Our opening hours

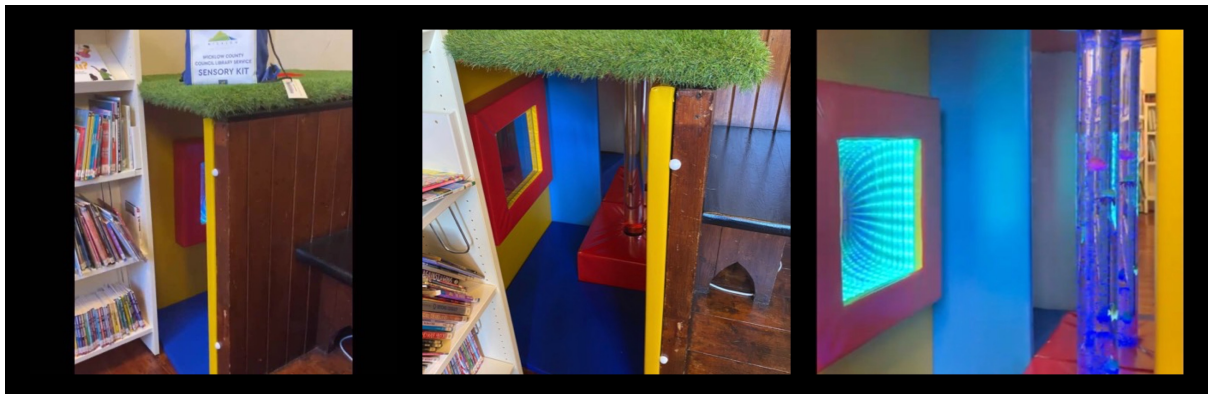

Come inside, and you will see the front desk where you can return your books.

**Then it's time to go find a book!**

We have books for everyone, from Board books to Story books and a big selection of Early Readers.

In our junior section you will also find our sensory area. You are welcome to sit and read or just enjoy the water features.

You can also come up to the desk and borrow one of the Sensory kits for a while.

Enjoy the quiet and calm while you play with some toys, then return to the front desk for next time.

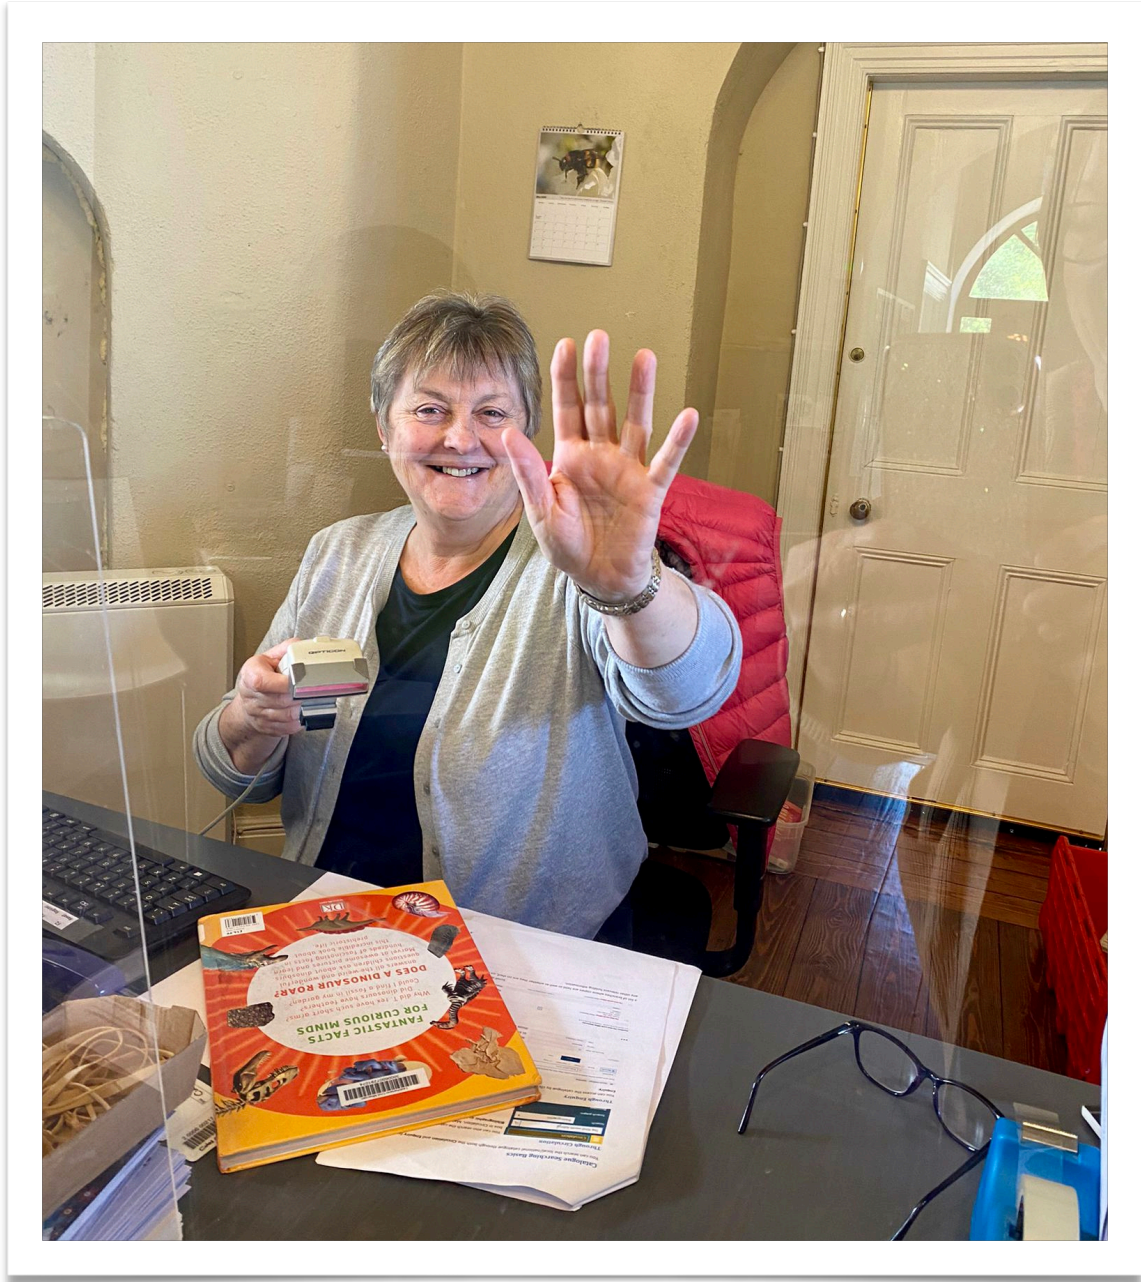

## Ask for Help

When you have chosen your books, please come up to the desk to check them out.

If there is a book you particularly want to read and we don't seem to have it, please come and check. If we can't find it in our stock, we can try to order it in. We love talking about books so please do not hesitate to come and find us if you need any help.

We look forward to seeing you at our beautiful library in Dunlavin.

**Going to the library is fun!**
