3 Bed	3	€456,667	€357,614	€97,613

When will the properties be available?

The development at Market Close, Dunlavin, Co. Wicklow is currently under construction, nearing completion.

What is the market value of the properties?

The market value of an affordable home is the price for which the affordable home might reasonably be expected to achieve on the open market. The initial market valuation of the dwelling to calculate the equity share is carried out by the Wicklow County Council. For subsequent valuations of the property, a valuation mechanism will be set out in the Affordable Dwelling Purchase Arrangement. A valuation will be required when a redemption payment is being made by the purchaser.

Over time, if the value of the affordable home increases, the amount owed on the value of the equity share will increase in line with the prevailing market value.

The market value of the properties is as follows:

- 3 Bed Houses - €456,667
- 2 Bed Houses - €370,000

What is the affordable purchase price of these properties?

The affordable purchase price for the properties will be discounted on the market value and based on the specific purchasing capacity of eligible applicants. The Council will provide an “Affordable Dwelling Contribution” to reduce the purchase price payable now by successful applicants.

Discounts ranging from a minimum of 5% of the market value to a maximum of 21.69% of market value will be available depending on successful applicants' income, deposit (which can include support from the Help to Buy scheme) and savings, with price ranges as follows:

Property type	Minimum Affordable Purchase Price	Maximum Affordable Purchase Price
3 Bed House	€357,614	€433,834
2 Bed House	€295,072	€351,500

Applicants must apply for the maximum mortgage available to them. This will determine the equity percentage Wicklow County Council cover and the property type they qualify for.

Please note the Council are unable to sell the dwelling at the price less than the minimum affordable purchase price.

SECTION 3: SHARED EQUITY

As outlined in the Affordable Housing Act 2021, Part 2, all purchasers will sign up to an 'Affordable Dwelling Purchase Agreement' with Wicklow County Council. Wicklow County Council will retain an 'Equity Share' in the property, equal to: 'The difference between the open market value of the dwelling and the Purchase Price paid by successful applicants' expressed as a percentage of the Open Market Value of the dwelling'

As outlined in Section 16 of the Affordable Housing act 2021, Wicklow County Council may not seek realisation of this Equity Share for a 40-year period (with exception where a breach of the agreement occurs e.g. you sell the property). However, successful affordable purchasers can choose to redeem or purchase the Equity Share in the dwelling at any time by means of one or a series of payments to Wicklow County Council. The minimum amount of redemption payment is €10,000.

Note: If you sell the property, the value of the percentage Equity Share must be repaid in full at the time of sale.

How is purchasing capacity calculated?

The purchasing capacity of applicants will be calculated as the combined total of:

- Maximum mortgage capacity, i.e., 4 times gross household income (or if you have mortgage approval for a different amount), plus,
- A minimum deposit of 10% of the affordable purchase price, plus,
- Relevant savings, i.e., any savings more than the combined sum of the required deposit amount plus €30,000.
