PLANNING APPLICATION FORM

BEFORE FILLING OUT THIS FORM PLEASE NOTE THE FOLLOWING

Failure to complete this form or attach the necessary documentation, or the submission of incorrect information or omission of required information will lead to the invalidation of your application. Therefore please ensure that each section of this application form is fully completed and signed, entering n/a (not applicable) where appropriate, and that all necessary documentation is attached to the application form.

ADDITIONAL INFORMATION

It should be noted that each planning authority has its own development plan, which sets out local development policies and objectives for its own area. The authority may therefore need supplementary information (i.e. other than that required in this form) in order to determine whether the application conforms with the development plan and may request this on a supplementary application form.

Please see the [Supplementary Application Form](#) which identifies specific informational requirements which are considered necessary for the assessment of Rural Housing : Level 10 and Single Housing in Level 6-9 settlements and clusters.

Failure to supply the supplementary information will not invalidate your planning application but may delay the decision-making process or lead to a refusal of permission. Therefore applicants should contact the relevant planning authority to determine what local policies and objectives would apply to the development proposed and whether additional information is required.

The [Wicklow County Development Plan 2016 -2022](https://www.wicklow.ie/Living/Services/Planning/Development-Plans-Strategies), and [Town/ Local Area Plans](#) are available to view at <https://www.wicklow.ie/Living/Services/Planning/Development-Plans-Strategies>.

A [Preplanning Guide for one off-rural housing](#) is available online at

<https://www.wicklow.ie/Living/Services/Planning/Planning-Applications/Pre-planning/Pre-Planning-Guides>.

OTHER STATUTORY CODES

An applicant will not be entitled solely by reason of a planning permission to carry out the development. The applicant may need other consents, depending on the type of development. For example, all new buildings, extensions and alterations to, and certain changes of use of existing buildings must comply with building regulations, which set out basic design and construction requirements. Also any works causing the deterioration or destruction of the breeding and resting places of bats, otters, natterjack toads, Kerry slugs and certain marine animals constitute a criminal offence unless covered by a derogation licence issued by the Minister for Culture, Heritage and the Gaeltacht (pursuant to Article 16 of the Habitats Directive).

DATA PROTECTION

It is the responsibility of persons or entities wishing to use any personal data on a planning application form for direct marketing purposes to be satisfied that they may do so legitimately under the requirements of the Data Protection Acts 1988 to 2018. The Office of the Data Protection Commissioner states that the sending of marketing material to individuals without consent may result in action by the Data Protection Commissioner against the sender including prosecution.

[Planning applications may contain personal data/sensitive personal data](#). Wicklow County Council has put in place procedures to ensure compliance with [Data Protection Legislation](#). If applicants wish elected representatives to make representations on their behalf and access information to their planning application they must expressly give their consent to do so by completing a [data protection consent form](#) in the attached planning pack
