Good afternoon, my observation is the SI03 concept plan which proposes vehicular traffic into Abbey Heights contravenes European legislation on traffic in residential areas.

The suggested increase in traffic would increase the danger to pedestrians due to the lack of sightlines and number of junctions within a 300m stretch of residential road.

Kind regards,

William Keogh.

Mile, my observation is as follows

The S603 Concept plan of streets
across County Wick might fail to conform to
current planning regulation on traffic/violations in
a built-up area. Also, the current European
traffic legislation
