  
29 the feet and people are saying no, we want to put the

1 headstone where families always put the headstone, and  
2 that is at the head. And that's why, as Cllr. Doran  
3 said correctly, they're called "headstones". I have a  
4 view, Chairman, that the vast overwhelming majority of  
5 people want to leave the burial, it's a very sacred 15:22  
6 thing to bury your dead, it's a very sacred and  
7 honourable thing to bury your dead and bury your dead  
8 with christian values that have been there since over  
9 2,000 years. I don't think we, or I certainly don't  
10 feel that I, as a Councillor, or anyone else has the 15:23  
11 right to overturn, that no County Council in this  
12 country for over 130 years has ever attempted to do  
13 that and I don't think we should be going down that  
14 road interfering. There's one thing always said, you  
15 don't interfere with the dead. 15:23

16  
17 Now, I wouldn't like anyone saying to me that you can't  
18 bury your family members only have a headstone at the  
19 foot. That's not the way it's done. And I think  
20 people should be allowed. I think it's number 12 15:23  
21 there, I think there should be an amendment put into it  
22 that where families wish that they are allowed to put  
23 the headstone at the head in the traditional manner and  
24 that is at the head, headstone at the head of the  
25 coffin, which is the normal way to do it. 15:24

26  
27 And also, Chairman, this thing about any new extensions  
28 to graveyards. And the way graveyards are filling up  
29 now, virtually every graveyard in wicklow could be

1 affected by this in the next decade, that you would say  
2 to people: 'well any new parts of the graveyard that's  
3 going to be opened up or extended now will have to go  
4 through a lawn-type thing. That's going to cause  
5 consternation.

15:24

6  
7 It's a big step and, Chairman, I would propose that,  
8 certainly an amendment there to it that where the  
9 families wish to have the traditional christian burial  
10 with the headstone at the head of the coffin, of the  
11 grave that they should be allowed to do so.

15:24

12 **CATHAOIRLEACH:** Thank you. Cllr. O'Brien?

13 **CLLR. O'BRIEN:** Chairman, which policy number is that?

14 **CLLR. TOMMY CULLEN:** I think it's 12. It could be put  
15 in there at number 12, location of headstones.

15:25

16 **CATHAOIRLEACH:** 12 is location of headstones.

17 Cllr. O'Brien.

18 **CLLR. O'BRIEN:** It's very sad to go into graveyards and  
19 see graves that were once magnificently attended to no  
20 longer being attended to, or falling into disrepair  
21 because the family have passed away. I would see that

15:25

22 as an urgent problem that needs sorting out in the  
23 Council, that we should be actually doing something  
24 about that. That there should be some policy there  
25 that where graves are not lawned graves, that they were  
26 once being tended to, sometimes you see headstones  
27 falling down, you see the whole thing has collapsed in  
28 and I've seen it year after year and there's is nothing  
29 being done. I wonder is there anything that we, as a

15:25

1 Council, could do about that?

2  
3 Secondly, the idea of lawned graveyards. A lawn is not  
4 something of daisies and dandelions stuff like that and  
5 just cut the grass. That's an another serious problem. 15:25  
6 If you're actually going to lawned graveyards you need  
7 to have a proper lawn. A lawn is grass, and grass only  
8 and needs a lot of tending and needs proper putting  
9 down and proper care. I think we're after here is  
10 giving dignity to people when they're buried, giving 15:25  
11 them the best that we can and I would like to see that  
12 if there are lawns that they're proper lawns. Thank  
13 you.

14 **CATHAOIRLEACH:** Cllr. O'Connor.

15 **CLLR. O'CONNOR:** Thanks, Cathaoirleach. I agree with 15:26  
16 much of what the other Councillors have said here today  
17 on the different areas and there are many issues with  
18 this plan that I have difficulties with. However, on a  
19 particular point, very recently Enda Kenny announced  
20 that the Traveller Community were to be recognised 15:26  
21 formally as an ethnic group in the State. Now, I don't  
22 believe this plan recognises the specific traditions of  
23 the Traveller Community in the realm of burial rights  
24 and the way they carry out their burials. I think  
25 there are major difficulties with this plan and one of 15:26  
26 them is that it has not recognised the particular way  
27 that traveller families bury their loved ones and i  
28 think that is something that has to be incorporated  
29 into it. Thanks, Cathaoirleach.

1           **CATHAOIRLEACH:** Cllr. Ruttle.

2           **CLLR. RUTTLE:** Just on this issue. Now I'm not a  
3 member of the Committee so I don't know. Is this based  
4 on where the headstone is or is it the way people are  
5 buried, which way around they're buried? Because as 15:27  
6 Cllr. Cullen and I think Cllr. Doran pointed out, it is  
7 traditional in the christian tradition to bury, on the  
8 day of resurrection you'll face the rising sun, and the  
9 only exception would be all clergy are buried the other  
10 way so they face the congregation. Is that what you're 15:27  
11 saying, you're going to start it the other way round?  
12 I want clarification on that because I'm not a member  
13 of the Committee. Are you rejigging the whole  
14 orientation of the coffin regarding the head and feet,  
15 or are you talking about the headstone and where it is? 15:27  
16 Because if you're changing the orientation you're  
17 getting into big stuff there, you know. It's  
18 approximately 2,000 years of tradition going forward,  
19 you know, and certainly I know clergy are the only  
20 people, because they're meant to face the congregation 15:28  
21 on the day of resurrection. So maybe we'll get  
22 clarification on that.

23           **CATHAOIRLEACH:** Thank you. Cllr. Behan.

24           **CLLR. BEHAN:** Thanks, Chairman. When this topic  
25 initially came up probably about two years ago, I did 15:28  
26 make the point that it's one of the most sensitive  
27 areas that I think we will ever have to deal with is  
28 how we respect the memory of those who have passed on.  
29 And certainly I would have had serious criticism about

1 measures that were taken in relation to Springfield  
2 Cemetery a number of years ago with regard to people  
3 who did not leave their graves fully, if you like, just  
4 with a lawn in front of them and they did put memorials  
5 on them and there was a proposal that all of those 15:28  
6 items were going to be forcibly removed by the Council  
7 if the people didn't remove them themselves. It caused  
8 a huge amount of upset and stress for many of those  
9 families. I have to say one aspect of this plan that I  
10 welcome is that it has been agreed that that will 15:29  
11 cease, in other words that there will be no effort  
12 made, in Springfield Cemetery, to remove forcibly, or  
13 any other way, memorials that have been placed by loved  
14 ones for people who are buried there. So I welcome  
15 that. 15:29

16  
17 I also welcome the fact that we made a decision in  
18 principle, or sorry, not we because I was only just on  
19 the advisory committee, the SPC are making a  
20 recommendation to this meeting that we would develop 15:29  
21 urn walls, columbarium walls, as they're officially  
22 called, in each of the five Municipal Districts to  
23 allow people to, I suppose, put the urn of their  
24 remains, their ashes, remains of their loved ones in a  
25 sacred part of the graveyard but not in a grave, which 15:30  
26 from a financial point of view would be a lot easier  
27 for people and also, because many people now are  
28 choosing to be cremated.

29

1 Another part of this proposal is that we get ahead and  
2 develop those and that the Bray Municipal District  
3 would be the first area where this would be done  
4 because Bray Municipal District have provided funding  
5 under their Capital Levies Programme for this to be 15:30  
6 done. And that is supposed to be done this year, 2017.  
7 I haven't seen any sign of any plan or drawing or  
8 anything for it yet, but I sincerely hope that it is  
9 going to happen in 2017.

10  
11 I also want to pay tribute to Helena Dennehy because 15:30  
12 Helena has been given an impossible task - there's no  
13 doubt about it - in trying to bring policies that are  
14 longstanding, maybe legacies from the burial board days  
15 where different decisions and different policies were 15:31  
16 adopted in different graveyards and burial grounds. In  
17 fairness to her, she has tried to take each step  
18 logically and sequentially and tried to achieve  
19 agreement on every item. It's quite obvious that here  
20 there isn't agreement on some aspects yet, but I think 15:31  
21 her method of working is the right one. Where if we  
22 can establish that there's agreement on, let's say,  
23 one, two, three, or four, whatever the number is, that  
24 we proceed with them and then we look at the other  
25 areas. I definitely agree with everything that has 15:31  
26 been said by other Councillors representing  
27 particularly the older graveyards, that we should not  
28 do anything that would upset a tradition that has been  
29 there for countless generations.

1 And on that basis, Cathaoirleach, I think we should go  
2 very, very slowly and carefully, after all we're only  
3 here for a short time ourselves representing the people  
4 in the different areas and we shouldn't do anything  
5 that would cause great upset to people in the future 15:32  
6 for many years to come.

7  
8 One other aspect that I think is important to draw the  
9 attention of the members, and particularly the members  
10 of the Municipal Districts, in case they haven't seen 15:32  
11 this, in particular, we had to discuss in the Bray  
12 Municipal District Area the whole question of Cork  
13 Abbey, Woodbrook Glen and Old Conna. Technically  
14 they're in the Dun Laoghaire/Rathdown Area but there  
15 would be quite a few people with Bray connections 15:32  
16 living in those areas. So one of the proposals we had  
17 put, or has been put to the members is that those  
18 particular three parts of just the outskirts of Bray  
19 are integrally part of North Bray would also have the  
20 right to apply for a burial space in Springfield in 15:32  
21 Bray.

22  
23 The last point I'd make is that the pricing mechanism  
24 is done in such a way as not to encourage, let's say, a  
25 lot of people coming into Bray because the sale of 15:33  
26 spaces is so much more expensive in the Dublin area.  
27 So there's kind of a balance that has to be struck as  
28 to how that is done.

29

1 But, Cathaoirleach, I think I'd welcome aspects of it  
2 but I do think the most important thing is that we take  
3 our time and we do it so that we have as near as  
4 possible to full agreement on whatever is decided.  
5 Thank you, Cathaoirleach. 15:33

6 **CATHAOIRLEACH:** Thank you. Cllr. O'Neill.

7 **CLLR. O'NEILL:** I too, like Cllr. Behan, I know Helena  
8 has a difficult job with this issue. I was in Rathbran  
9 at the weekend at the Blessing of the Graves there  
10 Sunday, you know, people are paying €800 for a grave 15:33  
11 plus I think about €300 for a space for a headstone and  
12 it's a christian tradition to be, it is not only the  
13 headstone as such, it's to be buried with your feet  
14 facing the sun. And throughout every graveyard in the  
15 country, for thousands of years, people have been 15:34  
16 buried with their feet facing the rising sun and that's  
17 the way the people of Stratford want it and people are  
18 saying to me that they's are not going to put a  
19 headstone in that being the case. But I looked at the  
20 graves in Stratford the weekend and I think there's an 15:34  
21 easy solution to it. I think there's plenty of space  
22 there. I think there's about 12 foot of a stretch from  
23 one pavement to the other so it would mean that the  
24 headstone could be erected at the head and the person  
25 could be buried with the feet facing the rising sun. 15:34  
26 So, again, now, I didn't have any update reports on the  
27 rest of the County, but I think it's the general policy  
28 of the department to kind of eliminate smaller  
29 graveyards. Again now in rural Wicklow, rural Ireland,

1 you know, that's not really acceptable. People want to  
2 be buried near their home. They don't want to be  
3 brought to the nearest biggest town. I've argued for  
4 the case of the Leitrim Graveyard in the Glen of Imaal.  
5 The graveyard is full as it is but there's a huge area 15:35  
6 there surrounding that for further development, I  
7 really believe. Also, in Blessington Graveyard, if  
8 there's a line of trees to be removed, and if that's  
9 done there's space for another one hundred plots. I  
10 think it's very important that we look at it from the 15:35  
11 point of view that local people, whether it be Glen  
12 ard, the Glen, Stratford, people want to have their  
13 loved ones buried nearby and I think that's what we  
14 have to consider.

15 15:35  
16 I would agree with Cllr. Doran there too that in rural  
17 Ireland, rural Wicklow people want to be, they want  
18 their own plot. They'll pay dear enough, they'll pay  
19 heavy enough. It's going to cost over a grand for a  
20 single plot in Rathbran. So I don't think a lawned 15:36  
21 cemetery is absolutely essential. People would like to  
22 get the graves and like to tend to graves and look  
23 after their graves.

24 **CATHAOIRLEACH:** Thank you. Cllr. Blake.

25 **CLLR. BLAKE:** Thanks, Cathaoirleach. I, too, would 15:36  
26 like to compliment the Committee and Helena for the  
27 work they have done as regards this. It's been a very  
28 contentious issue for a number of years and I'd concur  
29 with the members in relation to thanking them for the

1 work they have done.

2  
3 There's one issue that I had always contention with and  
4 that was, and I think Cllr. Behan has alluded to it  
5 there as well, and that is where the borders come into 15:36  
6 it, particularly with, well he has in Dublin but we are  
7 Kildare and Carlow as well where parishes crisscross  
8 and we had a problem there that people from outside the  
9 County were actually looking to be buried in graveyards  
10 in the County and I think the 8 kilometres does address 15:36  
11 that issue and I'd welcome that in that regard.

12  
13 The one thing think I do have issue with, and that is  
14 in relation to Knockananna. I know we've had problems  
15 there in the past and there's very limited space for 15:37  
16 any additional graves in it, but to put in a comment in  
17 it that Wicklow County Council will not be considering  
18 an extension at this location, I think we should  
19 actually withdraw that out of it, particularly in  
20 regards to the fact that Knockananna is the only 15:37  
21 village in Wicklow that is actually the CLÁR area and  
22 we have been getting additional funding on that  
23 programme over the last couple of years that has helped  
24 out Knockananna as a village and I think there's an  
25 opportunity there for us that we could apply, as a 15:37  
26 local authority, for funding to carry out some work  
27 there, maybe into the future, and it might be of no  
28 significant cost to the Council whatsoever. So rather  
29 than actually putting in that we will not be involved

1 in any additional extensions of Knockananna Graveyard I  
2 think we should actually leave it out of it and  
3 hopefully you might be able to get funding from  
4 additional quarters into the future. Thanks very much,  
5 Chairman.

15:37

6 **CATHAOIRLEACH:** Thanks. Cllr. Kennedy.

7 **CLLR. KENNEDY:** Thank you, Cathaoirleach. And, Helena,  
8 that's for bringing this document to us. It's a very  
9 sensitive issue. It's an issue, I think, that faces  
10 everybody. But I suppose I have looked at a lot of the  
11 rural graveyards, especially in South Wicklow and I  
12 think probably the 8 kilometres does cover most of  
13 them, with the exception of Greenan Graveyard. As you  
14 know, Greenan Graveyard is in the Glenmalure Valley.  
15 It's a glacier valley. It's a long valley. And there  
16 are a number of houses at the end of that valley and if  
17 this rule was to come into being, those houses would  
18 have to be, people in those houses would have to be  
19 buried in Leitrim Graveyard in the Glen of Imaal, which  
20 is 40 kilometres away.

15:38

15:38

15:38

21  
22 Now I know it's probably a unique situation but I will  
23 be proposing an amendment to this document in a few  
24 minutes but I have to make sure that the rural people  
25 are buried in the graveyard that they're associated  
26 with. So I'll leave it for a moment until we start  
27 coming to the proposed amendments and I will be  
28 proposing an amendment Cathaoirleach, to that in a few  
29 minutes. Thank you.

15:38

1           **CATHAOIRLEACH:** Thank you. Cllr. Seamus Cullen.

2           **CLLR. SHAY CULLEN:** Again, I would just like to  
3           compliment Helena on the work she's done on this. It's  
4           obviously, as members have said, it's a very sensitive  
5           issue, the whole area around graveyards and families. 15:39  
6           But I suppose my concern is the distance, having to  
7           live within 8 kilometres of the graveyard. I'm nervous  
8           and concerned about putting distances and I would ask  
9           the question: If there was no distances would it make  
10          a huge difference with families wanting to be buried in 15:39  
11          their graveyard of choice? Now I know there is some  
12          graveyards with limited space but I'm primarily looking  
13          at the Wicklow Municipal Districts where I don't think  
14          space is a major issue and I do have an issue with the  
15          8 kilometres. 15:40  
16

17          I know one particular family, and I'm just using it as  
18          an example, where they would have been originally from  
19          Wicklow and their family would have moved to  
20          Newtownmountkenedy and that, in my opinion, prohibits 15:40  
21          the members of that family being buried in  
22          Newtownmountkenedy. As far as I'm aware, they would  
23          have to be buried in Wicklow or Rathnew Graveyard. So  
24          I do have issues with the distance. I know it's very  
25          hard to get a situation that suits everybody. But I do 15:40  
26          go back and ask the question again: If there was no  
27          distance would it make any difference, particularly in  
28          the Wicklow Municipal Districts? Thank you.

29          **CATHAOIRLEACH:** Cllr. Jennifer Whitmore.

1           **CLLR. WHITMORE:** Thanks very much, Chair. I think as  
2 my colleagues have spoken in depth about it, this is a  
3 very sensitive issue and it's also a very personal one  
4 and each family, you know, will have their own  
5 traditions and I welcome the fact that the urn wall has 15:41  
6 been proposed for each of the districts because I think  
7 it just provides families with an additional option  
8 that isn't available at the moment.

9  
10           I was just wondering whether any consideration had been 15:41  
11 given to also providing a natural burial ground because  
12 I think this is something that some families might, you  
13 know it's obviously not an traditional burial ground  
14 but it would provide additional options to people,  
15 people who may not be as religious as others and I 15:41  
16 think it's something that as a Council we should be  
17 looking into.

18           **CATHAOIRLEACH:** Thank you.

19           **CLLR. TOMMY CULLEN:** Chairman, what's a natural burial?

20           **CLLR. WHITMORE:** There's one in Wexford. Essentially 15:41  
21 you get buried in the ground and you could have a tree  
22 planted on you so that the purpose is that the burial  
23 ground reverts back to woodland or a meadow and it's  
24 somewhere you can be buried and you can be remembered  
25 but you wouldn't have any specific headstones and 15:42  
26 there'd be no specific mention of you *per se* but that  
27 you are in there and your family can visit you there.  
28 It's very successful in Wexford. So it's just an  
29 additional option for people who may not be of a

1 particular religious faith but they would, obviously,  
2 want to be somewhere where they can be remembered in a  
3 nice location.

4 **CATHAOIRLEACH:** Last but not least, Cllr. Fitzgerald.

5 **CLLR. FITZGERALD:** Yeah, just as a member of the 15:42  
6 Sub-Committee and the SPC, I just want to commend  
7 Helena for the work she's done and it's a very emotive  
8 issue.

9  
10 Just can I clarify with regard to getting buried facing 15:42

11 the sun. My parents are both buried in Arklow  
12 Graveyard, so are my other relatives. They don't face  
13 the sun in Arklow. They face north. Most graves and  
14 that graveyard was opened back in the sixties or  
15 seventies and we now have reverted, because of a lack 15:43  
16 of space, to a lawned cemetery and it's not very easy  
17 to speak about it, but the head is at the headstone.

18 The headstones back on to each other so it's a lawned  
19 cemetery. So there was some opposition to it and  
20 people, there was a difficulty there with kerbing and 15:43  
21 maybe at times people thought that was going to be  
22 removed. But as Cllr. Behan said, there was agreement  
23 in Springfield, I think you said, Cllr. Behan, and the  
24 same thing in Arklow, that that won't be removed. It's  
25 a very emotive issue. 15:43

26  
27 How can you operate a lawned cemetery, I'm not sure, if  
28 all the bodies are facing towards the east? I'm not  
29 sure how that will operate. I don't know the

1 particular cemetery in Rathbran, is that the name of  
2 it? Rathbran. I don't know the cemetery but I do know  
3 a lot in South Wicklow and I do know in my home town of  
4 Arklow, most of the burials are north facing, except at  
5 the walls who would face west and east. 15:44

6  
7 So it's not a common policy to be buried facing the  
8 sun. It's not a christian -- you're saying it's  
9 christian, we mustn't be very good in Arklow! But the  
10 bodies are faced in Arklow, north, isn't that right, 15:44  
11 Mary, in the cemetery? At the walls, right, so I don't  
12 know that and I go to other cemeteries outside of  
13 Arklow, to rural areas in Wexford and I don't think  
14 that's a policy. So in saying that, people are  
15 entitled to their ideas. I was very unhappy when the 15:44  
16 lawned cemetery went in in Arklow. As I, say about 60  
17 to 70% of people didn't put down surround, others did  
18 and that's the way it is, but there will be no change  
19 in that policy when that graveyard is finished which is  
20 about nine years' time. But it's up to the members to 15:45  
21 agree. I think there's 12 policies there and I think  
22 obviously there's an agreement on a lot of them but, as  
23 I say, it's a very emotive issue. It's not one I like  
24 talking about, to be quite honest about it, but, look  
25 it, I have no difficulty with lawned cemetery if they 15:45  
26 are operated right. But I do take the views on board  
27 here of Cllr. O'Brien, they need to be maintained. I  
28 mean sometimes you see the lawned cemetery and you'd  
29 get a crop of hay off them. So that's the way it is.

1 I mean, my view on it is quite simple: If the members  
2 agree that the bodies should be buried in a certain way  
3 so be it.

4 **CLLR. TOMMY CULLEN:** I think the point to make, about  
5 having the headstone at the head not about which way -- 15:46  
6 having the headstone at the head, which is the  
7 traditional way of burial, irrespective of which  
8 direction but have a headstone at the head. I think  
9 that's quite a minor amendment actually. I think it's  
10 important to families because families now -- we have 15:46  
11 instances of families who are now not putting up a  
12 headstone and they're waiting for the outcome of this  
13 meeting because they feel so strongly about it that  
14 they want to bury their family in the normal christian  
15 way and I don't think that's a huge ask in that. 15:46

16 **CATHAOIRLEACH:** We'll let Helen into come in and then  
17 we can see what comments people want to come back with.

18 **MS. DENNEHY:** Just some of the easier points first.  
19 Just a few Councillors brought up in relation to  
20 maintenance. Item number 11 is dealing with 15:46  
21 maintenance and the proposal is that at budget time in  
22 September or October, so budget 2018, that each MD  
23 would look at an increased budget for maintenance  
24 within their relevant Municipal District.  
25 15:47

26 Cllr. Murphy, as regards plastic wreaths, I haven't had  
27 any information or knowledge in relation to what that  
28 might be and I will talk to you separately in relation  
29 to it.

1 The locals only policy. I suppose just to confirm in  
2 relation to that. The idea behind the locals only  
3 policy is that when spaces are running low within a  
4 graveyard this locals only policy would kick in. So  
5 what we're trying to say is, in those rural, small 15:47  
6 graveyards where you have maybe less than 20 spaces you  
7 might then reserve it for locals only. So that's where  
8 your 8 kilometres is going kick in at that stage. Now  
9 there is a two-tier pricing system at the moment so the  
10 two-tier pricing system relates to if you are local 15:47  
11 within that 8 kilometres it would be one price and  
12 outside 8 kilometres would be a different price. The  
13 main idea about the locals only would be that it would  
14 kick in when you have low space left within a  
15 graveyard. 15:48

16  
17 The idea of traditional christian burial. Again, just  
18 to point out in relation to that. In Wicklow County  
19 Council, as I mentioned, we have 46 graveyards; 34 of  
20 those active burials. Within those 34, 14 graveyards 15:48  
21 operate a type of lawned cemetery type cemetery. So in  
22 those 14 graveyards headstones are back-to-back.  
23 Headstones remain back-to-back in those 14 and in all  
24 of those 14, this one issue in Rathbran is the first  
25 time it has ever come up. So just to clarify that. 15:48

26  
27 Natural burial ground. Cllr. Whitmore, again that's  
28 something that hasn't been considered but we'll look  
29 into it for future graveyards.

1 Again, Cllr. Cullen, just in relation to a possible  
2 Wicklow family now living in Newtown, again that  
3 wouldn't come into play unless there was a shortage of  
4 space in the adjoining cemeteries.

15:49

5  
6 Cllr. Blake, just in relation to Knockananna, what I've  
7 included in Knockananna at number 8 is that we, as  
8 Wicklow County Council, have looked into an extension  
9 at Knockananna previously. We cannot source land in  
10 Knockananna, it is church land, but if the church wish  
11 to develop a graveyard we could work with them.

15:49

12 **CLLR. BLAKE:** Could I just ask you to exclude the  
13 wording that "*Wicklow County Council will not consider*  
14 *an extension at this location.*" Could I just ask you  
15 to leave that out, that will facilitate you.

15:49

16 **MS. DENNEHY:** Again, it's not Wicklow County Council  
17 who will be developing a graveyard in Knockananna, it  
18 would be the church. We can work with them but it  
19 won't be us developing it.

20 **CLLR. BLAKE:** I think I said to you as well it's the  
21 CLÁR area, it's the only village in Wicklow that's in  
22 the CLÁR area, we might be able to apply for funding  
23 there but it will have to come through Wicklow County  
24 Council. I'm just asking you to leave that wording  
25 out.

15:50

15:50

26 **MS. DENNEHY:** Cllr. O'Neill, you mentioned Leitrim  
27 Graveyard and that further development should be  
28 applied in Leitrim Graveyard. Again, we sought to  
29 extend Leitrim Graveyard about two to three years ago

1 and were turned down by the Department of Environment,  
2 as in relation to the heritage and previous, move away  
3 from existing burial grounds.

4  
5 The urn wall. Cllr. Behan, the urn wall, yes, five urn 15:50  
6 walls are agreed. The first one, the revised plans in  
7 relation to Springfield are currently being drawn up.  
8 It was discussed by Bray Town Council members a couple  
9 of years ago, three or four years ago. Plans are in  
10 place so it's just a revision and a tweak of those 15:51  
11 plans that are currently place.

12  
13 Arklow has been confirmed for the Arklow Municipal  
14 District.

15 15:51  
16 Rathnew Cemetery has been confirmed for the Wicklow  
17 Municipal District and I am still awaiting from the  
18 elected members, a nominated graveyard for Greystones  
19 MD and Baltinglass MD.

20 **CATHAOIRLEACH:** Cllr. McDonald said about the VAT 15:51  
21 issue, why is there VAT in a graveyard.

22 **MS. DENNEHY:** Yes, costings in relation to that. So  
23 where you develop lands, the cost of the VAT is payable  
24 on the development of those lands and, therefore, there  
25 is a set period - and again I just have to confirm this 15:51  
26 with Finance - but there's a set period that the VAT is  
27 then chargeable in relation to that land. Seven years,  
28 I'm thinking seven years that you have to charge it but  
29 I'll confirm the year. So where you've developed, you

1 have to charge VAT on that development.

2 **CATHAOIRLEACH:** Could I say in relation to that, that I  
3 think everyone should be charged equally, so in the  
4 event where there's VAT that they get a lower price.

5 **MS. DENNEHY:** Again, it's because we were in a position 15:52  
6 that we were able to recoup the VAT on the cost, you  
7 then have to charge the VAT.

8 **CATHAOIRLEACH:** I understand that, but I still think  
9 everyone should be treated equally in terms of the  
10 price of a grave. 15:52

11 **MS. DENNEHY:** Okay. That VAT applicable applies to  
12 three developments which is Rathbran, Castlemacadam,  
13 and Manor Kilbride.

14 **CLLR. McDONALD:** They're new developments.

15 **MS. DENNEHY:** They're new developments. 15:52

16 **CLLR. McDONALD:** Any new development that comes on  
17 board are going to be charged VAT?

18 **MS. DENNEHY:** Yeah. I think I've covered everything.  
19 I don't know if I have.

20 **CATHAOIRLEACH:** Cllr. Vance wants to come in. 15:52

21 **CLLR. VANCE:** Yeah, just a point of information,  
22 Chairman. It says here in policy item 5 that the  
23 Council continue to operate lawned cemeteries as it is.  
24 No change, no change to existing guidelines. But did I  
25 hear that situation in Springfield in Bray is going to 15:52  
26 be left as it is with numerous surrounds? Like given  
27 that 90%, I think, of people in Springfield are  
28 compliant with lawned cemetery, there's probably 10% or  
29 even less than 10% in regard to having surrounds and

1 various things like that over the years that they put  
2 in, despite the fact that it's always been regarded a  
3 lawned cemetery. Is that policy changed or who is  
4 recommending or who changed that policy if it is going  
5 to be a change? Could you answer me that because I'm 15:53  
6 not aware of that because there was controversial a  
7 number of years ago in regard to that and  
8 Cllr. O'Connor is concerned about the ethnic groups  
9 that come in. I'm just concerned that if that is the  
10 policy then, or if that is the recommendation of the 15:53  
11 Committee that these graves be left the way they are,  
12 what is going to happen to new people that come in  
13 there and who demand the same type of structures on  
14 their graves as what exists at the time? How are they  
15 going to be treated? Are they going to be treated in 15:54  
16 exactly the same way, or if an ethnic group come in and  
17 decide that they should be treated different than  
18 everybody else in the graveyard, because the graveyard,  
19 to my knowledge anyway, is not a segregated graveyard.  
20 It doesn't matter who they are, from whatever ethnic 15:54  
21 group they are, they get a grave and I think they're  
22 buried the same as everybody else. I'm just concerned  
23 about, like, the differences that are being offered to  
24 some people than an ordinary people who just want a  
25 grave in a lawned cemetery, that they're treated 15:54  
26 equally to other people who seem to be getting  
27 whatever, to go against the rules of a particular  
28 cemetery, get rewarded by allowing the surrounds to be  
29 kept there and where other people who have abided by

1 the law see this particular thing happening and is it  
2 going to continue? Could I have answers to them  
3 please? Please?

4 **CATHAOIRLEACH:** Cllr. O'Brien.

5 **CLLR. O'BRIEN:** I asked the question about graves 15:55  
6 falling into disrepair and I would propose that a plan,  
7 irrespective of whether they're church-owned or  
8 council-owned, I would propose that a plan be put in  
9 place to sort this problem out immediately. It's very  
10 upsetting to go in and see the graves in such a state, 15:55  
11 you know. I propose that a plan be put in place to  
12 sort this out immediately.

13 **CATHAOIRLEACH:** Cllr. Murphy.

14 **CLLR. MURPHY:** Yeah, I just want to go back to Helena  
15 but my issue about the plastic, artificial wreaths. 15:55  
16 It's here in the form where, address a person who gave  
17 instructions for erection of the monument. And just on  
18 the last line it says:

19  
20 *"The use of trees, shrubs, plants, vases, artificial 15:55*  
21 *wreaths and other obstructions on the surface of the*  
22 *grave area is strictly prohibited and Wicklow County*  
23 *Council reserve the right to remove any such items*  
24 *without notice."*

25 **CATHAOIRLEACH:** Thank you. Helena, do you want to come 15:56  
26 back?

27 **MS. DENNEHY:** Again, Cllr. Murphy, just in relation to  
28 the plastic wreaths, that's in a lawned type cemetery  
29 that no items will be permitted on the lawn area of the

1 cemetery.

2 **CLLR. MURPHY:** I still would object to that, we do not  
3 dictate to what people put on their lawn and we  
4 certainly do not have the right to remove it.

5 **MS. DENNEHY:** Cllr. O'Brien, in relation to headstones 15:56  
6 in graveyards, I suppose, as a local authority we're  
7 struggling to keep up with maintenance in graveyards, I  
8 don't see us maintaining headstones. That would be a  
9 family issue.

10 **CATHAOIRLEACH:** Cllr. Vance's point? 15:56

11 **MS. DENNEHY:** Cllr. Vance, just in relation to number  
12 5. This is lawned cemeteries. Okay. What was agreed  
13 by the sub-committee was that where an existing  
14 cemetery is considered lawned-type cemetery, it would  
15 continue to be a lawned cemetery but that we would not 15:57  
16 be in a position to go back and remove illegal  
17 surrounds, et cetera, that have already been erected.  
18 That going forward we would hope and we would notify  
19 members of the public if it continues to be a lawned  
20 cemetery and would ask people to obey by those rules. 15:57

21 **CLLR. VANCE:** You haven't answered my question. What  
22 if somebody else decides or wants to put in a very  
23 similar operation now?

24 **MS. DENNEHY:** Well, again we would be saying going  
25 forward that there is no surrounds permitted in those 15:57  
26 lawned-type cemeteries.

27 **CLLR. VANCE:** I'm just saying, say, what is going to  
28 happen if somebody else comes in and demands the same  
29 service that other people have had? How is that going

1 to be handled? I think it's a legitimate question. Or  
2 like what Cllr. O'Connor raised the subject, ethnic  
3 groups that feel that they can do this, you know what I  
4 mean, and get away with it, there's other people  
5 watching it that are compliant, 90%, at least 90% in 15:58  
6 Springfield, including my own parents' grave, is a  
7 lawned cemetery and I accept that. That's part and  
8 parcel of it and I think myself I support that because  
9 I think it is easier to keep and maintain and various  
10 things like that. Looks much better. But I'm just 15:58  
11 concerned about, there's a lot, this is going to come  
12 back to bite you. I certainly couldn't vote for that.  
13 You know what I mean? Like you can't have a situation  
14 where there are groups of people allowed to do  
15 something and other groups aren't and people are 15:58  
16 complying with what the cemetery is and other people  
17 aren't. I mean, you just can't do things like that.  
18 Unless, unless we have strict -- I mean I can handle  
19 the fact that there's graves there that they exist and  
20 that are there but I mean the problem is when somebody 15:59  
21 else comes in. I'm flagging this now, if somebody else  
22 comes in and I can tell you there are people that will  
23 come in and will do exactly the same thing and how are  
24 we going to handle that situation?  
25 **CATHAOIRLEACH:** Before I call in any -- 15:59  
26 **CLLR. VANCE:** This is a cop out.  
27 **CATHAOIRLEACH:** Before I call in any more members I  
28 have five lights lighting up at the moment. I'd just  
29 ask members to consider, I don't think we're going to

1 reach agreement here today, no chance. So I'll ask  
2 members to consider bringing it back once again to the  
3 SPC but I'll let the five speakers speak and see what  
4 comes out. Cllr. Cullen.

5 **CLLR. TOMMY CULLEN:** Chairman, I actually agree with 15:59  
6 Cllr. Vance there that there should be a certain  
7 uniformity in graves, whatever the policy is in a  
8 particular grave. I don't think people should be able  
9 to do what they want in a graveyard. I think there  
10 should be -- Chairman, I'm hearing what you're saying. 16:00  
11 I think, Chairman, this report should perhaps go back  
12 to the Municipals District and maybe the Municipals  
13 District should be asked to give a report for  
14 graveyards in their own municipality area and what  
15 policies they want to adopt because I think it's 16:00  
16 probably fair, and I fully support what Cllr. Blake is  
17 about Knockananna, I've relatives of my own buried in  
18 in Knockananna Graveyard and I think perhaps there's  
19 issues that deals with west and south Wicklow which  
20 aren't necessarily the same as in Bray or Greystones. 16:00  
21 So I think, Chairman, if perhaps it went back to the  
22 Municipal Districts for the Municipal Districts to  
23 maybe propose amendments for their particular area and  
24 let the other four municipal authorities come back with  
25 a similar proposal, because I think when it goes down 16:01  
26 to the grass root levels at Municipal District, they're  
27 far more informative of the municipalities than the SPC  
28 would. If that's any help to you, Chairman?

29 **CATHAOIRLEACH:** Cllr. Kennedy.

1           **CLLR. KENNEDY:** Thank you, Cathaoirleach. Helena, you  
2           didn't answer my question that I did ask you in  
3           relation to the families at the end of the valley in  
4           Glenmalure. You did, when somebody mentioned Leitrim  
5           Graveyard. If those families have to go to Leitrim           16:01  
6           Graveyard, which is 40-odd kilometres away. You just  
7           said a few minutes ago that Leitrim Graveyard was  
8           turned down for an extension. I don't know, Chairman,  
9           this is a question for you. Are you taking amendments  
10          to this document today or not? Because if you are           16:01  
11          taking amendments I want to put an amendment to it  
12          because there is no way that I'm going to sit here and  
13          represent the people of my area that have to now go 40  
14          miles or 40 kilometres away to a graveyard where  
15          they've no burial space in. It's not going to happen.   16:02  
16          **CATHAOIRLEACH:** I don't propose to start taking  
17          amendments today.  
18          **CLLR. KENNEDY:** Thank you, Chairman.  
19          **CATHAOIRLEACH:** Cllr. O'Brien.  
20          **CLLR. O'BRIEN:** I'm just disappointed with the response   16:02  
21          to my proposal that we will put a plan in place for the  
22          upkeep of graves that have fallen into disrepair. We  
23          can put a plan in place for derelict buildings, no  
24          problem, you know, and we can put staff that and do  
25          that. This is a very, very serious issue. I was in a   16:02  
26          graveyard yesterday and you'll get very upset when you  
27          see the families passed away and the graves in  
28          disrepair and that has been the case for year after  
29          year. I'm saying it's a serious policy that needs to

1 be addressed immediately and there's no good saying  
2 it's not part of our set up. All I'm asking is to put  
3 a plan in place. Whatever it entails, the fact that we  
4 meet with authorities or the church, or whatever, and  
5 get this problem sorted out immediately for the dignity 16:02  
6 of those families that have passed away.

7 **CATHAOIRLEACH:** Thank you. Cllr. Behan.

8 **CLLR. BEHAN:** Cathaoirleach, I think you're wise not to  
9 be trying to force a decision here today,  
10 Cathaoirleach. As I said, when I initially spoke, and 16:03  
11 I want to again pay tribute to Helena because you can  
12 see she has an absolute grasp of the detail, but when  
13 it comes to making policy decisions she can't make a  
14 policy decision but it's quite obvious that we're going  
15 to find it very difficult to make it as well. 16:03

16  
17 Cllr. Vance, you know, has spoken on the issue of  
18 Springfield. Cllr. Vance knows, as well as I do and as  
19 well as other people do, that that policy that he's  
20 talking about, was not implemented by Bray Urban 16:03  
21 District Council or Bray Town Council from the time the  
22 burial ground was opened. And if he is proposing that  
23 those elements of memorials and so on are removed from  
24 those people's graves, I completely and utterly  
25 disagree with that on the very same basis that other 16:03  
26 people have talked about having respect for traditions  
27 and their memories of loved ones in other parts of the  
28 County. I completely and utterly oppose that, if  
29 that's what he's proposing. Now I know he's only asked

1 questions so far, but if he's proposing that somebody  
2 goes in and removes all those memorials, well then let  
3 him say it and let him propose it and let's have a vote  
4 on that.

5  
6 I would prefer, Cathaoirleach, if we, moving forward,  
7 in relation to Springfield and I understand it's  
8 localised and people outside of the Bray Municipal  
9 District might not necessarily be concerned about it,  
10 that we look at the situation as it is at the moment 16:04  
11 and we accept what has happened. One idea that we were  
12 beginning to discuss at that Sub-Committee, and I'm not  
13 on the SPC, I'm only on the Sub-Committee, was that we  
14 might, in some way, see about Springfield Cemetery  
15 being divided in some way into, let's say, a future 16:04  
16 lawned cemetery or that the other part of the cemetery  
17 that's already occupied could be either lawn or  
18 memorial, whatever people want it. But that if people  
19 opted for the other part, well then they'd know that  
20 there will be no memorials and they're accepting that 16:05  
21 that's where they're going. Now, I accept  
22 Cllr. Vance's point, lots, the majority of people have  
23 already got the lawned cemetery and they have the  
24 headstones appropriate for that. But this is why it's  
25 so difficult. We're dealing with people's own 16:05  
26 traditions, their own families, their own bereavements,  
27 their own sadness. The number of people and  
28 Springfield - and I'm quite sure it's the same all over  
29 the County - where close relatives are going to visit

1 loved ones' graves every day for maybe years after the  
2 person has died. We cannot and we should not interfere  
3 with those people's feelings, unless we're absolutely  
4 sure we're doing the right thing. And it's quite  
5 obvious, at the moment, we're not sure we're doing the 16:05  
6 right thing in a lot of these decisions and I certainly  
7 support your proposal that we don't make decisions on  
8 this today.

9 **CATHAOIRLEACH:** Cllr. Ruttle.

10 **CLLR. RUTTLE:** What Cllr. Behan was saying, if you make 16:06  
11 a decision today it would be very difficult. I think  
12 Cllr. Cullen's proposal that we go back to the SPC,  
13 have it on the agenda for this month.

14 **CATHAOIRLEACH:** The municipal authorities?

15 **CLLR. RUTTLE:** The municipal authorities meeting, yeah, 16:06  
16 go right back to that, have it on agenda for the next  
17 meeting and sort it out locally because there are  
18 different traditions, different customs and we know  
19 more about the areas than anyone else. Thank you. So  
20 I second that proposal. 16:06

21 **CATHAOIRLEACH:** Cllr. Vance wants to come back in.

22 **CLLR. VANCE:** Just finally on this. Chairman, I'm not  
23 insensitive to people, is particularly in Springfield  
24 which I know a fair bit about and I'm not sure that  
25 they have been up there from the time that Springfield 16:06  
26 went in there. It's only in one section actually that  
27 there's quite a bit of these surrounds, not in the  
28 other section. I'm not insensitive to that. And I'm  
29 not insensitive to the fact that as a compromise in

1 that regard to the units that are in up there as well.  
2 The problem I have is to have consistency, consistency  
3 the with future burials and various things like that  
4 and what you do in the lawned cemetery. That's the  
5 difficulty in treating people differently. You know 16:07  
6 what I mean? If it's a lawned cemetery it's a lawned  
7 cemetery, people are treated exactly the same and vice  
8 versa; if it's a free for all it's a free for all then.  
9 It's very difficult to have one rule for one section  
10 and one rule for another and it's very difficult to 16:07  
11 implement that. It's a problem that Helena up there,  
12 or the Committee has and I can understand it's a  
13 particularly difficult problem. But if something is  
14 not agreed it will come back to bite them and that's  
15 the problem that I have in that regard to this. 16:07  
16 **CATHAOIRLEACH:** Cllr. Kennedy, did you want to come in?  
17 **CLLR. KENNEDY:** Cathaoirleach, just one last thing.  
18 Just coming back to the Municipal Districts, which I  
19 think it should. I think there should be rural  
20 representation on that Sub-Committee, as well as urban 16:08  
21 representation for the rural graveyards. Thank you.  
22 **CATHAOIRLEACH:** Okay. Lastly, Cllr. O'Neill.  
23 **CLLR. O'NEILL:** Could I just very briefly,  
24 Cathaoirleach. Going back to Leitrim Graveyard. I  
25 don't think it's really good for the Department of 16:08  
26 Heritage, or whatever, to just say "no". I'd like a  
27 report of that. I've to go out and meet people from  
28 the area, from the Glen and explain to them, you know,  
29 why they can't bury their loved ones in Leitrim

1 Graveyard. I mean I'd like to know what the Department  
2 of Heritage, what their -- they allowed a graveyard  
3 here in the first place. I know they can be a bit  
4 finicky if they find an auld stone or a bicycle wheel,  
5 or something like that, and say you can't do this, that 16:08  
6 and the other. So I'd like to be able to get a copy of  
7 that report for the people of th Glen of Imaal to be  
8 able to explain exactly what the problem is with the  
9 department.

10 **CATHAOIRLEACH:** Members, we have a proposal to put it 16:08  
11 back to the Municipal Districts. I think that makes  
12 sense on the grounds that each area of the County,  
13 especially the rural areas, has different priorities  
14 and different views of this thing and a different  
15 culture than, you know, different parts of the County, 16:09  
16 urban, rural et cetera and everywhere has its own  
17 peculiarities. So I propose it goes back -- I support  
18 the proposal that it goes back to the Municipal  
19 Districts.

20 **CLLR. DORAN:** Chairman, I propose we put it back until 16:09  
21 September. We need a bit of time. This is not simple  
22 and unless we stick to the tradition that was there and  
23 the headstones and the people being buried facing the  
24 east that they're seeing, it's in all the churches that  
25 I know of, maybe Arklow is different they're always a 16:09  
26 bit don't know one end from the other down there!  
27 That's not the way I look at it.

28 **CATHAOIRLEACH:** Cllr. Doran, just to be clear, you want  
29 it to go back to the Municipal Districts in September,

1 is it?

2 **CLLR. DORAN:** In September, yeah.

3 **CLLR. TOMMY CULLEN:** No, he's talking about here.

4 **CLLR. DORAN:** To bring it back to the full Council in  
5 September. 16:10

6 **CATHAOIRLEACH:** The Municipal Districts will just have  
7 one meeting between now and September to I think we'll  
8 maybe hold off on that decision until September and  
9 we'll bring it back to the next Municipal District  
10 meeting which is this month. Is that agreed? 16:10

11 **CLLR. VANCE:** Could I just say, bring it back at an  
12 appropriate time, give it a bit of time to try and sort  
13 it out.

14 **CATHAOIRLEACH:** Okay. Bring the 12 proposals back to  
15 the Municipal Districts and if they want to make 16:10  
16 amendments let them do so. Thank you.

17 **CLLR. TOMMY CULLEN:** Maybe, Chairman, maybe we should  
18 maybe look at doing it in a module form that we would  
19 have five modules as attachments to it so that in other  
20 words, the module from our area is a standalone module 16:11  
21 from, because our electoral area graveyard is  
22 completely different to Bray and vice versa and maybe  
23 we should do it, maybe have five modules for five  
24 municipal authorities.

25 **CATHAOIRLEACH:** You could have give different policies 16:11  
26 then.

27 **CLLR. TOMMY CULLEN:** Yeah.

28 **CATHAOIRLEACH:** Okay. Consider that. Thanks, members.  
29 Next item: To receive a presentation: Creative

1 Ireland from Ms. Jenny Sherwin, Arts Officer, Wicklow  
2 County Council.

3 **MS. SHERWIN:** Good afternoon everyone. I know you are  
4 really busy but today is my last chance to present this  
5 to you before I exit stage left for a few months in 16:12  
6 about four weeks' time.

7  
8 I will just give you a kick overview because I know  
9 you're pushed for time. So Creative Ireland is just  
10 something we've been asked to present to you because 16:12  
11 it's a new all governmental initiative that has been  
12 established both from national cultural institutions,  
13 from the departments, right down to the local  
14 authorities and more than half of the way that the  
15 Government want to work on this programme is through 16:13  
16 local authorities.

17  
18 So basically what we have to do for them in 2017 is  
19 create a plan for funding we have received. We have  
20 been given it because in 2016 the commemorations were 16:13  
21 so successful that the Taoiseach decided that he wanted  
22 a new programme with Heather Humphreys to respond to  
23 the public outpouring of public cultural events that  
24 happened. So what they want to do is have a really  
25 high level ambition programme which reaches into the 16:13  
26 very rural and local, right up to the international.  
27 So they have -- all their policies are based around  
28 wellbeing. I've just got this to show you. If this is  
29 the longer one I'll skip it.

1 I have two videos. I'll skip one and just show you  
2 one. Some people are skeptical that Government changes  
3 were -- that if -- that basically funding will be  
4 withdrawn and it will go up as another one of these  
5 great big things. It is the single most important, 16:14  
6 since the foundation of the Art Council in Ireland,  
7 it's the single most important piece of policy and  
8 statutory, tying all governmental departments together  
9 around culture and culture includes -- this is a long  
10 -- this won't get me out of jail on time, I will just 16:14  
11 change it to the other one.

12  
13 So it's very significant. So it is allowing us to  
14 work, build a submission here, the Arts Office. So as  
15 I said just in case people think, that as Taoiseach 16:14  
16 Enda Kenny has gone out and we have Leo Varadkar now,  
17 it has gone away, just to give you a quick, short video  
18 on Leo Varadkar's thoughts on it.

19  
20 Basically you can see him saying that he endorses it; 16:15  
21 he is very involved with it. He wants to continue,  
22 much like the plan, he has endorsed Heather Humphreys.  
23 And you'll see that he has changed the Department to  
24 specifically the Cultural Department. That was for a  
25 reason. That was because they're planning to make huge 16:15  
26 investment, a multi million euro investment in this,  
27 which is new. He plans to double the spending of  
28 cultural departments for next year, starting from next  
29 year.

1 So why are we talking to you? They've asked us, as  
2 local authorities, to deliver on some of their work.  
3 They've divided what they want to do into five  
4 different pillars so we've been charged with pillar 2.

16:15

5  
6 One is about the child. How are children and young  
7 people catered for in terms of culture? Second is  
8 around creativity and communities. The third is around  
9 investment and putting in infrastructure. The fourth  
10 is around Ireland as a centre of excellence in media  
11 production and the fifth is around global reputation.

16:16

12  
13 Our principal one to deliver on is on number 2. So we  
14 have to create an action plan for a five-year period on  
15 strategy for a five-year around how you will roll out  
16 and utilise this additional funding. It is designed to  
17 not duplicate or replicate what we've been doing  
18 already. It is really designed that we have additional  
19 funding to create additional strategic programmes that  
20 we wouldn't have had capacity otherwise to do. It is a  
21 lot more work but it is a very exciting prospect for us  
22 in the Cultural Department of local authorities.

16:16

16:16

23  
24 The ones we are really interested in 1 around the  
25 child; 2 around then community and because we have such  
26 a media focus in wicklow we will be looking at that  
27 pillar.

16:16

28  
29 So they've asked us, in summary, to create that

1 strategy over the course of a few months. It is all  
2 very quick because they need it in before the financial  
3 year is over. They're committing around 100,000 to us  
4 next year. They've given us 64,000 for this year. It  
5 does come with the money, it's not one of these things 16:17  
6 where (inaudible) and there's nothing else. We will  
7 see other infrastructural funding coming down through  
8 it and funding for communities in other ways as well  
9 directly from Government to support other measures.

10  
11 So it's very a welcome thing and we hope to bring back  
12 a draft strategy by the end of the year. They're  
13 asking for us to have it done by December so the  
14 consultation will be framed now over the summer and we  
15 will go out and bring back drafts in September and go 16:17  
16 out with a draft after that to yourself. Okay. Does  
17 anyone have any questions?

18 **CATHAOIRLEACH:** Thank you very much, Jenny.

19 Cllr. McLoughlin.

20 **CLLR. MCLOUGHLIN:** Hi, Jenny. I have to say thanks a 16:18  
21 million for all the work you've done on this because I  
22 know really you should be given a year or so. You  
23 should have been given a good year to actually put  
24 together something and you've only had a few months and  
25 I know that you've been working very well, and 16:18  
26 particularly when you're heading off and leaving us at  
27 the height of it all. I just want to say on behalf of  
28 the LCDC, certainly, thank you for all the work you did  
29 and particularly the work you did on the previous

1 programmes because if we hadn't done such a great job  
2 on them we might be worried whether it was possible to  
3 do this, but I know with all of the work that has been  
4 done with the Committees on the previous Creative  
5 Ireland Programmes - it wasn't called Creative Ireland 16:18  
6 - 1916 Commemorative programmes that we will do a great  
7 job in Wicklow and I know with you in the helm we  
8 certainly had a lot to be proud of and a lot to be  
9 proud in the future. So thank you for all of that.

10 **MS. SHERWIN:** Thank you. 16:18

11 **CATHAOIRLEACH:** Thank you, Councillor, and thank you,  
12 Jenny, again. Short and sweet. Cllr. Thornhill.

13 **CLLR. THORNHILL:** Sorry, Cathaoirleach, I just wanted  
14 to say a few words. [Irish spoken] I would just like  
15 to say in relation to this document, one thing that I 16:19  
16 would, and also would like to say thanks to Jenny, you  
17 know, for bringing this before the Council. I think it  
18 is very important, I mean culture and creativity in  
19 relation to the Arts is a very important thing in  
20 relation to the country because, as we all know, the 16:19  
21 country is getting multi-cultured. We have cultures  
22 from all different countries. We have Chinese and, as  
23 we will know in a few weeks' time ourselves, and the  
24 Irish. But one thing I would just like to put to  
25 Jennifer in relation to the Irish language and I'm 16:19  
26 delighted to see some translation here in relation to  
27 the English being translated into Irish. What emphasis  
28 will be put on the Irish language because, as we know  
29 in Wicklow and especially in Bray, we have a lot of

1 gael scoils and I think one thing that has been evident,  
2 and you mentioned the word about media, I mean if you  
3 look at TG4 and, you know, the influence of TG4 on the  
4 media and, you know, the way an awful lot of these  
5 journalists have done very well out of the Irish 16:20  
6 language, I think it's something that we should put  
7 emphasis on and it shouldn't just be dismissed.

8  
9 I would just like to hear Jennifer's thoughts on the  
10 matter. Go raibh míle maith agat. 16:20

11 **MS. SHERWIN:** All the documents will be translated into  
12 Irish. So all of the main activation plan and the  
13 strategic document will be available in Irish as well.  
14 We will also, like, when we're working with the child  
15 and the young person obviously we know that there's 16:20  
16 almost 90 primary schools in the County now and some of  
17 them are gael scoileanna at the primary level and then  
18 the senior level and we will be catering for, you know,  
19 those schools as well to integrate as they would in  
20 their Irish language capacity. You know, so does that 16:21  
21 help?

22 **CLLR. THORNHILL:** Yeah, I've no problem with the  
23 translation. I wouldn't mind that it's only just that,  
24 in relation to the whole programme, you know, like that  
25 Irish is just, you know, treated as a subject. The 16:21  
26 translation part of it I'm not overly bothered about it  
27 because there's so much here, whatever about reading it  
28 in English, reading it in Irish, I'm just thinking  
29 about the language and the perception about the

1 language and that we should be made appreciate about  
2 our language and our culture. Go raibh maith agat.  
3 **CLLR. MCLOUGHLIN:** Thanks, Jenny.  
4 **CATHAOIRLEACH:** Next item, Lorraine.  
5 **MS. GALLAGHER:** Okay. Item 9. The members have been 16:22  
6 circulated with a letter from the Nottingham  
7 St. Patrick's Day Committee and this has gone through  
8 Protocol Committee, but basically it's an invitation  
9 from the Nottingham St. Patrick's Day Festival  
10 Committee that Wicklow County Council have been chosen 16:22  
11 as the lead county, for one year only, and that's in  
12 the St. Patrick's Day Parade in 2019. So the Protocol  
13 Committee have recommended it. So if I could have a  
14 proposer? If the members are agreed to participate, as  
15 I say, in the parade for one year only, a proposer and 16:22  
16 a seconder. Thank you very much Cllr. Cullen and  
17 Cllr. O'Connor.  
18 **CLLR. O'CONNOR:** Thanks very much, Cathaoirleach.  
19 Absolutely, I'm happy to support this very kind  
20 invitation from Nottingham and despite, I should point 16:22  
21 out, the appalling behaviour of the Sheriff of  
22 Nottingham towards those freedom fighters in Robin Hood  
23 and His Merry Men! But it is a very good initiative  
24 and I'm delighted that we've received it.  
25 16:22  
26 I would suggest, however, that if any Councillor is  
27 going they might pay their own way to Nottingham as a  
28 sign of good faith to the people in the County.  
29 Thanks, Cathaoirleach.

1 intended, and this is quoted from the circular:

2  
3 *"It is intended to assist the elected members discharge*  
4 *their governance responsibilities and to oversee the*  
5 *executive in the delivery of the policies that the* 16:24  
6 *elected members have decided on, and also so have*  
7 *oversight of the Chief Executive discharge of his or*  
8 *her executive functions."*

9  
10 It is sets out the performance of the Chief Executive's 16:25  
11 executive functions during the preceding calendar  
12 month, including implementation of policy or other  
13 matters required by the Council in the exercise of its  
14 reserve functions and the provision of services by the  
15 Council. And it actually goes in and details all the 16:25  
16 things that you could include in this monthly report  
17 and there is a lot. Like essentially any of the  
18 activities that are undertaken by the Council can be  
19 reported on in this monthly report. And I actually  
20 went to one of the Dublin Councils and asked them what 16:25  
21 they receive in their monthly report and it's 32-page  
22 document that goes into each of the activities that are  
23 to be performed by the Council and gives an update on  
24 them. It talks about the number of HAP applications  
25 the number of tenancies. Like it gives -- it's a very, 16:25  
26 very informative report and it covers every aspect of  
27 the role and function of the Chief Executive and the  
28 Council.

1 I think at the moment what we receive is essentially  
2 the bear minimum. We receive the Leo and we see, I  
3 can't even remember what the other one is, the LCDC.  
4 So it's absolute minimum that has been identified in  
5 the guidelines from local government. I think it's a 16:26  
6 missed opportunity. It would be much better for us as  
7 Councillors if we had this information, I think to have  
8 it on the record each month. It would give us an  
9 opportunity to ask questions about each of the  
10 different activities and things that are happening. 16:26  
11 But it's also, like an awful lot of stuff happens  
12 within the Council and the officials, you know, do an  
13 awful lot of work and there's a lot of good news and  
14 good stories coming out of it and I think it would also  
15 give an opportunity for us to be kept abreast of all 16:26  
16 those things that are happening.

17  
18 So I would ask that the actual circular that has come  
19 out from the Department would the guidelines, that  
20 that's reviewed and that each month we are provided 16:26  
21 with a management update that goes through all the  
22 different functions and provides us with all the  
23 information that we need, rather than, I think at the  
24 moment we're sort of getting a tick the box exercise  
25 because we get a couple of documents. So I'm not sure 16:27  
26 if this is something that would need to go to the  
27 protocol development but I'm happen I have Fingal --

28 **MS. GALLAGHER:** The CPG.

29 **CLLR. WHITMORE:** The CPG?

1           **MS. GALLAGHER:** It would be, yeah. That's what they're  
2 going to recommend.

3           **CLLR. WHITMORE:** Okay. I have the Fingal County  
4 Council one and it's really interesting. I'm happy to  
5 forward that on as an example of what we could actually 16:27  
6 get each month and I think that would certainly be  
7 worthwhile doing.

8           **CATHAOIRLEACH:** I'd like to thank you for your  
9 contribution, Cllr. Whitmore. I would agree fully with  
10 you that the report should be more extensive and more 16:27  
11 relative and not just something that we note, some that  
12 we actually discuss. Whether it goes to 32 pages or  
13 not I'm not so sure, maybe something a little bit  
14 shorter. But it ties in -- I had set out two weeks ago  
15 that I'd like to see updates on all our grants and our 16:27  
16 grants drawdowns and our funding drawdowns, stuff like  
17 that. So there's various things that we could think  
18 of. So I'd suggest you go back to the CPG, but each  
19 director then comes up with some kind of, to use that  
20 dreadful phrase, key performance indicators, or 16:28  
21 whatever, but just some kind of measure and update of  
22 what's actually going on. I certainly think it would  
23 be welcome and make it more relevant to us having a say  
24 in how the Council runs. Cllr. Blake.

25           **CLLR. BLAKE:** Thank you, Cathaoirleach. I wouldn't 16:28  
26 look forward to having to read 34 pages of  
27 documentation on what the Council has done, but it  
28 probably is an indication of the amount of work and  
29 certainly Cllr. Whitmore is perfectly right, I think

1 there's is a lot of good stories out there and I think  
2 we need tell then as well in that regard. One of the  
3 good stories, if I might just say, that the LCDC, we  
4 have a report from the LCDC here and maybe if  
5 Michael Nicholson had been here, I certainly would be 16:28  
6 interested in wanting to know what the update in terms  
7 of the programme that has been taken place out there  
8 and where we are with either programme in terms of  
9 developing the programme. It might have been helpful  
10 if he had been available here today to go through that 16:29  
11 with us.

12  
13 I certainly do welcome what's in front of us. I  
14 compliment the engineer in the Baltinglass area for  
15 having achieved funding under the CLÁR Programme for 16:29  
16 both Knockananna and Rathcoyle for a sum total of over  
17 €33,000. So I certainly welcome that in that regard.  
18 As I said, maybe Michael Nicholson, maybe at the next  
19 meeting that he can give us an update with regard to  
20 where the Leader Programme is because it's a very 16:29  
21 important aspect of the development and the fact that  
22 the Wicklow County Council are now the lead developer  
23 of that particular programme. I think might be helpful  
24 if we had an update for the next meeting on it. Thank  
25 you, Chairman. 16:29

26 **CATHAOIRLEACH:** Thank you. Thank you, members, for  
27 that item. I'd like us to go on to item number 11 so  
28 the suspension of Standing Orders is going to have to  
29 be put back for a few minutes until item number 11 is

1 dealt with. And we have a question as well at 4:50 and  
2 have two items of standing orders at, well 4:30 is now  
3 going to be 4:40.

4  
5 Item number 11: To consider measures the Council can 16:30  
6 bring forward to improve the safety of cyclists. This  
7 was a request by Cllr. Shay Cullen to have this item  
8 discussed, in light of recent events. Cllr. Cullen.

9 **CLLR. SHAY CULLEN:** Thanks, Chairman. First of all,  
10 thank you for putting it on the agenda. I suppose, you 16:30

11 know, this is a serious issue that has been in the  
12 media in the last number of weeks. I suppose the

13 statistics speak for themselves. Ten cyclists have  
14 lost their lives in the first six months of this year,

15 compared with four in the full year of 2016, which is a 16:30  
16 shocking statistic. I suppose there is a real safety

17 issue for cyclists on the roads of County Wicklow. I  
18 believe, you know, this Council needs to be and should

19 be proactive to ensure the safety for both cyclists and  
20 motorists. As we're very much aware, and I think 16:31

21 Wicklow is one of the counties that has the biggest  
22 issue with cyclists in our county and I suppose a lot

23 of that stems from, you know, Wicklow is a very popular  
24 destination for cyclists due to our landscape and

25 obviously our proximity to Dublin and its population. 16:31  
26

27 The concerns over safety are certainly multiplied over  
28 the weekends and this is really because you get groups  
29 of cyclists who visit Wicklow and unfortunately what is

1 happening on our rural roads - and I'll use the road  
2 between Kilmacanogue and Glendalough, which is a real  
3 big tourist attraction, as everybody is aware. And you  
4 get groups of cyclists on these roads and you get a  
5 build up of traffic behind the cyclists and 16:32  
6 unfortunately what is happening, which is causing a lot  
7 of danger, some motorists take risks, overtaking maybe  
8 on corners, or narrow area of the road because they get  
9 frustrated. And they get frustrated because, you know,  
10 cyclists can only go at a certain speed. 16:32

11  
12 A lot of cyclists, in my opinion, they don't take the  
13 opportunity to pull in. They don't take the  
14 opportunity to maybe let the traffic pass them.  
15 There's certainly huge frustration amongst motorists. 16:32  
16 Sometimes I think cyclists don't understand the safety  
17 issues on rural roads and how dangerous it is.

18  
19 I suppose another issue I would see is, you know,  
20 certain cyclists, they wear black in colour cycling 16:33  
21 gear. I believe all cyclists should have high viz  
22 clothing. I believe that there should be front and  
23 rear lights on all bicycles. And unfortunately we  
24 don't have identification for cyclists. It's not a  
25 case where, like a motorist, they have a number plate 16:33  
26 and if they do something to risk another person you can  
27 see their licence plate. That's obviously not the case  
28 with cyclists.

29

1 I don't want people in this Council or elsewhere to  
2 think this is an attack on cyclists. This is purely  
3 down to a safety concern. In actual fact cyclists, you  
4 know, they provide revenue to our county; they use our  
5 shops, cafés, and so on, particularly at the weekends 16:33  
6 and that shouldn't be lost in the debate, but at the  
7 end of the day the safety is paramount for both the  
8 cyclist and the motorist. Unfortunately, as we've  
9 heard earlier, Cllr. Winters even suggested there was a  
10 native of Wicklow lost their life only last week on the 16:34  
11 road where they were cycling their bike and were hit by  
12 a motorist. It's an issue that we can't ignore. In my  
13 opinion it's something that's getting worse on a  
14 monthly basis. We're in the middle of the summer  
15 months now where cycling is obviously a huge sport and 16:34  
16 pastime.

17  
18 I suppose I just want to finish, Chairman, by making a  
19 proposal that this Council launches a road safety  
20 awareness campaign for cyclists and motorists to be 16:34  
21 aware of because we have to be proactive to try and  
22 deal with the issues that are here and get motorists  
23 and cyclists to take more care on the road. Thank you.  
24 **CATHAOIRLEACH:** Thank you, Councillor, for raising that  
25 issue. Any other speakers? 16:35

26 **MS. GALLAGHER:** There is a report that's been submitted  
27 by the Director of Services Roads just in relation to  
28 this matter.

29

1           *"The issue of road safety for cyclists has come into*  
2           *focus in recent times due to the increase in the*  
3           *numbers of serious incidents.*

4  
5           *Many cyclists use busy roads every day without any*           16:35  
6           *problem. Key factors in safe cycling include cyclist*  
7           *behaviour, driver behaviour, physical cycling*  
8           *infrastructure. Campaigns are regularly undertaken by*  
9           *organisations such as the Road Safety Authority to*  
10          *improve the behaviour of both cyclists and drivers.*           16:35  
11          *Wicklow County Council supports any initiative that*  
12          *raises the awareness of safety issues and improved safe*  
13          *practices.*

14  
15          *Wicklow County Council is also involved in the*           16:35  
16          *provision of visible infrastructure for cycling*  
17          *activities comprising shared road surfaces and*  
18          *dedicated separating cycle tracks. The majority of*  
19          *roads are shared between drivers and cyclists without*  
20          *any specific engineering intervention.*           16:35

21  
22          *The minimum width required for a dedicated cycle lane*  
23          *is 1.5 metres. This is one direction only. Given that*  
24          *the minimum roadway for two-way traffic is 5.5 metres,*  
25          *the minimum overall road width required for the*           16:36  
26          *provision of a dedicated cycle lane is 8.5 metres.*

27  
28          *Most roads in County Wicklow are not wide enough to*  
29          *provide dedicated cycle lanes to a proper standard.*

1 *Wicklow County Council has provided 28 kilometres of*  
2 *dedicated cycle track, road markings, and signs as part*  
3 *of efforts to improve cyclists' behaviour."*

4 **CATHAOIRLEACH:** Could I ask that that be circulated to  
5 all members. Cllr. O'Neill. 16:36

6 **CLLR. O'NEILL:** Yeah, I want to agree generally with  
7 what Cllr. Cullen is saying there. Again, on rural  
8 roads and I'm talking about my own area, of Lacken,  
9 Ballyknocken, around the lakes or whatever, you know,  
10 you're asked to provide 1.5 metres of cycle track, 16:36  
11 that's nearly the width of the road in our part of the  
12 country. If you look at the -- I honest to God think  
13 that cyclists have a responsibility as well and I can  
14 see no harm in the likes of signage in parts of Wicklow  
15 there, you know, welcoming cyclists to Wicklow, but 16:37  
16 also point out that maybe single file would be safer.  
17 I often see three and four abreast on roads around  
18 Ballyknocken and Lacken or whatever. Sure it's  
19 impossible and people are trying to get to the mart or  
20 people are trying to the school or churches, or 16:37  
21 whatever. I think they have a big responsibility as  
22 well. But it is a serious issue, you know, when you  
23 have people actually maybe dying on the roads through  
24 accidents. They have to be responsible. It's crazy  
25 and it's frustrating for people who are trying to get 16:37  
26 from A to B and you come up behind three or four  
27 cyclists and they're all yapping away talking about  
28 this, that and the other, having a great day out,  
29 holding up the whole show. I think they have a

1 responsible as well. And I'm serious about that, maybe  
2 there could be signage, you know, for their own safety  
3 that they ride in single file.

4 **CATHAOIRLEACH:** Thank you.

5 **CLLR. MATTHEWS:** Could I just make one quick point on 16:38  
6 that.

7 **CATHAOIRLEACH:** Cllr. Thornhill.

8 **CLLR. THORNHILL:** May I say, first of all to  
9 Cllr. Cullen, thanks very much for bringing this to  
10 light. You know, I would just like to say on this 16:38

11 subject there's two tracks to it, right. I think at  
12 the end of the day that people that are cyclists and  
13 people are using the roads, I mean the thing about,  
14 it's all about education, about cooperation and  
15 consideration. I mean, I'll give an example and as 16:38

16 Cllr. O'Neill said, there's no doubt about it that  
17 cyclists have an awful lot to answer for as well as  
18 people who are using the road. Because I have seen,  
19 over the years, in my time working as a Garda Síochána,  
20 cyclists, you know, cycling without lights and maybe 16:39

21 not using their high viz jackets cycling, going through  
22 traffic lights. There's an awful lot of onus on  
23 cyclists as well. But having said that like, the  
24 public as well and pedestrians, but the point I would  
25 like to make, which is a very ironic point, would be, 16:39

26 say, for example, above in Bray now, for example, we  
27 have cycle lanes and on one particular road above there  
28 on the Church Road, and I know there's a shortage of  
29 parking spaces and everything for people going to

1 school and whatever, right, that on the cycle lane,  
2 it's completely blocked up during school times when  
3 children are being collected by cars. So it just goes  
4 to show you that there's a lack of consideration by  
5 people towards cyclists.

16:39

6  
7 Then on the other hand then you have cyclists who  
8 sometimes I see cycling on footpaths. The whole thing  
9 is all about consideration and education and I think  
10 the time has come when we should be all getting  
11 together and educate each other because at the end of  
12 the day it's is a serious subject, especially when you  
13 see what happened only a few weeks ago, that teacher  
14 above there in Dundrum getting killed. At the end of  
15 the day, it's too important a subject and I think it's  
16 something that we should place large emphasis on,  
17 because when people lose their lives as a result it's  
18 something that we should pay attention to. Go raibh  
19 míle maith agat.

16:40

16:40

20 **CATHAOIRLEACH:** Cllr. Matthews.

16:40

21 **CLLR. MATTHEWS:** Thanks, Cathaoirleach. The cycling  
22 infrastructure gets about a half of a percent of the  
23 total of investment in transport infrastructure,  
24 transport investment in the country so I talk  
25 Cllr. Cullen for raising the issue but really what we  
26 need to do is go back to Cllr. Cullen's party and ask  
27 them to increase the investment. Now about 5% of  
28 journeys in Dublin at the moment are being made by  
29 bicycle but we have only about half a percent of

16:40

1 investment in that infrastructure. So it would reduce  
2 traffic, it would reduce congestion. It has a lot of  
3 pluses and a lot of benefits to it so I would think  
4 that we should go back to the Minister and say:  
5 Allocate for cycling rather than us trying to do it out 16:41  
6 of very few funds that we have here in Wicklow. Thank  
7 you, Chairman.

8 **CATHAOIRLEACH:** Thank you, members. I'm now bringing  
9 forward the Notices of Motion. There's one and then  
10 Cllr. Blake. Suspension of Standing Orders, sorry. 16:41

11 **CLLR. BLAKE:** Thank you for giving us the opportunity  
12 to discuss this item of what Bank of Ireland are doing,  
13 particularly to rural areas. I don't look for a  
14 suspension of Standing Orders too often but today I  
15 think it was necessary to do it to highlight what's 16:42  
16 actually happening with their services, cashier  
17 services that Bank of Ireland changing.

18  
19 Bank of Ireland have probably about 250 branches  
20 throughout Ireland. They're talking about closing the 16:42  
21 cashier service in about 60 of them nationwide and  
22 they're also talking about reducing the service in  
23 about 40 branches nationwide. This is nationwide. I  
24 have heard about incidents up in Donegal, Cork, Sligo  
25 where there has been a backlash against the proposal as 16:42  
26 well.

27  
28 with regards to County Wicklow, they're talking about  
29 closing the cashier service completely in Tinahely,

1 Carnew and Rathdrum. They're also talking about  
2 reducing the services to a morning service only, I  
3 believe, in Arklow, Greystones and the Baltinglass  
4 branches. So this will have a significant effect,  
5 particularly in rural areas. My understanding is the 16:42  
6 only two branches in Wicklow that will continue to have  
7 a full service is the Bray and Wicklow branches.

8  
9 We did bring it to the attention of the Joint Policing  
10 Meeting this morning as well in relation to what effect 16:43  
11 it may have on rural people, in particular the older  
12 people. We discussed it this morning briefly at the  
13 Joint Policing Meeting. It is a concern out there,  
14 particularly in the rural areas. People who, in the  
15 past, we've encouraged them to not hoard cash in the 16:44  
16 houses, but this may have the effect, particularly in  
17 the rural areas as well.

18  
19 So I did, a short proposal that I have put forward here  
20 today and I made a copy of it there and it's just that 16:44  
21 the elected members of Wicklow County Council request  
22 the management of Bank of Ireland to reconsider its  
23 decision to remove the cashier service from rural  
24 branches nationwide as of 2nd August 2017. Thanks,  
25 members. 16:44

26 **CATHAOIRLEACH:** Thank you. Cllr. Behan.

27 **CLLR. BEHAN:** Cathaoirleach, I'll certainly second that  
28 and Cllr. Blake has spoken very well about the effect  
29 that's going to have, that decision on rural Ireland

1 and particularly in our County.

2  
3 But when you say that they're even withdrawing the  
4 services from people in the Greystones area, which is  
5 considered one of the higher population areas, it's 16:45  
6 quite obvious that the Bank of Ireland are no longer  
7 interested in ordinary personal customers or small  
8 business people. I think they've decided to opt to  
9 deal with people who are the millionaires,  
10 multimillionaires, big business and they've forgotten 16:45  
11 the people who actually contributed their own  
12 hard-earned money to saving that bank's skin a number  
13 of years ago when, by reckless lending and reckless  
14 borrowing they actually almost bankrupted this country,  
15 along with their colleagues in other banks. 16:45

16  
17 Apart from just calling on the bank to reconsider - and  
18 I've no problem seconding Cllr. Blake's decision - I  
19 think we should also express our complete dismay and  
20 anger about this decision to the five TDs representing 16:45  
21 us in Dáil Éireann. I don't know if this matter has  
22 been discussed in the Dáil yet? I know the TDs handed  
23 in a letter to the Bank of Ireland. But the people of  
24 this country still own a sizable share in this bank and  
25 it's amazing to me that the Government and the Minister 16:46  
26 for Finance, representing the taxpayer, just hold his  
27 hands up and more or less just doesn't want to know  
28 about this.

29

1 I think we should, as well as Cllr. Blake's proposal to  
2 write to the bank, we should write to the five TDs and  
3 ask them to raise it in the Dáil.

4  
5 Finally, I would also congratulate the local people in 16:46  
6 Tinahely, who got together to alert everybody to this  
7 decision and the fact that they were also trying to  
8 reach out to other communities, not only in Wicklow but  
9 around the country, to come together to object to this  
10 high-handed and arrogant decision by Bank of Ireland. 16:46  
11 Thank you.

12 **CATHAOIRLEACH:** Do we have agreement on Cllr. Behan's  
13 proposal? Plus Cllr. Blake's proposal to write to the  
14 five TDs. Agreed. Cllr. Kavanagh.

15 **CLLR. KAVANAGH:** well, it was agreed. I was just going 16:47  
16 to just add to that, it seems to be the start of the  
17 slippery slope to closing down branches nationwide and  
18 it's fine if people have facilities for online banking  
19 and stuff like that but not every person, especially  
20 elderly people, avail of online banking. They still 16:47  
21 want to be able to go in, they want to be able to  
22 withdraw money and whatever. Anyway, it has been  
23 passed so that's great. Thank you.

24 **CATHAOIRLEACH:** I think it is another blow to rural  
25 Ireland. And rural broadband we don't have so great 16:47  
26 either so you can't even do the online banking.

27  
28 Okay, thanks, members. Cllr. O'Connor had a, it's not  
29 really a full discussion, I think, but you just wanted

1 to make a reference to the issue of Bray Wanderers'  
2 vicarious financial position.

3 **CLLR. O'CONNOR:** I'm extremely concerned, I suppose  
4 people have read the news reports over the last couple  
5 of days about what's going on with Bray Wanderers. 16:48

6 According to media reports the club are in such  
7 financial difficulty that they'll be unable to pay  
8 players' wages. There are also reports that the team  
9 will be selling their senior players - they've already  
10 started down that road - and playing instead possibly 16:48  
11 with the under 19s and promoting them up to play the  
12 senior squad.

13  
14 I wanted to mention this today because I think it's a  
15 very important issue for the whole county, particularly 16:48  
16 for North Wicklow and I think there's going to have to  
17 be some interaction between the Council and the club.

18 I've spoken to some of the officials about it and it  
19 might be a matter that would be better left to  
20 Municipal District tomorrow. But I wanted to put on 16:48  
21 record my concern about the issue. Thanks.

22 **CATHAOIRLEACH:** Thank you. Any comments?

23 **CLLR. BEHAN:** I just want a clarification from  
24 Cllr. O'Connor. Is Cllr. O'Connor proposing, when he  
25 says interaction with the Council officials, that the 16:49  
26 Council officials should do some deal with the owners  
27 of Bray Wanderers with regard to the Carlisle Grounds?  
28 Because I don't understand why the officials of the  
29 Council would have to be getting involved with Bray

1 wanderers. Perhaps he might clarify that.

2 **CLLR. O'CONNOR:** I would be happy to do so,

3 Cllr. Behan. Thanks very much for the question. No,

4 I'm not. Not remotely suggesting anything like that.

5 I'm talking about possibly a meeting be arranged 16:49

6 between some of the Councillors, probably from Bray,

7 and the club, to see exactly what's going on and to see

8 if there's any way that they could be helped out of

9 their situation. Am I suggesting anything in

10 particular? Absolutely not. I'm certainly not 16:49

11 suggesting what you think I am. Thanks.

12 **CLLR. BEHAN:** I didn't think you were. I asked a

13 question.

14 **CATHAOIRLEACH:** Thank you. Cllr. McLoughlin.

15 **CLLR. MCLOUGHLIN:** Very briefly. I do actually sort of 16:49

16 agree insofar as this is a major issue for Bray and it

17 would be very sad to see the club go. Although I

18 cannot, for the life of me, see how it has anything to

19 do with the Wicklow County Council. It's a private

20 club and, you know, we can't be seen to be supporting 16:50

21 one club as opposed to another. But I do think it

22 serious and I think if, I'm not sure what the Municipal

23 District of Bray can do about it, but if they can do

24 anything, to act as some sort of mediator between all

25 sides on it I think it should. I think it's very sad 16:50

26 for Bray to see it going, but I don't think it is an

27 issue for Wicklow County Council itself. I don't think

28 it has any part to play in the club. Thank you.

29 **CATHAOIRLEACH:** Cllr. Vance.

1           **CLLR. VANCE:** Chairman, thank you. Wicklow County  
2 Council own the Carlisle Grounds and it's the most,  
3 probably valuable piece of real estate when you  
4 consider the location of it in the country, if you talk  
5 about real estate. But we all know that the lease on 16:50  
6 Bray Wanderers is a sporting lease. I don't know how  
7 many times I've said this and I said it on the radio  
8 this morning, it cannot be tampered with, in any shape  
9 or form, without the agreement of Wicklow County  
10 Council in regard to that. 16:51

11  
12 I think it's sad of the situation of what it is. From  
13 what I can gather is, there was no communication with  
14 any members of the Council in Bray or officials in  
15 regard to that. But the Chairman of Bray Wanderers did 16:51  
16 indicate, a number of months ago, that they were  
17 putting in considerable money to try and get into  
18 Europe, but he did indicate that there was a dire  
19 financial problem, and certainly it wasn't adding up  
20 the type of income and the outgoings that were going 16:51  
21 there and there was going to be a problem there if it  
22 continued the way it did.

23  
24 So the Council members would have been aware about it  
25 but they wouldn't have probably been aware of the dire 16:51  
26 straits that obviously has been -- I think it could  
27 have been handled better. I don't think issuing a  
28 statement at half-time in a very important match on  
29 Friday night was the ideal way to do it. I don't think

1 the morale of the players, now even if someone came in  
2 and kept Bray going until the end of the year, would be  
3 great either, knowing how it was handled. I think it  
4 could have been handled a lot better.

16:52

5  
6 Like Cllr. McLoughlin was saying there and Cllr. Behan  
7 were saying, and I think we all agree, the role from  
8 the Council perspective is that our ownership of the  
9 ground in regard to providing financial income to the  
10 club is not, in my mind, feasible and shouldn't be even  
11 contemplated at this stage. But it is desirable, from  
12 our point of view, that obviously if any other way we  
13 could help fine but we have not been consulted, to my  
14 knowledge, whether that's Councillors or officials in  
15 any shape or form in that regard to the statement that  
16 was made in regard to Friday night. Thank you.

16:52

16:52

17 **CATHAOIRLEACH:** Thank you. Cllr. Matthews.

18 **CLLR. MATTHEWS:** Thanks, Chairman. Just to clarify.  
19 There has been interaction between Bray Wanderers and  
20 Bray Town Council, Bray Municipal District. They  
21 produced a five-year strategy document back in October  
22 or November last year full of aspirations, full of  
23 ideas of what they were going to do. The suggestion I  
24 got from it was that they wanted us to develop the  
25 Carlisle Grounds and bankroll their club to move to  
26 somewhere else.

16:53

16:53

27  
28 After that we invited them into a Bray Municipal  
29 District meeting where the Chairman came in and

1 contradicted a lot of what was said in the document.  
2 They then went on to hold a public meeting in the Royal  
3 where they invited the Councillors to go down. They  
4 said they didn't want to talk about the Carlisle  
5 Grounds at that meeting but they went on to talk about 16:53  
6 the Carlisle Grounds at that meeting. They did outline  
7 great ambitions for the club and I have to commend them  
8 for that. They were very ambitious and they did sign a  
9 lot of players and they seemed to have a great  
10 background team and we all expected great things out of 16:53  
11 the team this way. And then for halfway through a  
12 match to issue a statement like that, there's something  
13 very odd going on at Bray Wanderers. Something very,  
14 very odd altogether.

15  
16 However, it is owned by Wicklow. It is a sporting  
17 lease that's on the. Land so if Bray Wanderers decide  
18 that they want to go somewhere else, or they want to  
19 carry out their footballing somewhere else, that would  
20 be unfortunate for the town but we would retain the 16:54  
21 ground as a sporting destination. Now there's many  
22 sporting groups within the town that are only dying to  
23 get their hands on somewhere. There's a couple of  
24 boxing clubs looking for a ground Ardmore Rovers are  
25 short on space. Shamrock Boys came into us in Bray 16:54  
26 Municipal District before, they were looking for a site  
27 for a skateboard park. We've a lot of stuff we could  
28 use the land for so I don't have any fear over Bray  
29 Wanderers saying that they want to leave, but we will

1 retain the land for sporting use for the town. That  
2 would be my position on it. Thank you, Chairman.

3 **CATHAOIRLEACH:** Cllr. Fitzgerald.

4 **CLLR. FITZGERALD:** Just as a person who follows sport  
5 and knows maybe a bit about it. It's very difficult to 16:54  
6 see where the situation is, the figures produced today,  
7 where the outgoings of Bray Wanderers are in a six  
8 figure sum and the income they're taking in, there was  
9 more on two buses coming back from Croke Park yesterday  
10 than what was at the last match in Bray Wanderers, the 16:55  
11 Carlisle Grounds. I have been contacted, people in  
12 Arklow have an involvement there, for whatever reason,  
13 they contacted me on some issues there. I've no reason  
14 to get involved in anything, to be quite honest about  
15 it, but when you see the figures that were produced on 16:55  
16 the papers today, Bray Wanderers had great results  
17 there in the first part of this season; they were up in  
18 the top three or four, were beating teams and all of a  
19 sudden things started to go into decline. Many members  
20 of Arklow Town Soccer Club have played with Bray 16:55  
21 Wanderers and contributed. One of the most outstanding  
22 players ever came from, well he mightn't have come, he  
23 lived in Arklow, Billy McKay, that's right, and he  
24 scored 7 goals for Bray Wanderers one day in Sligo. In  
25 one match and Cllr. McElheron represented at his 16:55  
26 funeral in England. But the fact is, Bray Wanderers  
27 have a huge problem. If you're not getting income in  
28 you can't pay it out.  
29

1 As you said, Cllr. Vance, it was a bad time to announce  
2 at the half-time in a match the difficulties and that  
3 there was only one week's wages left for the players.  
4 So they're encouraging players to get transfers. So as  
5 far as things stand at the moment, it looks like Bray  
6 Wanderers are finished in the present situation. 16:56

7 **CATHAOIRLEACH:** Thank you. Next item.

8 **MS. GALLAGHER:** Okay. Finally we have an urgent  
9 question submitted by Cllr. Jennifer Whitmore to ask  
10 the Council to outline the actions it is taking in 16:56  
11 relation to fire safety, in light of the recent  
12 disaster at Grenfell Tower, in particular to provide  
13 details of the last time a full fire safety audit was  
14 carried out in local authority housing stock, and  
15 whether there are plans to conduct another one in the 16:56  
16 near future?

17  
18 The response from the Director of Housing is:

19  
20 *"The issues in relation to Grenfell Tower in the main 16:56*  
21 *relate to multistory buildings and Wicklow County*  
22 *Council has very few social housing units in buildings*  
23 *of this type.*

24  
25 *Wicklow County Council is currently undertaking an 16:56*  
26 *audit of the units required under Circular 042017.*  
27 *This requires that local authorities review units in*  
28 *multistory buildings to ensure that they can meet their*  
29 *statutory obligations with reference to fire safety*

1           *with an emphasis on life safety.*

2

27          **CATHAOIRLEACH:** Cllr. Whitmore.

28          **CLLR. WHITMORE:** Thanks very much. The reason this --  
29          I heard a report on *Morning Ireland* this morning and it

1 just sort of brought it to mind, but actually following  
2 the disaster, you know, it was such an awful tragedy  
3 and really now is the time for us to review our  
4 processes and make sure that we are, I suppose, as on  
5 top of things as we possibly can be when it comes to 16:58  
6 this. And it just sort of struck me that I haven't  
7 been aware of any audit of our local authority housing.  
8 I understand that it would be a major undertaking but  
9 maybe spot checks, things like that that, that actually  
10 that's something that we should be looking at. 16:58

11  
12 The response there to my question talks about the  
13 specific circular from the Department, but I think the  
14 onus is on us to be proactive and not just contain  
15 ourselves to what the Minister is requiring of us but 16:59  
16 actually be proactive and to look at our housing stock.  
17 And if it is a case that, you know, it is just a number  
18 of spot checks or perhaps particular estates that we  
19 should be looking at, I think we should be actually  
20 taking this opportunity now to do that and review our 16:59  
21 stock in that instance. I think the time is right for  
22 us to do it and it's something that I think we should  
23 be putting forward.

24 **CATHAOIRLEACH:** Cllr. Vance.

25 **CLLR. VANCE:** Chairman, the easiest thing in the world 16:59  
26 to do is to get a letter from the Department saying  
27 carry out a fire audit on, whether they're local  
28 authority houses or houses within a particular area, or  
29 units within that particular area. But then they don't

1 give us the staff to carry them out. We all know this  
2 is a staff problem. So effectively if the Government,  
3 whichever Government then wants to carry out these  
4 types of surveys they have to provide the finance for  
5 us to employ the proper people to have a look at it. 17:00

6  
7 I'd agree, this is well brought up, I have to  
8 compliment the Councillor for bringing it up. But the  
9 fact of the matter is that this will not happen unless  
10 we get proper funding for increasing staff to look at 17:00  
11 it. It is an issue, as we all know in Wicklow, it is  
12 an issue, particularly in Wicklow because of the few  
13 deaths that we had. In the last 20 years we've had a  
14 significant amount of people die and there's been an  
15 awful lot of distress caused to people in regard to 17:00  
16 fire safety and stuff like that. So I do think it's a  
17 very important issue but that it's an issue that the  
18 Government, if they think it's so important, let the  
19 Government provide the type of income that's necessary  
20 for us to go ahead and employ the proper people to 17:00  
21 carry out these surveys.

22 **CATHAOIRLEACH:** On that point, Cllr. Vance, that's  
23 actually in the letter. Lorraine is going to clarify  
24 that, just that sentence, the lack of resources.

25 **MS. GALLAGHER:** Yes. It says here: 17:01

26  
27 *"The circular specifically indicates that dwelling*  
28 *houses and duplexes are not included in this review.*  
29 *Wicklow County Council currently rents in excess of*

1                   4,300 housing units and do have the resources."

2  
3                   The report says "and do have the resources" but I would  
4                   say that "not" is just left out of that by accident. I  
5                   just want to clarify that. 17:01

6  
7                   "And do not have the resources to undertake a fire  
8                   safety audit."

9  
10                  **CLLR. WHITMORE:** Is that the circular? Is that the 17:01  
11                  Department saying that we don't have the resources?

12                  **MS. GALLAGHER:** No, Wicklow County Council.

13  
14                  "wicklow County Council currently has in excess of  
15                  4,300 housing units and wouldn't have the resources to 17:01  
16                  carry out fire safety on all of the units."

17                  **CLLR. WHITMORE:** well then I'll take on board what  
18                  Cllr. Vance is saying and perhaps we need to write to  
19                  the Minister to say that actually we would like to  
20                  undertake this. Perhaps there's certain aspects of it 17:01  
21                  that we can do within our own resources, but if we do  
22                  want to expand and do a thorough review I would suggest  
23                  that we write to the Minister and say that actually we  
24                  have concerns

25                  **CLLR. VANCE:** I would second that. 17:01

26                  **CLLR. WHITMORE:** And that we would seek the funding in  
27                  order to conduct a proper and full audit of our housing  
28                  stock.

29                  **CATHAOIRLEACH:** Is that agreed, members?
