## Topic

Heritage – Biodiversity- Green infrastructure- Climate Action- Energy

## Submission

It's vital that priority is given to green spaces, tree planting, biodiversity protection and enhancement in any future developments

## Topic

Infrastructure - Sustainable Movement – Transportation

## Submission

Public transport while it has improved still falls far short of what's required to get people out of their cars. We need for more buses, cycle lanes, greenaway. Reliability and frequency of buses needs to be addresses urgently
