

# Dementia Garden

Arklow Municipal District

The Dementia garden, which was a bronze medal winner at the Bloom Festival 2018, was won for the town following successful application made by Arklow Municipal District.

The Garden is situated on Seaview Avenue beside the playground, at the heart of Arklow's amenity and leisure area.

The Garden was officially opened by Minister Simon Harris in August 2018. Thomas Grey was the architect behind the design it was designed by Newtown Saunders Ltd of Baltinglass in conjunction with TrinityHaus and Sonas apc.

It is a wonderful asset to the District there is calming and therapeutic benefits to the garden which will help many families within the community.
