Re: **Proposed Material Alterations to Variation No. 2 of the Wicklow  
County Development Plan 2022-2028**

Dear Sir/Madam

I refer to the above. The Department of Education wishes to make the following submission to proposed Material Alterations to Variation 2 of the Wicklow CDP 2022-2028.

The department has considered the above document and notes that the purpose of the variation is to provide consistency between the draft and final Wicklow Town–Rathnew LAP with the CDP 2022-2028 and to integrate the land use zoning map and key development objectives from the draft Wicklow Town–Rathnew LAP into the CDP 2022 – 2028.

The department notes that the material alterations propose to adjust the LAP Boundary, the Land Use Zoning map, the Flood Zone maps and the the Transport Strategy maps for the draft Wicklow Town-Rathnew LAP.

Finally, the department acknowledges the crucial importance of the ongoing work of the Council in ensuring sufficient and appropriate land is zoned for educational needs. We look forward to continuing to work with you. If you have any queries in respect of the above, please feel free to contact me.

Yours sincerely,
