Vol 2 Sect. A2.4 Population & Housing

Please include the 2022 Census data as it is available. Greystones Delgany had a Population of 22,009 and Kilcoole had a Population of 4,569 on the 2022 Census.

The way to achieve the 2028 Greystones Delgany target needs to be updated as the 2028 target was exceeded in 2022.

Vol 2 Sect A2.6 Free of charge accessible public open space target per 1,000 people should be clearly stated. Teenagers and adults require this type of purpose built accessible space to play impromptu games of 5 a side football and basketball etc to improve the Populations physical and mental wellbeing.

Vol 2 Sect A3.1 A dart station between Greystones and Kilcoole is required to service all the new housing that has been built in the last few years. This station will relieve the pressure on the Greystones town centre car parking and road usage.

Please select which town you want to comment on:

Greystones/Delgany

Observation relevant to the settlement:

Housing is at capacity. Infrastructure has to catch up. Free public purpose built active open space is badly needed for the physical and mental health of teenagers and adults.
