Gentlemen.

I beg to report to your Board that since last monthly meeting there has been some fresh cases of scarletina but for a short time past it appears on the decay. Any premises that have been visited by it I have had disinfected and cleaned. I have in my possession an Estimate of the Cost of the Sanitary Work contemplated on the two premises on St. George's Plot. and it appears that to find materials and labour it would cost £3.10.0. Ent. As the fine weather is approaching I would draw your attention to the State of the murrrough Promenade the Lake & Arms leaving it in a very bad State for walking on. I am requested to bring under your notice the dangerous State of the Wooden Bridge. I served the medical Officer with the usual Notices. I inspected a number of houses and premises and served six notices under the Public Health Act.

I Am, Gentl.

Your Obedt Servt. M. Doyle.

After consideration it was resolved to adopt the report and to direct the Town Clerk to draw the attention of the County Surveyor to the defective condition of the Wooden Bridge and to invite tenders for the repair of the Sewer on St. George's Plot by next meeting. meanwhile it was decided to have notices placed on the bridge warning persons crossing it of the risk.

Read report of the medical Officer of Health complaining of the existence of nuisances house of the late Capt. Keogh and Thos. Rowell South Quay. Resolved that usual orders for abatement of nuisances be served on parties responsible.

Read Waterworks Caretaker report wherein it was stated that the reservoir wanted 3ft. 10 in of being full and that the filtering beds required cleansing.

Resolved that report be adopted and that the beds be cleaned.
