Gentlemen— I was much pained on reading the support of your discussion on the milk supply to your Union on last Friday. The question was legitimate for discussion & would call forth no complaint from me were it not for the fact that Mr. J. S. Coates, a member of your Board, publicly charged me with deliberate fraud without I submit, his having anything approaching sufficient grounds for his statements. But, gentlemen, this is wholly a question for myself and Mr. Coates which I won't trouble you with beyond stating that his remarks were intemperate and unjustifiable. Will you kindly direct that this letter be inserted on your minutes and oblige."

Copy of a resolution passed by the Cork Board of Guardians expressing their opinion that the appointment of Lady Local Government Inspector to look after the female and children's departments of our Workhouses would be desirable, was received and adopted.

23 October '06

The Local Government Board wrote to state that they observed in the Minutes of Proceedings of the Board of Guardians on the 12th inst. an entry of a notice of motion to increase the wages of John Dempsey, who was appointed as Farm Steward and Van-Driver at the Workhouse in Sept. 1905, and with reference thereto, the Board desired to point out that it is contrary to their usual practice to sanction increases in the Salaries of Union officers until five years after the date of appointment, unless under exceptional circumstances, or unless the Guardians formulate a scale of Salaries applicable to all the posts under their control as suggested in the Board's circular letter of the 8th August, 1904.

The Hon. Sec. to the Poor Law Section of the Joint Irish Poor Law Committee forwarded a series of queries for answers to enable the Committee to submit to the Royal Commission a statement as to the reforms which the lapse of years & the exigencies of the present times have shown to be expedient and desirable.

The Board decided to defer consideration of the matter for the present.

Pursuant to notice it was proposed by Mr. Fitzpatrick and seconded by Mr. Maguire:—

"That the Salary of John Dempsey, Farm Steward and Van-driver, be increased from 10/- to 12/- a week in order to put him on a level with his predecessor."

On a division 8 Guardians voted for the motion and 4 against, which was accordingly declared carried.

It was ordered that an inmate named Emma Byrne be provided with an outfit of clothing, for herself & child on taking their discharge from the Workhouse.

No. 61430

25 October 06

With reference to the minutes of the Guardians on the 19th instant, the Local Govt. Board requested that the Medical Officers of the Workhouse might be called upon to explain why samples of Buns delivered on the 20th July last did not reach the analyst until the 1st instant.

Order:— That Mr. King be asked to furnish an explanation in the matter.
