Submission re Avoca Settlement Plan Flood Zone Map

To whom it may concern

We wish to bring to the attention of Wicklow Co Co that this map is incorrect.

1 The alignment of the stream to the rear of our property (marked with yellow dot) is incorrect the stream flows to the rear not through the property.

2 we brought this to the attention of CFRAM at public consultation in Avoca Community Hall.

3 we have never been effected by flooding river or coast as suggested by explanation of colour coding on the right of the map.

We look forward to viewing the corrected map at next stage.

Thank you

Dinny & Bernie Ivers
