Wicklow County Council is committed to providing a quality service to all its customers / service users.

Every effort is made by our staff to ensure that services are delivered to the highest possible standard in a professional and courteous manner.

There may be occasions when you may feel that we have not achieved this aim and you may not be satisfied with the quality of service provided.

Wicklow County Council has now developed a Complaints policy aimed at ensuring a positive outcome to all complaints. The emphasis is on the swift resolution of most complaints as close as possible to the source of the problem.

A complaint exists where a person feels that the manner in which they were dealt with by Wicklow County Council was not in accordance with good administrative practice.

The areas excluded from this procedure are: formal appeals relating to decisions on planning applications, or appeals against decisions under Freedom of Information legislation

How a Comment/Complaint is dealt with.

The people who can best deal with a complaint are those who provide the service. All staff will take responsibility for dealing with a complaint. Mistakes and misunderstandings are usually sorted quickly and efficiently at this stage. If any matter cannot be dealt with informally at section level and you wish to formalise a complaint, the following complaints procedure will be available.

- You should send your comment/complaint in writing, by e.mail or Fax, on the attached form to the SEO in the relevant Department. Your complaint will be acknowledged within five working days, treated confidentially and investigated thoroughly.
- You should receive a response within 21 days. Sometimes cases take longer to resolve, if so you will be advised of progress
- If you are not satisfied with the response from the relevant SEO, you may appeal within 3 weeks to the SEO, Corporate Affairs, County Buildings, Wicklow , who will examine the complaint afresh and respond to you within fourteen days.
