

## Re-establishment of Pedestrian Access only – Butlers Lane (Abbey Lane)

Arklow Municipal District would like to advise you that from 3<sup>rd</sup> August 2020, Butlers Lane will no longer be open to vehicular traffic. A bollard will be installed at the Main Street entrance to the lane to restrict access. Please note that all delivery trucks should be parked in the loading bay provided at the Castlepark end of the lane. This loading bay is available for use for all commercial units on the lane.
