

We are really looking forward to welcoming you to our library here in Aughrim.

To help you plan your first visit, here are a few things you need to know:

What should I bring?

For Adults: Please bring some photo ID and proof of your address, such as a bill or official letter.
For Kids, bring an adult with a library card. Come to the desk when you arrive and we will sign you up in a few minutes. You can borrow straight away.

You can also register to join online before you arrive. Go to this link: <https://lgma.iii.com/selfreg> and complete the details.

Visiting Our Library

It's very easy and safe to park right beside our door and we have a ramp for easy access,. There is an automatic door button, but if you need help just ask. We are usually nearby.

Once inside you will see the hand sanitiser which we ask you to use. We also ask you to observe safe distancing and wear a mask.

You will walk straight into our children's section where you can start looking at books!

Early Readers

Junior Fiction

We have books for everyone, from Early Readers to Junior fiction, Picture books and board books

Reading area

Little seat

Sensory Toys

You are also welcome to take a seat in our reading area and maybe check out our new sensory kit.

Special Interest

Reference

We also have an excellent reference section. You can learn more about puppies, or kittens, or gardening. This is for books about something and all the books about each topic are kept together.

For a longer read you can of course check out the Young Adult and Adult Fiction areas. If there is a particular author you like but cannot find, be sure to come back to the desk and ask! We love helping you find your favourite book

If you are going on a long drive we also have an excellent selection of Audio books.

When you have chosen some books, you can come up to the front desk where we will check your library card is active and scan your books. Any books you need to return can be left here at the desk or in the returns tub on the way in.

If you are looking for a particular book and can't see it on the shelf, please come up to the front desk and ask. If we don't have it in our library, we are more than happy to order it in. This takes about a week so you could collect it on your next visit.

Technology in the Library

We have a desktop computer available to do homework or research on. You just need a parents permission to use it. We also have a printer, scanner and copier right beside it. Ask at the desk for help. Our library is very compact but if you do need to take notes, we also have a small study area.

We look forward to seeing you at our library in Aghrim.

Going to the library is fun!
