

Rathdrum

I wish the following points to be given consideration in the Wicklow County Development Plan 2021-2027 with relation to the town of Rathdrum.

- Fast track the relief road in Rathdrum through the old VEC School grounds to the R752.
- That plans be developed for the future of the old VEC School as it is an aesthetic eyesore coming into the town from the R755.
- Fast track the relief road in Rathdrum from Poundbrook Lane to the R755.
- Incorporate a new relief road from the Greenane Road to the R752.
- Continue the footpath from Rathdrum Cemetery to the Meetings of the Waters along the R752.
- Carry out a traffic study on the town as a matter of urgency and that this should also include a Public Realm design for the Market Square.
- If and when the Main Street is resurfaced, ducting be put in place for future cabling and that the three remaining E.S.B. poles on the street be removed and the cabling be placed underground.
- That a marketing strategy be developed for the 23-acre Avondale Industrial Park and business be incentivised to locate there.
- If any future car park is created at the train station in Rathdrum, that it be exempt from any levies to encourage the use of public transport.
- That plans be put in place to develop areas of the Avonmore Rive for freshwater sports.
- With the ever increasing population of Rathdrum, that land be identified for a future graveyard.

Avoca

I wish the following points to be given consideration in the Wicklow County Development Plan 2021-2027 with relation to the village of Avoca.

- That Wicklow County Council and Irish Water explore the possibility of acquiring land in Avoca Village that will give access to the Wastewater Treatment Plant and also provide much needed land for social housing.
- That a playground be provided in Avoca Village.

Aughrim

I wish the following points to be given consideration in the Wicklow County Development Plan 2021-2027 with relation to the village of Aughrim.

- That Wicklow County Council liaise with Irish Water upgrade the Wastewater Treatment Plant to provide capacity for much needed housing.
