Dear Sirs,

I would be much obliged if you would give consideration to installing a footpath at the bottom of the Mill Lane on the Ferns Road in Carnew, as this forms part of a popular local circular loop/ sli na slainte and there already exists a wide grass verge on both sides of the road.

In addition the existing footpath descending the lane adjacent to the Mulroney is in a poor state of repair.

This would greatly enhance the walking route for locals and visitors alike and is much needed.

Yours faithfully,

Fergus Kinsella
