Submission	1. Level 4: Enniskerry

Topic	Part 2
Submission	Changes consequent to Chapter 3 (Core Strategy) of the County Development Plan

Write your observations here:

The current infrastructure and of Enniskerry village is well below standard. Frequent electricity faults and water drainage problems constantly torment the village. The volume of traffic and lack of parking in at village pinch points lead to many bike accidents and car crashes during the year. My children who attended the local school and village library are at risk due to the speed of cars coming from numerous directions. A lack of road infrastructure and signage is of enormous risk.

Rezoning land and adding more houses/people/cars to the area will only exacerbate this problem, impinge on the natural beauty, biodiversity and community to which the village is renowned.
