

**We are delighted to welcome everyone to our
Wicklow Countywide Mobile library.**

To help you plan your first visit, here are a few things you need to know: What should I bring?

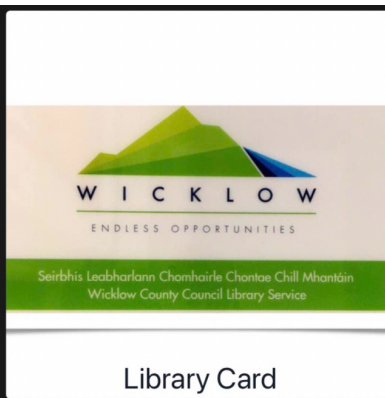

For Adults: please bring some photo ID and proof of your address such as a bill or official letter. For children: please bring an adult with a library card or if they need to join (see above)

You can also register to join online before you arrive. Go to this link: <https://lgma.iii.com/selfreg> and complete the details. Once the form is filled you are given a number which you bring to the branch and from that we create the account and a library card.

Don't forget to bring a bag to carry your library books home in.

Great News!

Once you have a library card you can use it in ANY public branch library in the republic of Ireland. Books can be returned to ANY public branch library too.

If you want to use any of the services online you will need a pin number. This is usually the last 4 numbers on your library card (but we can use 4 different numbers of your choice if you prefer)

What else do I need to know?

You can borrow up to 12 items at a time including books, audiobooks, CD's, DVD's and computer games.

You can keep your library books for up to three weeks and can renew them twice if nobody else is waiting on them.

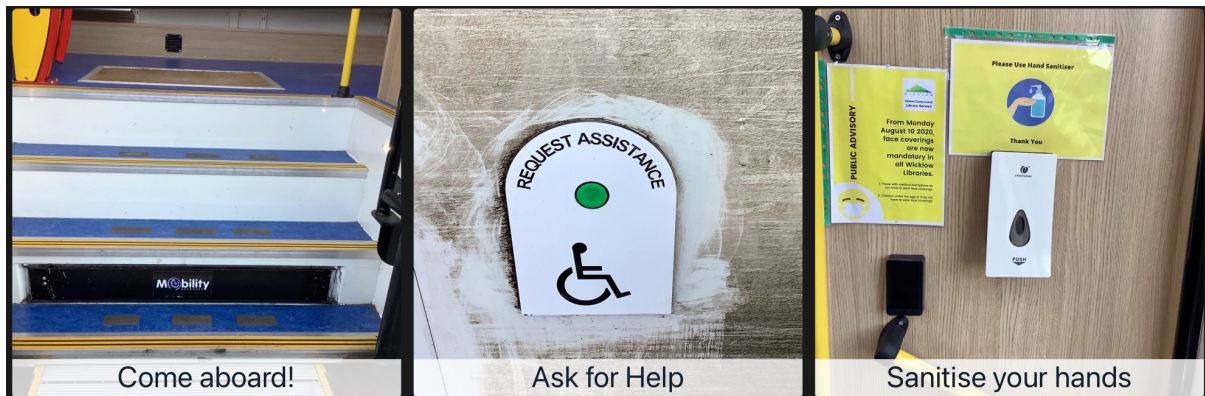

We can order in books, audiobooks, CD's, DVD's and computer games from other libraries if we do not have what you are looking for.

We are the only library in Co. Wicklow to stock X-Box and PS 4 games.

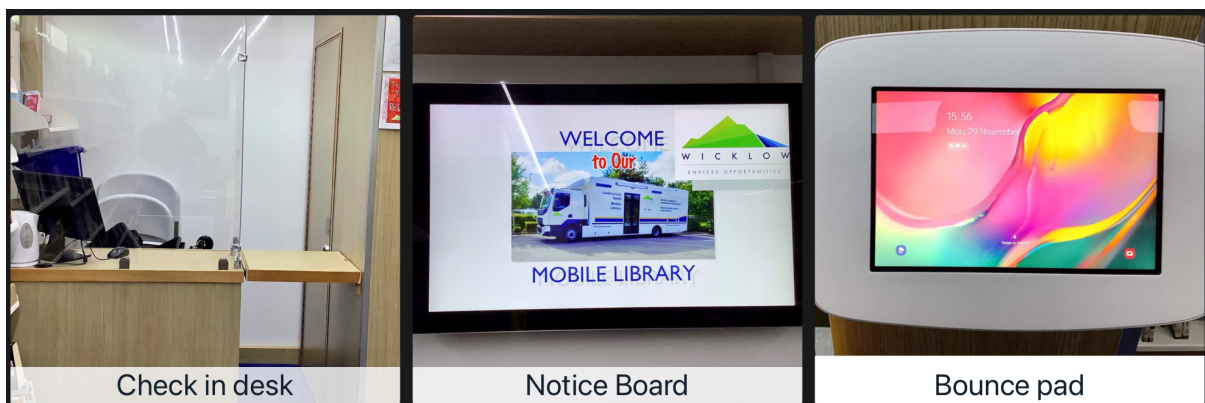

There are no late fees anymore.

Visiting the Mobile Library

We have wheelchair access into the Mobile library if it is needed. We ask that you use the hand sanitiser at the door and that you wear a mask.
