Re: - Annual Financial Statement 2018 - Financial Review

A Chomhairleoir, a Chara,

The Accounts of Wicklow County Council for the financial year ended 31st December, 2018 have been prepared in accordance with the Local Authority Accounting in Ireland Code of Practice, Accounting Regulations, and the directions of the Minister for Housing Planning and Local Government, and are now presented as the Annual Financial Statement 2018.

The Statement of Accounting Policies in the attached outlines the main principles upon which the Annual Financial Statement has been prepared. The Annual Financial Statement is subject to external audit, by an auditor of The Local Government Audit Service, whose purpose is to form an independent opinion of the accounts. In accordance with normal practice, a copy of the Auditor's Report will be circulated to each Member of the Council upon its completion.

Total Income and Expenditure on both Revenue and Capital Accounts for 2018 are set out below with a comparison to the previous year.

EXPENDITURE AND INCOME

	Exper	diture	Income		
	2018	2017	2018	2017	
	€	€	€	€	
Revenue	103,169,952	97,045,574	103,499,149	97,333,855	
Capital	55,254,270	41,388,967	60,744,819	43,888,120	
Total	158,424,222	138,434,541	164,243,968	141,221,975	

REVENUE ACCOUNT

Income and Expenditure Statement:

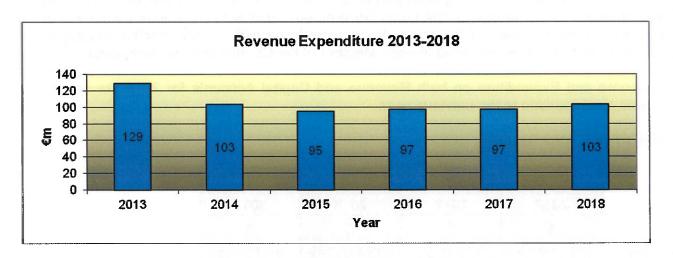

The Revenue Account (Operating Account) covers the everyday expenses of the Council. This includes areas such as housing maintenance, estate management, roads maintenance and restoration, land-use planning, waste management, provision and operation of recreational facilities, administration and support costs, repayment of loan charges, etc. The Statement of Accounting Policies and the Accounts in the pages to follow set out the relevant details.

The Revenue Account may be summarised as follows:

	2018	2017
	€	€
INCOME	103,499,149	97,333,855
EXPENDITURE	103,169,952	97,045,574
SURPLUS/(DEFICIT)	329,196	288,281
OPENING BALANCE	(2,686,945)	(2,975,226)
CLOSING DEBIT BALANCE	(2,357,748)	(2,686,945)

The Revenue Account is prepared on the basis of income and expenditure classified into Divisions and Services as set out in Appendix 2. Moreover, the variance analysis of actual expenditure versus budgeted is shown in Note 16.

The outturn on the revenue account for 2018 shows a surplus of €329,196 for the year after transfers to reserves are taken into account. This compares with a surplus for the year in 2017 of €288,281 resulting in a reduction in the closing general reserve deficit to €2,357,748 at year end.

Explanation of analysis of variance/balances is:

Division A - Housing & Building

This division is over budget on both expenditure and income.

The main reasons for these variances include:

- Increase in capital transfer provision for pre-letting repairs.
- Additional expenditure and income on Housing of the Homeless Grants.
- Additional expenditure and income on Disabled Persons Grants.

Division B - Road Transportation & Infrastructure

This division is over budget on both expenditure and income.

The main reasons for these variances include:

- Additional expenditure and income on National Secondary Roads.
- Additional expenditure and income on Local Roads maintenance and improvement.
- Additional expenditure and income on Regional Roads maintenance and improvement.

Division C - Water Services

This division is over budget on both expenditure and income.

The main reason for this variance is:

 Wicklow County Council Budget was approved prior to agreement of the Annual Service Plan 2018 with Irish Water.

Division D – Development Management

This division is over budget on expenditure and income.

The main reasons for these variances are:

- Increased expenditure and income in relation to planning enforcement.
- Additional expenditure and income in relation to the Local Enterprise Office.

Division E – Environmental Services

This division is over budget on both expenditure and income.

The main reasons for this include:

- · Additional expenditure and income on Burial Grounds.
- Additional expenditure on Fire Services.
- Additional expenditure and income on Emergency Planning operations in relation to severe weather events (contra).
- · Additional expenditure and income on Litter Management.

Division F - Recreation & Amenity

This division is over budget on both expenditure and income.

The main reasons for this are:

- Additional expenditure and income on Library Services.
- Introduction of a new Community Enhancement Programme in 2018 (contra).

Division G - Agriculture, Education, Health and Welfare

This division is under budget on both expenditure and income. The main reasons for this are:

- · Underspend in respect of harbour operations.
- Reduced income under Veterinary Services.

Division H - Miscellaneous Services

This division is under budget on expenditure and over budget on income.

The main reasons for this are:

- Under budget on expenditure and income with regard to the Stores and Machinery Yard (contra).
- Additional expenditure in relation to Coroner Fees and Expenses.

- Additional Income received for IPB dividend in excess of budget.
- Income received from NPPR in excess of budget.

Request for Members approval re over budget net expenditure

The approval by the Members of additional net expenditure in excess of budget (as outlined in Note 16 of the AFS) is hereby requested in accordance with Section 104 (7) of the Local Government Act 2001.

Total Capital Expenditure by Service Division	55,254,270

The Capital Account Statement of the Annual Financial Statement sets out further details, (Appendices 5 & 6).

The closing credit balance of €50.7m is comprised of both favourable and adverse balances on projects. The main contributory reasons for the balances are:

- Capital grants, development contributions, loan financing and other reserves (See notes 10 & 11)
- Adverse balances that are attributable to expenditure on the major infrastructural development programmes such as housing construction, road improvement, where state funding and grants for major projects are outstanding at year-end.
- Monies expended on schemes that may be subject to future own resource funding, i.e. development charges, also have an adverse affect on the balance.

LONG-TERM CAPITAL BORROWING

The Council's long-term capital debt at 31st December 2018 amounted to €72m, a decrease of €8m on the December 2017 figure. In addition to standard principal repayments, the decrease can be mainly attributed to the redemption of a HFA Loan of circa €7m during 2018.

The principal repayments are on loans issued to fund housing loans, land acquisition for housing purposes and other assets.

CONCLUSION

Based on the level of expenditure incurred in 2018, some of the actions and activities undertaken by Wicklow County Council during the year included:

- Wicklow County Council continued to combat homelessness in 2018 by providing supported accommodation at Council owned properties in Wicklow, Bray and Arklow.
 These properties provided 22 units of low to medium supported accommodation targeted to the particular support needs of the clients.
- Funding of over €1m was provided to improve quality of life for Wicklow residents via Housing Aid for Older People, Mobility Aid Grants and the Housing Adaption Grant Scheme.

- Wicklow County Fire Service recruited and trained 17 new recruits for fire stations across the county.
- 350 Litter fines were issued and 44 Waste Management and Litter fine cases were taken to court in 2018.
- The contract for the Florentine Centre Development, Bray was signed in March 2018 and substantial construction works were carried out on the site during the year.
- Wicklow County Council applied for funding for 9 projects under the Urban Regeneration Development Fund (URDF). The following projects were awarded funding in the first round:

- Arklow Historic Town Core

€1,645,000

- Wicklow Library and Fitzwilliam Square

€1,626,000

- Bray Public Transport Bridge

€3,450,000

- Consultant Engineers Ove Arup & Partners were appointed by Wicklow County Council
 and Dun Laoghaire Rathdown County Council to progress the proposed realignment of the
 N11/M11 between Junction 4 to Junction14.
- The County Wicklow Commuter Survey was carried out in 2018, with over one third of the commuting population completing the survey.
- The County Wicklow Tourism Strategy and Marketing Plan 2018 was produced and launched in 2018. A number of implementation groups have been established to work towards the objectives set out in the plan.
- The network of Town Teams in County Wicklow has grown to five with the inclusion of Blessington.
- 4 new recreation facilities were officially opened in February 2018: Baltinglass Skatepark, Rathdangan Playground, Knockananna Multi Use Games Area and Carnew Playground. Furthermore, an all-inclusive playground which caters for the needs of children of all abilities was opened by Wicklow County Council in Greystones in October 2018.

I would like to express my appreciation to all staff for their hard work and commitment throughout 2018 and to thank the Members of the Council for their continued support.

I wish to thank everybody involved in preparing the Annual Financial Statements.

Independent Auditor's Opinion to the Members of Wicklow County Council

I have audited the annual financial statement of Wicklow County Council for the year ended 31 December 2018 as set out on pages 4 to 22, which comprises the Statement of Accounting Policies, Statement of Comprehensive Income, Statement of Financial Position, Statement of Funds Flow and Notes to and forming part of the Accounts. The financial reporting framework that has been applied in its preparation is the Code of Practice and Accounting Regulations as prescribed by the Minister for Housing, Planning and Local Government.

Responsibilities of the Council and the Local Government Auditor

The Council, in accordance with Section 107 of the Local Government Act, 2001, is responsible for the maintenance of all accounting records including the preparation of the Annual Financial Statement. It is my responsibility, based on my audit, to form an independent opinion on the statement and to report my opinion to you.

Scope of the audit of the financial statement

I conducted my audit in accordance with the Code of Audit Practice, as prescribed under Section 117 of the Local Government Act, 2001. An audit includes examination, on a test basis, of evidence relevant to the amounts and disclosures in the annual financial statement. It also includes an assessment of the significant estimates and judgements made in the preparation of the financial statement, and of whether the accounting policies are appropriate to the Council's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide sufficient evidence to give reasonable assurance that the annual financial statement is free from material misstatement, whether caused by fraud or error.

Opinion on the financial statement

In my opinion the annual financial statement, which has been prepared in accordance with the Code of Practice and Accounting Regulations for local authorities, presents fairly the financial position of the Wicklow County Council at 31 December 2018 and its income and expenditure for the year then ended.

Emphasis of matter – Whitestown Landfill Remediation Scheme Costs

I draw attention to Note 23 to the annual financial statement which describes the uncertainty of the costs associated with the remediation scheme on the Whitestown landfill site. My opinion is not qualified in respect of this matter.

Statutory Audit Report

I have also prepared an associated audit report as provided for in Section 120(1) (c) of the Local Government Act, 2001.

Daragh Mc Mahon

Local Government Auditor

Date: 22 October 2019

STATEMENT OF ACCOUNTING POLICIES

1. General

The accounts have been prepared in accordance with the Accounting Code of Practice ACoP on local authority accounting, as revised by the Department of Housing, Planning and Local Government (DHPLG) at 31st December 2018. Non-compliance with accounting policies as set out in ACoP must be stated in the Policies and Notes to the Accounts.

2. Statement of Funds Flow (formerly Funds Flow Statement)

A Funds Flow statement was introduced as part of AFS 2011. While the guidance of International Accounting Standard 7 Statement of Cash Flows has been followed, the business of local authorities is substantially different to most private sector organisations and therefore some minor changes to the format have been agreed to ensure the data displayed is meaningful and useful within the local government sector. For this reason the statement is being referred to as a 'Statement of Funds Flow'.

The financial accounts now include a Statement of Funds Flow after the Statement of Financial Position. Notes 17 – 22 relate to the Statement of Funds Flow and are shown in the Notes on and forming part of the Accounts section of the AFS. Note 19 details Project/Non Project/Affordable/Voluntary balances, which can be either a debit or a credit balance. The funds flow assumes that these are debit balances and bases the (Increase)/Decrease description on this.

3. Accruals

The revenue and capital accounts have been prepared on an accrual basis in accordance with the Code of Practice.

4. Interest Charges

Loans payable can be divided into the following two categories:

- Mortgage related loans
- Non- mortgage related loans

4.1 Mortgage Related Loans

Mortgage related loans have a corresponding stream of income from long term advances (i.e. monies lent by the local authorities to borrowers), for the purchase of houses. Only the interest element is charged or credited to the Statement of Comprehensive Income Statement.

4.2 Non Mortgage Related Loans

Note 7 to the accounts sets out the types of borrowing under this heading. Loans relating to assets/grants, revenue funding, inter local authority will not have a corresponding stream of income. Bridging finance will eventually become part of permanent funding. Loans in respect of the other headings will have a corresponding value in Note 3.

5. Pensions

Payments in respect of pensions and gratuities are charged to the revenue account in the accounting period in which the payments are made. The cost of salaries and wages in the accounts includes deductions in respect of pension contributions (including Widows and Orphans) benefits under the Local Government Superannuation Scheme and the Single Public Service Pension Scheme.

The Single Public Service Pension Scheme ("Single Scheme")commenced with effect from 1 January 2013. Employee contributions for the Sinigle Scheme continue to be deducted by local authorities but are remitted centrally to DPER.

6. Agency and Other Services

Expenditure on services provided or carried out on behalf of other local authorities is recouped at cost or in accordance with specific agreements.

7. Provision for Bad & Doubtful Debts

Provision has been made in the relevant accounts for bad & doubtful debts.

8. Fixed Assets

8.1 Classification of Assets

Fixed assets are classified into categories as set out in the Statement of Financial Position. A further breakdown by asset type is set out in note 1 to the accounts.

8.2 Recognition

All expenditure on the acquisition or construction of fixed assets is capitalised on an accrual basis.

8.3 Measurement

A Statement of Financial Position incorporating all of the assets of the local authority was included for the first time in the Annual Financial Statement for 2003. The assets were valued based on the 'Valuation Guideline' issued by the DHPLG. All assets purchased or constructed as from 1/1/2004 have been included at historical cost. Accounting policies relating to leases are currently being developed and will be reflected in the financial statements at a future date.

8.4 Revaluation

As set out in a revision to the Accounting Code of Practice it is policy to show fixed assets at cost. Maintenance and enhancement costs associated with Infrastructure assets are not currently included in fixed assets but will be reviewed at a future date. Due to their physical nature the vast majority of assets are unique to local authorities and are not subject to disposal. Any loss or gain associated with the net realisable value of the remaining general assets subject to disposal, are accounted for at time of disposal.

8.5 Disposals

In respect of disposable assets, income is credited to a specific reserve and is generally applied in the purchase of new assets. Proceeds of the sale of local authority houses are to be applied as directed by the DHPLG.

8.6 Depreciation

Under the current method of accounting, the charge for depreciation is offset by the amortisation of the source of funding the asset. This method has a neutral impact on Statement of Comprehensive Income and consequently the charge for depreciation and the corresponding credit from amortisation is excluded from the Statement of Comprehensive Income.

The policies applied to assets subject to depreciation are as follows:

Asset Type	Bases	Depreciation Rate
Plant & Machinery		
- Long life	S/L	10%
- Short life	S/L	20%
Equipment	S/L	20%
Furniture	S/L	20%
Heritage Assets		Nil
Library Books		Nil
Playgrounds	S/L	20%
Parks	S/L	2%
Landfill sites (*See note)		
Water Assets		2 12 12
- Drainage schemes	S/L	Asset life over 50 years

The Council does not charge depreciation in the year of disposal and will charge a full year's depreciation in the year of acquisition.

9. Government Grants

Government grants are accounted for on an accrual basis. Grants received to cover day to day operations are credited to the Statement of Comprehensive Income. Grants received, relating to the construction of assets, are shown as part of the income of work-in-progress. On completion of the project the income is transferred to a capitalisation account.

10. Development Debtors & Income

Short term development levy debtors are included in notes 5. Income from development contributions not due to be paid within the current year is deferred and not separately disclosed in the financial statements.

11. Debt Redemption

The proceeds from the early redemption of loans by borrowers, are applied to the redemption of mortgage related borrowings from the HFA and OPW.

^{*} The value of landfill sites would be included in note 1 under land. Depreciation represents the depletion of the landfill asset.

12. Lease Schemes

Rental payments under operating leases are charged to the Statement of Comprehensive Income. Assets acquired under a finance lease are included in fixed assets. The amount due on outstanding balances is shown under current liabilities and long-term creditors.

13. Stock

Stocks are valued on an average cost basis.

14. Work-in-Progress & Preliminary Expenditure

Work-in progress and preliminary expenditure is the accumulated historical cost of various capital related projects. The income accrued in respect of these projects is shown in the Statement of Financial Position as 'Income WIP'.

15. Interest in Local Authority Companies

The interest of Wicklow County Council in companies is listed in Appendix 8

16. Related Parties

A related party transaction is a transfer of resources, services or obligations between the local authority and a

related party. The main related parties for a local authority include the following:

- i. Management and Personnel
- ii. Council Members
- iii. Government Departments
- iv. Local Authority Companies

Local Authority council members and key personnel are bound under the relevant sections of the Local Government Act 2001 and subsequent amending legislation to:

- a. Furnish an annual declaration of 'declarable interests' set out in section 175 of the Act;
- b. Disclose under section 167,178 and 179 any beneficial interests that they or a connected person has; and
- c. Follow a code of conduct issued by the Minister for the Environment, Community and Local Government under section 169 of the Local Government Act 2001 in 2004.

Declarable interest' covers both financial and certain other interests such as land etc.

Local Authority management and personnel salary and remuneration is determined by the Department of Housing, Planning, Community and Local Government in line with central government policy on rates of pay.

Local Authority interests in companies and joint ventures are disclosed in Appendix 8 to the Annual Financial Statements.

Local Authority transactions with government departments are governed by central government controls and procedures driven by government accounting rules.

STATEMENT OF COMPREHENSIVE INCOME (INCOME & EXPENDITURE ACCOUNT STATEMENT) FOR YEAR ENDED 31ST DECEMBER 2018

The Income and Expenditure Account Statement brings together all the revenue related income and expenditure. It shows the surplus/(deficit) for the year.

Note 16 allocates transfers by service division in the same format as Table A of the adopted Local Authority budget.

23. Contingent Liability

A material contingency exists and has not been accrued in the annual financial statement in relation to the remediation costs on the Whitestown landfill. In a judgement delivered on 19 July 2017, the High Court directed the Council to remove to a licensed waste disposal facility, all waste and all soil or other materials contaminated or potentially contaminated by such waste from all areas of the site and to appropriately fill and landscape the site with inert matter sourced elsewhere, and to return possession of the site to the owners. In May 2018 the Council appointed an environmental consultant who is in the process of drawing a remediation plan. The full costs involved in these works have not yet been quantified.
