Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

SUPPORT AMENDMENT 56 'THE ROCKS'
Deadline for support: 5.00pm on 26 August 2016

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

SUPPORT AMENDMENT 56 ‘THE ROCKS’
Deadline for support: 5.00pm on 26 August 2016

Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Amendment 56 / Objective NH-X:

To preserve lands at ‘The Rocks’, Kilcoole (as show on Map 10.16) in its existing state, to allow no development of these lands; to protect the lands as a natural habitat and biodiversity area; to protect the open nature and landscape quality of the lands. (Map 10.16 Objectives NH13).

Proposed by Cllr Tom Fortune and Seconded by Cllr Whitmore
Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 'The Rocks' (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of 'The Rocks' and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. **Amendment 56 strengthens this policy** by specifying and defining 'The Rocks' for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010:Q16) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Amendment 56 / Objective NH-X:

To preserve lands at ‘The Rocks’, Kilcoole (as show on Map 10.16) in its existing state, to allow no development of these lands; to protect the lands as a natural habitat and biodiversity area; to protect the open nature and landscape quality of the lands. (Map 10.16 Objectives NH13).

Proposed by Cllr Tom Fortune and Seconded by Cllr Whitmore
Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

Amendment 56 / Objective NH-X:

“To preserve lands at ‘The Rocks’, Kilcoole (as show on Map 10.16) in its existing state, to allow no development of these lands; to protect the lands as a natural habitat and biodiversity area; to protect the open nature and landscape quality of the lands. (Map 10.16 Objectives NH13).”

SUPPORT AMENDMENT 56 ‘THE ROCKS’
Deadline for support: 5.00pm on 26 August 2016

Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress, from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.

SUPPORT AMENDMENT 56 ‘THE ROCKS’
Deadline for support: 5.00pm on 26 August 2016

Expression of Support for Amendment 56 ‘The Rocks’ (Sections 10.3.2) Bio Diversity
In the Wicklow County Development Plan 2016-2022 (Detail below)

I wish to support Amendment 56 which seeks to preserve the unique heritage of ‘The Rocks’ and protect a wildlife environment already under severe stress from any further human encroachment. Wicklow County Development (2010-2016) already outlined protection for biodiversity in this area. Amendment 56 strengthens this policy by specifying and defining ‘The Rocks’ for special conservation. This unique resource will help ensure that the scarce biodiversity required to sustain wildlife in this area is protected for the future and outlaw the dump currently being planned for this Glacial Valley.
