Submissions by
10th January
2020

Submissions on the review of the existing plan and the preparation of a new County Development Plan are invited!

Submissions on this stage may be made from 6th November 2019 to Friday 10th January 2020.

While a review of the detailed policies, objectives (including zoning provisions) and development standards contained in the plan shall occur as part of the plan making process, this stage of the plan review process is '**STRATEGIC**' in nature, in that it is for the purposes of developing:

- the objectives and policies to deliver an overall strategy for the proper planning and sustainable development of the County
- the 'Core Strategy' of the plan

and in this regard the Planning Authority shall take account of the statutory obligations of the local authority and any relevant policies or objectives for the time being of the Government or of any Minister of the Government.

Therefore submissions or observations may be made regarding the overall strategy for the proper planning and sustainable development of the County.

Requests or proposals for zoning of particular land for any purpose shall not be considered at this stage and should not be made.

To assist this process, the Council have a webpage dedicated to the review of the County Development Plan and have prepared an 'Issues Paper' which identifies the kind of planning issues that the next County Development Plan will address. The Issues Paper can be viewed on www.wicklow.ie and hard copies are also available at all the Municipal District Offices and Wicklow Libraries:
