Wicklow Women Councillor's Caucus

The Members of Wicklow County Council ratified the establishment of the Wicklow Women Councillor's Caucus at meeting held on 14th June 2021.

The 2019 Local Elections saw an unprecedented number of female Councillors elected to Wicklow County Council. However, women continue to be seriously underrepresented in Local Government and make up just 25% of all Councillors.

The barriers and challenges identified to participation by female Councillors in Wicklow County Council have mirrored those outlined in national reports such as the "Independent Review of the Role and Remuneration of Local Authority Elected Members" (Department of Housing, Local Government and Heritage) and "Women Beyond the Dáil" (National Women's Council of Ireland).

The aim of the Caucus is to be a non-partisan group working to address these barriers, to strengthen cooperation between women across all political parties and ideological lines; and to strengthen their capacity to effect change. The work of the caucus aims to help build capacity of women Councillors, through formal and informal mentoring; through targeted actions on areas of common interest and to promote women's equality in Local Government in Wicklow.

Membership of the Caucus is open to all female Councillors.

Blessington Town Regeneration Survey

Baltinglass Municipal District has launched an online survey as part of the preparation of an application under the Rural Regeneration Development Fund (RRDF).

The application will seek funding for three main areas, centred on Blessington:

1. Regenerating Blessington
2. Making Blessington eGreenway ready
3. Enhancing the eGreenway links and tourism product at Russborough House & Parklands

The proposed development would help to stimulate further growth in economic activities in the wider Blessington area taking into account the significant investment secured for Blessington eGreenway.

Fáilte Ireland Local Authority Weatherproofing and Outdoor Dining Infrastructure Scheme

Wicklow has been approved in principle a total of €199,624 from Fáilte Ireland for two applications submitted for Arklow (€81,000) and Wicklow (€118,624) under the Local Authority Weatherproofing and Outdoor Dining Infrastructure Scheme which will be used to enhance the outdoor dining experience in these areas.

The aim is to create a year round outdoor dining location in each town, with shelter, heating and lighting.

County Wicklow Library Service

Pride To celebrate Pride for the month of June, all libraries displayed the recently acquired Rainbow Collection which includes child, young adult and adult fiction, non-fiction and video material.

Bray Library hosted their first in-person Read the Rainbow book-club session on Tuesday 8th of June in the library garden, which was an exciting departure from five months of Zoom meetings.

Every library in the county displayed the Rainbow flag. Our newly acquired flagpoles along with the flagpole in Arklow meant that the flags were clearly visible in Bray and Arklow.

Wicklow County Council Library Service also launched their new website page - <https://www.wicklow.ie/Living/Services/Libraries/LGBTQIA-Resources>

This is a ground-breaking achievement for our libraries. It promotes the excellent LGBTQI library collection and also includes important links to relevant websites and support organizations for the LGBTQI community in general and also for parents or guardians of young people.

Summer Stars

Our annual Summer Stars reading programme kicked off in all libraries on the 14th of June. So far almost 2,000 children have signed up. Each participating child receives an eco-friendly cotton bag, a notebook and pencil along with a reading card to record their progress during the summer.

“First 5 - Building Little Libraries”

This programme launched in early June and promoted the importance of reading and language development in all Early Learning facilities in County Wicklow. Each of our libraries got in touch with local pre-schools and offered them free “Little Library Bags” for their Preschool children. Each bag contains five books, one in Irish and four in English, along with information and goodies promoting a range of available services. This initiative was co-ordinate by LGMA and funded by the DCEDIY and the DRCD.

“My First Library Card” video recordings

Wicklow and Kildare Co Co Library Services launched “My First Library Card” programme in early 2020. As part of this, a series of videos in aimed at encouraging parents and guardians of children aged 0-5 years to talk and read with their babies from birth are being recorded. The opportunity to work on this project came about through “Dormant Account Funding”. Parents from Bray and their young children are taking part in the project. Filming took place in Ballywaltrim Library and it is planned that the material will be shared on the Library social media and You Tube channel in the autumn. A separate filming occurred at Newbridge library.

Blessington Storytime and Treasure Hunt

On Saturday, 10 July, over 100 participants took part in Blessington Library’s “Elmer Story-time and Treasure Hunt”. The starting point was at the library gazebos set up in the green area outside the library. Children had to put on their detective hats and solve nine riddles to find Teddy hidden along Blessington Main Street. The last clue was in the library where all children received a craft bag when they finished the treasure hunt. Thankfully, the rain stayed away for the library’s first outdoor event of the summer!

County Wicklow Archives and Genealogy Services

“Wicklow and the War of Independence” - county publication now online

Wicklow County Archives is proud to announce that this e-book is now available to read at <https://heritage.wicklowheritage.org/category/topics/wicklow-the-war-of-independence> and the hard-copy of the book will launch, with the exhibition of the same name, in August. Released online on the 11th of July to mark the centenary of the Truce, the book brings together a collection of essays and images by 12 of the county’s local historians who have researched the revolutionary era in their respective localities from a variety of perspectives. The result is a series of interwoven studies that bring the complex tapestry of this significant part of Wicklow history into new and sharper focus.

In his foreword, the Chief Executive Mr. Frank Curran states, “The Wicklow Decade of Centenaries Programme supports the development of initiatives at county and community level to re-examine and commemorate significant events, individuals and groups during the revolutionary years (1913–23) in County Wicklow. I believe that as part of this project, this publication Wicklow and the War of Independence, which is focused on Wicklow’s experience of the War of Independence (1919–21), contributes to this goal by combining local stories and experiences with local research and scholarship via access to local archives. In doing so, it promotes a greater understanding of historical events and their legacies and thus encourages communities toward further exploration and reflection. It is a tangible demonstration of the benefits of free public access to authentic local archival sources, including online access to digitised local archives such as those available on the Wicklow County Council portal www.wicklow.ie . This is a Wicklow County Council Decade of Centenaries project supported by the Department of Tourism, Culture, Art, Gaeltacht, Sport and Media.

Wicklow Archives Video

Wicklow County Archives in collaboration with the Beyond 2022 Project and Trinity Longroom Hub have produced a video featuring the county’s 19th century Grand Jury records. The video can be viewed at <https://www.youtube.com/watch?v=C1roH2WOJBs>

Wicklow Archives Collection features in “History Ireland” magazine

Healthy Wicklow Strategy

1. Round 3 of Programme is underway but implementation has slowed down because of COVID-19. An extension to 31st December 2021 has been granted. €30,000 has been allocated to a number of groups under the Healthy Ireland Mental Health Small grants Scheme. 10 projects have been allocated funding under this stream and with the lifting of restrictions are well underway.
2. Under the Healthy Ireland Fund, Wicklow County Council received €67,225 and Wicklow CYPSC received €18,519 to help with the 'Keep Well' campaign.
3. A number of initiatives have been running since November 2020 to June 2021 to especially target the most vulnerable and isolated. The main Themes covered were under the following headings:
4. In Your County – with 50% going toward Age Friendly Collaborative Activities.
5. Being Creative/Switching Off – this included initiatives from the Arts office, Age Friendly Coordinator, Heritage office, Libraries, Bray Area Partnership and County Wicklow Partnership.
6. Staying Connected – which was 50:50 split between Community Call and Befriending Activities.
7. Minding Your Mood – Wicklow CYPSC partnered up with all youth services and family support services in Wicklow to ensure a number of initiatives were successfully ran under this action.

Migrant Integration Strategy

This has been passed by Wicklow County Council and is now in the implementation stage

Goal 4: Develop a vibrant and innovative community and social enterprise sector

Bray Area Partnership (BAP)

Bray Area Partnership has continued to work within its operational area of Bray and north Wicklow to advance social enterprise activity and initiatives. A summary of this work includes:

- As part of SICAP resourced actions, BAP are providing ongoing support, advice and guidance to pre-establishment, early stage and trading social enterprises with respect to structuring; business planning; accessing viability and more sustainable operation etc.
- Planning and information session will be held later in the year, for potential and new social enterprises covering various topics related to day to day business requirements underpinning a sustainable operation.
- Diversifying the range of services provided by an existing managed social enterprise by developing a service range to be made available to older members of the community in the Bray and north Wicklow areas supporting independent living.
- Completing the programme of work under the SEED Initiative that provided training modules and individualised mentoring together with a promotional video production for up to nine local social enterprises.
- Finalising the market research and feasibility study being undertaken to inform the development of a social enterprise having ex-offenders within its workforce.
- Developing a proposal, as a collaborative venture with two other LDCs, seeking funding to implement a six months programme for social enterprises focusing on governance, compliance and sustainable trading.

County Wicklow Partnership (CWP)

The Leader Programme 2014 – 2020 programme seen nearly 1 Million invested in Social Enterprise development

The Training and Mentoring Programmes undertaken as part of that – Rural Youth Climb, Covid 19 Supports for new and existing SE's (Ascend Programme) and the Forest Bathing Training programme will all be completed by end of August 2021 and see nearly 50 participants through their intense programme of entrepreneurial business development training.

This is now starting to bear fruit as new applications are starting to flow in for funding under the transitional LEADER programme from SE's. Further encouraging news is that we now have a strong group of new start up Social Entrepreneurs growing in the County and Wicklow would be considered nationally as having very strong SE activity.

It is envisaged that a new fund from DRCD for new start-up social entrepreneurs will be announced in the next two weeks and so in Wicklow we now have a very strong cohort of trained SE's who would be ideally positioned to apply for funding.

Economic Development, Planning and Infrastructure

1. Local Economic and Community Plan (LECP) (Economic)

The Economic Development Unit of the Enterprise and Corporate Services Directorate is charged with implementing the economic actions in the Local Economic and Community Plan (LECP).

Retail

Bray Central

Activity on site of late is at a minimum due to the negative impact Covid has had on the construction industry as a whole, labour shortage, material shortages and sub-contractors availability. Oakmount have had a lot of products fabricated off site and delivered to site. This is to try and maximise productivity on site when the site is fully open.

Over the last couple of weeks Oakmount have concentrated on keeping the site COVID 19 user friendly and in doing so have undertaken a big house keeping exercise. As a result they have removed plant and small machines that are no longer required. Oakmount are trying to line up all the trades, subcontractors and supplies to come to site in one condensed period, so to get works completed in the most efficient and costly manor. This is proving to be more difficult than originally expected. In the meantime, all design team work is continuing and there are regular project management call and teams meetings ongoing.

Working with their Project QS Oakmount are in discussions with the main contractor in order to complete the last few weeks of work required to reach Practical Completion.

The major anchor is now at legals and Oakmount have leases agreements/commitments in place on nearly 80% of the total letting space.

Town Teams

Town Teams in Arklow, Blessington, Bray, Greystones and Wicklow continue to meet virtually where possible to progress various projects. Activity, particularly engagement with stakeholder groups has been curtailed due to Covid restrictions.

Arklow Town Team

The Visit Arklow launch video was released which showcases a snapshot of what Arklow has to offer. At the last count 9.1k people had viewed the launch video.

Arklow's 19 Arches Bridge, is in bloom thanks to a project completed by the Town Team and Arklow Tidy Town's Committee with assistance from the Men's Shed. The bridge will be in bloom throughout the summer and winter months with pollinator friendly planters. The bridge planters complement the annual Flower Basket Scheme for businesses in the town.

Arklow Town Team has submitted an application for funding to develop an existing play area at the Duck Pond area, Seaview Avenue – the proposed project will include a Painted Playground and Colourful Court and will really uplift and transform the space. It will invite people to interact more with the landscape.

Bray Town Team / Bray Town Recovery Team

The application will seek funding for three main areas, centred on Blessington:

4. Regenerating Blessington
5. Making Blessington eGreenway ready
6. Enhancing the eGreenway links and tourism product at Russborough House & Parklands

The proposed development would help to stimulate further growth in economic activities in the wider Blessington area taking into account the significant investment secured for Blessington eGreenway. The closing date for submission on this survey is 12pm Sunday 18th July 2021

The survey can be found on www.wicklow.ie or by following this link:

The Town Team has received presentations from the Codling Wind Park, Greystones Tidy Towns and on the proposal to develop an Arts Centre for Greystones. The Greystones Business Network launch event on 1st July in the new park was well attended (social distancing adhered to) this will help strengthen engagement between the business community, the Town Team and the Municipal District.

Wicklow Town Team

A joint campaign with Wicklow Town Team, Wicklow MD and Wicklow Town & District Chamber of Commerce has been re-launched to support and promote the businesses through “Shop Local – Support Wicklow” campaign.

Preparation for the installation of the awnings at Market Square is underway. The Market Square is the ideal location to provide a year round outdoor dining weatherproofed facility as it will capture and benefit the maximum hospitality business in the town.

Wicklow Town Team has completed a survey and strategic analysis in relation to the provision of a Youth Theatre in Wicklow Town and it is expected that they will soon be in a position to present a feasibility study on the proposed project.

Town Re-opening Committees

Following the success of the Bray Re-opening Committee, Wicklow County Council proposed the establishment of re-opening committees in each Municipal District – the purpose of these committees is to support businesses as they re-open and to encourage members of the community to support local business. Membership of the Re-Opening Committees consists of the MD Cathaoirleach (Chair), MD

Manager, MD Administrator, MD Engineer, Chair of the Town Team, Representative of the Chamber of Commerce and An Garda Síochána.

A plenary town re-opening meeting has been held in Arklow, Wicklow, Greystones and Blessington. The meetings considered the actions being taken by each of the Municipal Districts to enhance the re-opening of our towns and gained valuable input from An Garda Síochána and representatives of the business community. A campaign in conjunction with the Local Enterprise Office featured in all editions of the Wicklow People to encourage people to continue to shop local and support local businesses as they reopen.

Outdoor Dining

Application fees for use of public footpaths or spaces by local businesses during COVID-19 are being waived by Wicklow County Council for a further period to the end of December 2021. The Council is anxious to assist and support businesses in the recovery period arising out of the pandemic. One of the measures that the Council is keen to support in the recovery is the use of public footpaths and/or public space for local businesses which may require the use of these spaces, particularly as outdoor seating areas while restrictions are ongoing. The Council is advising businesses that such activity can be permitted by our Planning Department under a Section 254 licence. The application form and further information is available on the Wicklow County Council website: <https://www.wicklow.ie/Living/Services/Planning/Planning-Applications/Apply-for-Planning/Licence-Application-Section-254>

Glendalough Masterplan and Wicklow Visitor Orientation Study

The first round of consultation has been completed and was positively received, with over 170 individuals having participated in the Zoom sessions to date and a similar number of surveys returned. Issues raised during those sessions include congestion at key sites, security, car parking and visitor services, signage, availability of maps showing all the trails and routes, issues with local access, rewilding, erosion and degradation of the environment.

The consultants are finalising the draft masterplan and this will be presented to the Steering Committee (the various government agencies) within the coming weeks.

In the short term additional car parking has been provided at Laragh and Pier Gates Luggala, an electronic traffic management system (ITS) is to be introduced and the toilets at the Council owned car park are being upgraded, temporary toilet facilities are in place.

The improved junction with R757 and R756, where the Glendalough road meets the Wicklow Gap, was officially opened on 15th June and has proven successful in accommodating vehicle movements and improving safety in the area, especially for larger vehicles.

Bray Harbour Area Integrated Regeneration

Funding of €7.14m has been announced for the Bray Harbour Area Integrated Regeneration Project from the Urban Regeneration and Development Fund (URDF) and this funding has the capacity to unlock the great potential of Bray Harbour and surrounding area. The harbour, its piers and adjacent lands are a

major asset for Bray and this funding will facilitate an integrated scheme to develop the harbour and associated public realm works to provide a vibrant waterfront area with excellent connectivity between the promenade, the town centre the Dublin Road area and beyond. Wicklow County Council is in the process of appointing consultants to carry out additional survey work as part of the design process.

Work is ongoing to further develop the unsuccessful applications for Wicklow and Arklow Harbours. A meeting with the Department of Housing URDF Team has taken place, this will inform the resubmission of these applications.

Maritime

Offshore Wind Energy

Seven Offshore Projects have been designated Relevant Projects by the government and are in line to receive a valid grid connection offer. Six of these projects are in the Irish Sea with four off the coast of Wicklow:

- Dublin Array RWE (2 projects Bray and Kish Banks)
- Codling Wind Park Fred Olsen/EDF (2 projects, Codling I and Codling II)

The Development of the designated Relevant Projects is dependent on the enactment of the Marine Planning and Development Management Bill, 2020 expected in 2021.

Arklow Bank is proceeding under an extant permission.

There are 2 further offshore wind farms at planning stage the Cailleach Windfarm in North Wicklow and the Shelmalier (South Wicklow/North Wexford)

The estimated value of each of the above projects is between €1 and €2 billion. In addition to the benefits provided to the community, including investment, employment, training and skills development, and the opportunity to develop Wicklow as a Centre of Excellence for Offshore Wind Energy, a mandatory Community Benefit Fund must be provided by all RESS projects. This will be of significant value for the County Wicklow community.

Council officials are engaging with Enterprise Ireland and the educational bodies with regard to developing a business cluster and skills and training requirements.

Food and Beverage Strategy

County Wicklow Partnership has advertised through Etenders for a Food and Beverage Co-ordinator role for Wicklow Naturally and a tender for the supply of event costs for the period 2021 - 2023 in support of Wicklow Naturally's Promotional Activities Plan. Funding of €220,000 will be applied for via the LEADER Food Programme for both tenders. If successful, funding of 75% will be awarded, Wicklow Naturally will contribute 5% from subscriptions and it is proposed that Wicklow County Council will contribute €35,000 over a two year period

A large number of events in the calendar such as Bloom and the National Ploughing Championships have been cancelled; it is proposed to run October Feast again this year with a mix of virtual and "in person" events. This event was run virtually in 2020 and had a good participation rate.

Register of Electors

The 2021/2022 Live Register was published on 1st February 2021 in line with statutory regulations. Due to the ongoing Covid-19 Emergency we are limited in the number of areas we can distribute the Register to. The Register is available for inspection in each of the Municipal District Offices and at the Customer Service Hub in County Buildings. The Political Extract was generated and issued to all Council Members, TD's and Senator via email. The total number of Electors on the 2021/2022 Live Register of Electors is 102,346 and there are 206 polling stations in Wicklow.

The Franchise staff will continue to strive for excellence on the Register of Electors database. We are continuing to accept applications from 18 year olds and new residents moving into the county in the event that an electoral

event occurs and there is a requirement for a Supplement Register. We will continue to make contact with new housing developments and urban areas where new developments are coming on stream in an effort to get new residents register. The Special Voters list has been issued to each of the Nursing Homes in the County which we are now updating with new residents.

We will continue to work on areas where there is a lack of Eircodes and dates of birth. Wicklow Co Co are now one of the lead authorities in Eircode coverage on their register with over 99% of the electorate having an Eircode attached to their Register of Electors entry. We are continuing to assist the LGMA in their exercise to have other Local Authorities achieve similar Eircode coverage on their own Register of Electors.

We have an ongoing social media presence encouraging electors to use www.checktheregister.ie to check that they are registered to vote. It is hoped that once Covid restrictions are lifted that we will be in a position to establish voter registration days in schools, shopping centres and libraries.

Nine Month Rates Waiver: A waiver of commercial rates was applied to specified businesses in for the first and second quarter of 2021. This 3-month waiver has modified criteria and accordingly is a separate, standalone waiver scheme to the previous 2020 scheme. This waiver is being extended to cover the third quarter of 2021 and will be applied in due course. There is no application process required for this scheme. Wicklow County Council will automatically apply a 100% credit in lieu of commercial rates for the quarter periods to eligible properties.

General Municipal Allocation and Discretionary Fund 2021

The Discretionary Funding allocation for 2021 was decreased in line with the 2021 LPT rate reduction. The 2021 funding provision consists of mainly General Municipal Allocations used to support local groups and initiative etc. There was no public realm funding allocated this year, however unspent monies in this area from 2020 have been made available to Municipal Districts in 2021. The Level 5 Covid restrictions on construction which were in place up to May 4th prevented any public realm works being carried out up to that date.
