

WICKLOW COUNTY COUNCIL

Chief Executives Order  
ORDER NO. 235/2021

Having considered the Report of the Senior Engineer endorsed by the Director of Services, and the recommendations therein together with the Planning Report and the Arklow Flood Relief Scheme EIAR, I am satisfied that having regard to the key objectives of the Arklow Flood Relief Scheme that there is a community need and a public benefit in advancing the works proposed to be carried out, that the plots of land to be permanently affected by the proposed works are suitable to meet that community need, that there is no alternative method available to meet that community need and that the proposed works to be carried out accord with the proper planning and sustainable development of the Council's administrative area and that the policies and objectives of Arklow and Environs Local Area Plan 2018 – 2024 and the Wicklow County Development Plan 2016-2022 have been considered.

The Compulsory Purchase Order procedure is being implemented so that the Council may acquire, without unreasonable delay, all the land needed for the said Scheme.
