Some ideas I think would be beneficial to Wicklow

- 1). A Mall something similar to Bridgewater in Arklow or Dundrum Shopping Centre. People are always looking for places to visit, especially in winter time when the weather is inclement. A Mall is the perfect place to go, it's warm, plenty of places to visit, coffee shops, retail outlets, etc. I think it would be a huge plus for Wicklow Town.
- 2). We need a cinema, whether in the Mall or separately. If you want to visit the cinema It has to be Dublin, Arklow or Gorey at the moment.
- 3). A Greenway from Wicklow (The Murrrough) to Greystones, would be lovely and a nice tourist attraction, it would also bring more business to the shops in the Town.
- 4). Make the Main Street a one way street.

Take care,

Gabrielle Kirby
