At the earlier meeting it was agreed that Sisk would provide a list of what was offered to the fishermen and Tim Storey would provide a list of what the fishermen’s requirements were, for circulation to the members, and that a further meeting would be held on Tuesday 31<sup>st</sup> October 2017 at 6.30 p.m. in the Civic Offices, prior to the monthly meeting of Greystones Municipal District.

## **8. NOTICES OF MOTION:**

(a) Motion in the names of Councillors D. Mitchell & G. McLoughlin (deferred from July meeting):  
“The Council should write to Irish Rail to ask them to ensure that diesel carriages they are about to order can have a selection of doors only open at short platform stations as in other commuter railways. This will enable longer diesel trains to serve Greystones and double the Wicklow train capacity which is standing room only at rush hour”.

Councillor D. Mitchell informed the members that he had already written to Irish Rail in relation to this matter and had received a reply from them advising that the new carriages would not be able to only have a selection of doors open at short platform stations.

Following discussion it was agreed that Councillor Mitchell would compose a further letter to Irish Rail outlining alternative options and that the District Administrator would forward same to Irish Rail on behalf of the Greystones MD members.

(b) Motion in the names of Councillors D. Mitchell & G. McLoughlin:  
“The parking bye laws should be changed on Marine road to ban with appropriate fines, camper vans or other camping vehicles, from parking for more than 1 night there or in another part of Greystones. A night time stay should be defined for enforcement purposes as parking at 3 am”.

The District Administrator informed the members that she had made enquiries from a number of local authorities and that overnight parking by camper vans did not appear to be an issue elsewhere. She pointed out that there were currently two and four hour maximum parking limits in Greystones but that these were not enforced. She stated that if a decision was taken to enforce the limits, they would have to be enforced across the board and not just for camper vans.

Following discussion it was agreed that the District Administrator would contact Roscommon County Council to see how they enforced their ban on overnight parking by camper vans, and that the matter would be considered again at the October meeting of the Municipal District.

(c) Motion in the names of Councillors G. McLoughlin & D. Mitchell:  
“That Greystones Municipal District requests that Larry Keegan, the developer who owns the land in the centre of Kilcoole, attends a meeting with the district Councillors to show his plans and vision for this crucial piece of infrastructure in the village prior to applying for planning permission”.

Following discussion on this motion it was agreed to invite Mr. Keegan to attend the October meeting of Greystones Municipal District.

(d) Motion in the names of Councillors G. McLoughlin & D. Mitchell:  
“That Greystones Municipal District writes to Irish Rail to urgently request a shelter at the Kilcoole Train Station before winter sets in”.

Following discussion on this motion it was agreed to write to Irish Rail to request that they follow up on their commitment to provide a shelter at the Kilcoole railway station.

## **9. CORRESPONDENCE**
