Town & Village Plans

**Your comments**

I would like to highlight the need for better planning in Newtownmountkennedy. The area has a lot of potential for retail with the massive growth of housing. The main street needs to be looked at urgently, it is used for park and ride and often cars are parked on double yellow lines or blocking the path for wheelchairs and strollers. Another food supermarket is needed also to sustain the growth and flow of neighboring villages to the main street.
